revelation which I had in 1984 and is an anguished forthright attempt to come to grips with the religious issues which I found hostile and unfriendly and contained in daily life It is not my intent to reveal a set of truths about God as much as it is an attempt to convey through prose poetry quotations parables wisdom tales and my own mythological story and poetic works the intuition of reality that touches the heart and burns and stirs the soul I have written what I feel is crucial and important in describing the reality of truth
