The Hasidim By Moskowitz Ira:

The Hasidim; Paintings, Drawings and Etchings by Ira Moskowitz. Text by Isaac Bashevis Singer and the Artist Ira Moskowitz, Isaac Bashevis Singer, 1973 **The Hasidim** Ira Moskowitz, Isaac Bashevis Singer, 1973 Lubavitcher Women in America Bonnie J. Morris, 2012-02-01 Lubavitcher Women in America offers a rare look at the world of Hasidic women activists since World War II The revival of ultra Orthodox Judaism in the second half of the twentieth century has baffled many assimilated American Jews especially those Jewish feminists hostile to Orthodox interpretations of women's roles This text gives voice to the lives of those Hasidic women who served the late Lubavitcher Rebbe as educators and outreach activists and examines their often successful efforts to recruit other Jewish women to the Lubavitcher community in Crown Heights Brooklyn Central to this book is how Lubavitcher women have talked back to American feminist thought Arguing that American feminism cannot liberate Jewish women that a specifically Jewish spirituality is more appropriate and fulfilling Lubavitcher women have helped to swell the ranks of their Rebbe's followers by aggressively promoting the appeal of traditional structured Jewish observance The book thus offers a unique look at female anti feminist religious rhetoric articulately presented by Jewish fundamentalists *Isaac Bashevis Singer: His Work and his World* Hugh Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing

The Synagogues of New York's Lower East Side: Gerard R. Wolfe, 2013 The classic book on the Lower East Side's synagogues and their congregations past and present now back in print in a completely revised and expanded edition **Old Truths and New Clichés** Isaac Bashevis Singer, 2022-05-17 From the Nobel Prize winning writer a new collection of literary and personal essays Old Truths and New Clichés collects nineteen essays most of them previously unpublished in English by Isaac Bashevis Singer on topics that were central to his artistic vision throughout an astonishing and prolific literary career spanning more than six decades Expanding on themes reflected in his best known work including the literary arts Yiddish and Jewish life and mysticism and philosophy the book illuminates in new ways the rich intellectual aesthetic religious and biographical background of Singer's singular achievement as the first Yiddish language author to be awarded the Nobel Prize for Literature Like a modern Montaigne Singer studied human nature and created a body of work that contributed to a deeper understanding of the human spirit Much of his philosophical thought was funneled into his stories Yet these essays which Singer himself translated into English or oversaw the translation of present his ideas in a new way as universal

reflections on the role of the artist in modern society The unpublished essays featured here include Old Truths and New Clicks The Kabbalah and Modern Times and A Trip to the Circus Old Truths and New Clicks brims with stunning archival finds that will make a significant impact on how readers understand Singer and his work Singer's critical essays have long been overlooked because he has been thought of almost exclusively as a storyteller This book offers an important correction to the record by further establishing Singer as a formidable intellectual

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1975

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading
