Phenom Rob Miech, 2025-06-25 Phenom The Making of Bryce Harper presents a look back at the controversial college season that launched the 2010 MLB 1 draft pick s professional career and earned the then 17 year old phenom the Golden Spikes Award for the nation s top player Before Bryce Harper was the top pick in the Major League Baseball draft before he signed the sport s biggest contract ever for a first year pro he gambled his future on one make or break season The Las Vegas High School sophomore already had dominated the competition like Mickey Mantle on the playground and appeared on the cover of Sports Illustrated which dubbed him the most exciting prodigy since LeBron James Seeking greater tests as a hitter the precocious phenom got his GED and enrolled at the College of Southern Nevada where he could face pro prospects in a challenging wooden bat league that prohibited the hitter friendly aluminum bats used throughout college ball

Harper shattered the school's home run record with 31 the previous mark was 12 and compiled a startling 1.513 OPS while leading his team to the Junior College World Series For his heroics the 17 year old became the only position player from a junior college to win the Golden Spikes Award given to the nation's best amateur baseball player Las Vegas sportswriter Rob Miech was embedded with the Southern Nevada Coyotes team and brings us along for the ride into the dugout and locker room and on team buses and in motel rooms from the scorched fields to the snow capped horizons of the Scenic West Athletic Conference to deliver awarts and all account of a boy among men playing like a man among boys Amid the media circus that descended upon team and town we read fascinating personal stories including the dynamics between veteran coach Tim Chambers and Harper's protective father the camaraderie with and jealousies of other players the fans and autograph seekers and girls who all want a piece of the young star and how Harper is suspended from the World Series after protesting an umpire's call and the role his faith plays in his life Phenom shows us a season in the life of baseball's top rising star culminating in a dramatic conclusion when Harper is drafted 1 by the Washington Nationals and after tense negotiations that go up until just seconds before the midnight deadline signs a 9.9 million contract Even more than this Miech's book is the story of a team and its community the hopes and aspirations of its players and coaches and the spirit of pure baseball that lies at the heart of the American dream
