Allen Hanson, 2010-05 Jesus said Blessed are the pure in heart for they shall see God Matthew 5:8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book

addresses these concepts Jesus however said that He has seen God and that angels see His face This book should be in the shelves of every seminary Bible school minister s study and in the hand of every person as a help in Bible study or in seeking to know more about God May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father *Jessica's Web* George B. Graen,2007-12-01 This book is divided into three parts The first part is about web construction methods the second part covers web care and repairs and finally the third part outlines systems applications of the web throughout the organization Remember that your personal web relieves you of needing to undergo a manlike makeover to achieve your dream job Remain true to your maker s creation Finally I delight in reading about your small and large successes employing Jessica s Web technology I feel sorry for those poorly informed individuals who believe that authentic feelings have no place on the job In the final analysis we are both thinking and feeling beings and cannot deny our emotional side in our occupations We cannot spend half or more of our waking hours during the week days on activities that do not benefit from our emotional side and be psychologically healthy Jessica s Web gives one a way to empower oneself at work and engage both thinking and feeling at work The Hidden Face, Etc David KER (Writer of Tales.),1928
