Slavery In Africa Historical And Anthropological Perspectives

Igor Kopytoff, Suzanne Miers

Slavery In Africa Historical And Anthropological Perspectives:

Slavery in Africa Suzanne Miers, Igor Kopytoff, 1977 This collection of sixteen short papers together with a complex and very much longer introductory essay by the editors on African Slavery as an Institution of Marginality constitutes an impressive attempt by anthropologists and historians to explore describe and analyze some of the various kinds of human bondage within a number of precolonial African societies It is important to note that in spite of the precolonial emphasis of the volume all of the essays are based at least partly on anthropological or ethnohistorical field research carried out since 1959 All but one have been augmented greatly by more conventional historical research in published as well as archival sources And although the volume s focus is upon the structures and conditions of servitude within the several African societies described many of the essays illustrate and some discuss the conceptual as well as the practical difficulties of separating the institutions and customs of domestic African slavery from those of the European dominated commercial slave trade in which many of the societies participated from JSTOR <http://www.jstor.org> May 24 2013 *Slavery in Africa* Igor Kopytoff, Suzanne Miers, 1977

Slavery in the Global Diaspora of Africa Paul E. Lovejoy, 2019-03-07 The collective significance of the themes that are explored in *Slavery in the Global Diaspora of Africa* bridge the Atlantic and thereby provide insights into historical debates that address the ways in which parts of Africa fitted into the modern world that emerged in the Atlantic basin The study explores the conceptual problems of studying slavery in Africa and the broader Atlantic world from a perspective that focuses on Africa and the historical context that accounts for this influence Paul Lovejoy focuses on the parameters of the enforced migration of enslaved Africans including the impact on civilian populations in Africa constraints on migration and the importance of women and children in the movement of people who were enslaved The prevalence of slavery in Africa and the transformations of social and political formations of societies and political structures during the era of trans Atlantic migration inform the book s research The analysis places Africa specifically western Africa at the center of historical change not on the frontier or periphery of western Europe or the Americas and provides a global perspective that reconsiders historical reconstruction of the Atlantic world that challenges the distortions of Eurocentrism and national histories *Slavery in the Global Diaspora of Africa* will be of interest to scholars and students of colonial history African history Diaspora Studies the Black Atlantic and the history of slavery [Slaves and Slavery in Africa](#) John Ralph Willis, 2005-08-12 First Published in 1986 *Slavery in Islamic Africa* has been a fascinating subject to which many scholars have referred but of which no detailed monograph has emerged The better part of the essays in these volumes has its ancestry in a conference held at Princeton University during the Summer of 1977 under the title *Islamic Africa Slavery and Related Institutions* At that international gathering four principal themes dominated discussion the servile estate its genesis and composition the master slave connection and the post servile condition patterns and perspectives of slave trading the legacy of Islamic slavery in Africa to contemporary societies *Landscapes of Slavery in Africa* Lydia Wilson

Marshall,2021-05-15 Slavery was a large scale process that put its mark on the African landscape in tangible ways for example through the capture transfer and imprisonment of captives and through the avoidance strategies that vulnerable communities used against slaving Certainly the expansion of trade routes the depopulation of slaved regions and an increased reliance on defensive architecture and places of concealment can all be linked to slaving and slavery in Africa But how do we view these landscapes of slavery today And can archaeology help us Encompassing studies from Senegal Ghana Mauritius Tanzania and Kenya this volume grapples with such essential questions The authors advocate for the power of archaeology as a tool to disentangle often lengthy and complex landscape histories that both begin before slavery and continue after abolition They also argue for archaeologists central role in reimagining how we might remember and commemorate slavery in places where its history has been forgotten obscured by European colonialism or sanitized and simplified for tourist consumption The chapters in this book were originally published in a special issue of the Journal of African Diaspora Archaeology and Heritage **Slavery and Colonial Rule in Africa** Martin A. Klein,Suzanne Miers,2013-05-13 This book brings together a series of new case studies some by young scholars others by widely published authors All are based on original research and designed to enhance our understanding of the process of the abolition of slavery in Africa at the grass roots level Part of the studies are on new areas of interest such as the German colonies and the Algerian Sahara Others throw new light on questions already debated such as emancipation of the Gold Coast Some focus on the impact of abolition on particular groups of slaves such as the royal slaves in Nigeria and concubines in Morocco Among the themes considered is the role of slaves in their own emancipation the short and long term results of abolition the role of the League of Nations and the vestiges of slavery in Africa today *Structure of Slavery in Indian Ocean Africa and Asia* Gwyn Campbell,2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions *A Companion to African History* William H. Worger,Charles Ambler,Nwando Achebe,2018-09-11 Covers the history of the entire African continent from prehistory to the present day *A Companion to African History* embraces the diverse regions subject matter and disciplines of the African continent while also providing chronological and geographical coverage of basic historical developments Two dozen essays by leading international scholars explore the challenges facing this relatively new field of historical enquiry and present the dynamic ways in which historians and scholars from other fields such as archaeology anthropology political science and economics are forging new directions in thinking and research Comprised of six parts the book begins with thematic approaches to African history exploring the

