methodical analysis of language made possible by modern literary theory But his goal in this volume is not merely to apply contemporary theory to black texts Indeed as he ranges from 18th century poet Phillis Wheatley to modern writers Ishmael Reed and Alice Walker he attempts to redefine literary criticism itself moving it away from a Eurocentric notion of a hierarchical canon mostly white Western and male to foster a truly comparative and pluralistic notion of literature In doing so he provides critics with a powerful tool for the analysis of black art and more important reveals for all readers the brilliance and depth of the Afro American tradition
