Schneider, 2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic The Contemporary Narrative Poem examines this resurgence of narrative and the cultural and literary forces motivating it Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems. How do contemporary narrative poems differ from modernist narrative poems. In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry Love, Lucy April Lindner, 2015-01-27 While backpacking through Florence Italy during the summer before she heads off to college Lucy Sommersworth finds herself falling in love with the culture the architecture the food and Jesse Palladino a handsome street musician After a whirlwind romance Lucy returns home determined to move on from her vacation flirtation But just because summer is over doesn't mean Lucy and Jesse have to be does it In this stunning novel April Lindner perfectly captures the highs and lows of a summer love that might just be meant to last beyond the season Far from Over April Lindner, 2016-04-12 A captivating digital original companion novella to April Lindner's Love Lucy Jesse Palladino is used to

The result is an evocative reflective poetry that recognizes in the slow advance of the loris across its Bronx Zoo cage what it means to love the world or to fear it Sullivan pays special attention to animals and the natural world to the visual arts and to the relentless stimulation of the nation's largest city his free verse creating a lucid language where slam dunks and Zeno's paradoxes coexist where the stillness of a snail discovered in a package of spinach reveals the process that makes the world The poetry of Mark Sullivan slows time down sees the world calmly clearly as a whole with a precise and tender attention that strives to do justice to the complex mysteries of existence In this it is a classical poetry for our time wise humane objective deeply felt paying homage to the wonder and sorrow of our world Louis Asekoff author of North StarFrom Slag What are stones butthe slowest of clocks half lives ticking down every millennium or so subatomic gearsmeshing like ocean liners **Skin** April Lindner, 2013 Haven t we all been told how beauty is thin as truth And don t we believe and disbelieve this lie we d carve and starve for We d suck it till the juice ran down our arms Skin compels us repels us Beauty may be only skin deep a fine covering sensuous at times Translatorlucent almost Translatorparent and yet so obdurate Skin insulates guarding its vital organs just beneath this surface that teases us to peek to try to penetrate We call this desire by many names the best of which is love April Lindner's sensuously orchestrated collection of poems conveys the beauty and truth of love how we know it to be paradoxical obsessive fearful rapacious holy Robert Fink from the Introduction byduction **The Clearing** Philip White, 2007 Focusing on