environment gender and family medical practices and more Section two covers Africa's early history and its pre colonial past early human adaptation the emergence of kingdoms royal power and warring states The third section looks at the era of the slave trade and European expansion Part four examines the process of conquest the discovery of diamonds and gold military and social response and more Colonialism is discussed in the sixth section with chapters on the economy transformed due to the development of agriculture and mining industries The last section studies the continent from post World War II all the way up to modern times Aims at capturing the enthusiasms of practicing historians and encouraging similar passion in a new generation of scholars Emphasizes linkages within Africa as well as between the continent and other parts of the world All chapters include significant historiographical content and suggestions for further reading Written by a global team of writers with unique backgrounds and views Features case studies with illustrative examples In a field traditionally marked by narrow specialisms A Companion to African History is an ideal book for advanced students researchers historians and scholars looking for a broad yet unique overview of African history as a whole

Women and Slavery: The modern Atlantic Gwyn Campbell, Suzanne Miers, Joseph Calder Miller, 2007 The particular experience of enslaved women across different cultures and many different eras is the focus of this work

The World and a Very Small Place in Africa Donald R. Wright, 2015-02-12 Niimi a small little known territory located on the bank of the Gambia River in West Africa is seemingly far from the reaches of world historical events And yet the outside world has long had a significant and increasingly profound impact on Niimi This fascinating work shows how global events have affected people's lives over the past eight centuries in this small region in Africa's smallest country Drawing on written and oral testimony and writing in a clear and personal style Donald R Wright connects globalization with real people in a real place This new edition updates discussions of global history and African history based on current studies and new developments that have been factored into the interpretive framework Reflecting on recent visits to Niimi Wright extends the story into 2009 to consider the impact of global recession and domestic political repression under a regime in power for the past fifteen years Punctuating the narrative are photographs maps and Perspectives boxes on selected topics such as the sale of slaves five centuries ago colonial sexism the fate of press freedom and how popular culture affects growing up in a traditional society Throughout the author deals with African history seriously global trends critically and human lives sensitively

Slavery and Emancipation in Islamic East Africa Elisabeth McMahon, 2013-04-30 This book demonstrates the links between emancipation and the redefinition of honour among all classes of people on the island of Pemba

The Slave Trade in Africa Simon Webb, 2023-03-23 Is it true that the trans Atlantic slave trade about which so much has been heard in recent years would have been impossible without the willing and enthusiastic cooperation of African leaders Slavery was a common practice in Africa long before the arrival of Europeans with the trade in black slaves who were transported from Africa to America and the islands of the Caribbean aided by the African traders who benefited from the arrangement Even when Europe and America outlawed slavery and the slave

trade those living in Africa clung tenaciously to the old ways and refused to relinquish what was to them a time honored custom Is it for this reason that slavery lingers on in Africa to this day In this book Simon Webb explores the history of slavery in Africa and finds that it was not necessarily imposed upon the continent by Europeans but was rather an integral part of many perhaps most cultures Even when the British deployed their army and navy to try to suppress the trade in slaves during the nineteenth century their efforts were largely ineffectual because many societies saw no reason to give up such an old useful and profitable system At a time when the subject of the trans Atlantic slave trade is seldom out of the news this book provides a challenge to the popularly accepted view of the matter Nobody reading it will ever view slavery and the slave trade in quite the same light again *Uncovering the History of Africans in Asia* Shihan de Silva Jayasuriya, Jean-Pierre Angenot, 2008-07-31 Study of the African diaspora is now a dynamic field in the development of new methods and approaches to African history This book brings together the latest research on African diaspora in Asia with case studies about India and the Indian Ocean islands **Slavery and Resistance in Africa and Asia** Edward A. Alpers, Gwyn Campbell, Michael Salman, 2013-09-13 First published in 2004 This book previously published as a special issue of the journal *Slavery and Abolition* provides pioneering studies on the nature and structure of resistance to forms of bondage in Africa Asia and the Indian Ocean world **Slavery, Resistance, and Identity in Early Modern West Africa** Makhroufi Ousmane Traoré, 2023-11-30 Examines the resistance to the slave trades in seventeenth and eighteenth century West Africa and the impact this had on local identities [The End of Slavery in Africa](#) Suzanne Miers, 1988 This is the first comprehensive assessment of the end of slavery in Africa Editors Suzanne Miers and Richard Roberts with the distinguished contributors to the volume establish an agenda for the social history of the early colonial period when the end of slavery was one of the most significant historical and cultural processes *The End of Slavery in Africa* is a sequel to *Slavery in Africa* edited by Suzanne Miers and Igor Kopytoff and published by the University of Wisconsin Press in 1977 The contributors explore the historical experiences of slaves masters and colonials as they all confronted the end of slavery in fifteen sub Saharan African societies The essays demonstrate that it is impossible to generalize about whether the end of slavery was a relatively mild and nondisruptive process or whether it marked a significant change in the social and economic organization of a given society There was no common pattern and no uniform consequence of the end of slavery The results of this wide ranging inquiry will be of lasting value to Africanists and a variety of social and economic historians **The Anti-Slavery Project** Joel Quirk, 2011-05-26 It is commonly assumed that slavery came to an end in the nineteenth century While slavery in the Americas officially ended in 1888 millions of slaves remained in bondage across Africa Asia and the Middle East well into the first half of the twentieth century Wherever laws against slavery were introduced governments found ways of continuing similar forms of coercion and exploitation such as forced bonded and indentured labor Every country in the world has now abolished slavery yet millions of people continue to find themselves subject to contemporary forms of slavery such as human

