Everest Media,2022-03-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The family was approached by a huge tame wolf that walked nonchalantly around in front of them They began talking about keeping the wolf as a pet 2 The family was able to corner the wolf and while they were able to shoot it it didn't seem to be hurting at all It just stood there looking at them 3 Tom was an experienced tracker and he was confident that they could track the animal even in the thick Russian olives The tracks were still visible They reached a creek and the animal seemed to be heading for the water 4 The Gormans moved to Utah to get away from the busybodies and the closed community that kept prying into their lives They bought a 480 acre homestead that had been empty for almost seven years