trafficking wartime enslavement and the worst forms of child labor The Anti Slavery Project From the Slave Trade to Human Trafficking offers an innovative study in the attempt to understand and eradicate these ongoing human rights abuses In The Anti Slavery Project historian and human rights expert Joel Quirk examines the evolution of political opposition to slavery from the mid eighteenth century to the present day Beginning with the abolitionist movement in the British Empire Quirk analyzes the philosophical economic and cultural shifts that eventually resulted in the legal abolition of slavery By viewing the legal abolition of slavery as a cautious first step rather than the end of the story he demonstrates that modern anti slavery activism can be best understood as the latest phase in an evolving response to the historical shortcomings of earlier forms of political activism By exposing the historical and cultural roots of contemporary slavery The Anti Slavery Project presents an original diagnosis of the underlying causes driving one of the most pressing human rights problems in the world today It offers valuable insights for historians political scientists policy makers and activists seeking to combat slavery in all its forms

Children on the Move in Africa Élodie Razy, Marie Rodet, 2016 A timely interdisciplinary comparative and historical perspective on African childhood migration that draws on the experience of children themselves to look at where why and how they move within and beyond the continent and the impact of African child migration globally

Migration in Africa Michiel de Haas, Ewout Frankema, 2022-03-30 This book introduces readers to the age of intra African migration a period from the mid 19th century onward in which the center of gravity of African migration moved decisively inward Most books tend to zoom in on Africa's external migration during the earlier intercontinental slave trades and the more recent outmigration to the Global North but this book argues that migration within the continent has been far more central to the lives of Africans over the course of the last two centuries The book demonstrates that only by taking a broad historical and continent wide perspective can we understand the distinctions between the more immediate drivers of migration and deeper patterns of change over time During the 19th century Africa's external slave trades gradually declined whilst Africa's expanding commodity export sectors drew in domestic labor This led to an era of heightened mobility within the region marked by rapidly rising and vanishing migratory flows increasingly diversified landscapes of migration systems and profound long term shifts in the wider patterns of migration This era of inward focused mobility reduced with a resurgence of outmigration after 1960 when Africans became more deliberate in search of extra continental destinations with new diaspora communities emerging specifically in the Global North Broad ranging in its temporal spatial and thematic coverage this book provides students and researchers with the perfect introduction to age of intra African migration

Transformations in Slavery Paul E. Lovejoy, 2000-08-28 This history of African slavery from the fifteenth to the early twentieth century examines how indigenous African slavery developed within an international context Professor Lovejoy discusses the medieval Islamic slave trade and the Atlantic trade as well as the enslavement process and the marketing of slaves He considers the impact of European abolition and assesses slavery's role in African history The book corrects the accepted interpretation that African

slavery was mild and resulted in the slaves assimilation The new edition incorporates recent research revised statistics on the slave trade demography and an updated bibliography

This is likewise one of the factors by obtaining the soft documents of this **Slavery In Africa Historical And Anthropological Perspectives** by online. You might not require more get older to spend to go to the book initiation as capably as search for them. In some cases, you likewise attain not discover the revelation Slavery In Africa Historical And Anthropological Perspectives that you are looking for. It will enormously squander the time.

However below, afterward you visit this web page, it will be fittingly unconditionally easy to get as well as download guide Slavery In Africa Historical And Anthropological Perspectives

It will not believe many time as we tell before. You can reach it even if pretense something else at home and even in your workplace. hence easy! So, are you question? Slavery In Africa Historical And Anthropological Perspectives Introduction

In today's digital age, the availability of Slavery In Africa Historical And Anthropological Perspectives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slavery In Africa Historical And Anthropological Perspectives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slavery In Africa Historical And Anthropological Perspectives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slavery In Africa Historical And Anthropological Perspectives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slavery In Africa Historical And Anthropological Perspectives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slavery In Africa Historical And Anthropological Perspectives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slavery In Africa Historical And Anthropological Perspectives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slavery In Africa Historical And Anthropological Perspectives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slavery In Africa Historical And Anthropological Perspectives books and manuals for download and embark on your journey of knowledge?

FAQs About Slavery In Africa Historical And Anthropological Perspectives Books

1. Where can I buy Slavery In Africa Historical And Anthropological Perspectives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
