Of Love and Other Passions Guiomar Dueñas-Vargas,2015-06-01 In *Of Love and Other Passions* Guiomar Due as Vargas delves into the world of emotions among the bourgeois elite in Bogot from the end of the colonial period to 1870 While most studies of the period focus solely on the country s political activity Due as Vargas shows how Colombia s social cultural and political changes transformed the meaning of love which contributed to the evolution of new models of femininity and masculinity By examining sources such as personal letters and diaries Due as Vargas presents the emotional profiles of families and couples demonstrating how their conduct challenged the established order As lovers insisted on choosing their own mates rather than marrying spouses selected by their parents they undermined the patriarchal structure of Colombian society Such decisions unveil the many functions women assumed in both public and private life and how they participated in the invention of a nation

Latin Love Poetry Denise Eileen McCoskey,Zara Martirosova Torlone,2013-12-17 I hate and I love The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries While his description might seem to modern readers natural and spontaneous it is actually a response planned with great care and artistry It is that artistry and the way in which Roman love poetry works that this book explores Focusing on Catullus and on the later genre of elegy so called for its metre and a form of poetry practiced by Tibullus Propertius and Ovid Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work Setting poets and their writings especially against the turbulent backdrop of the Augustan Age 31 BCE 14 CE the book examines the origins of Latin elegy highlights the poets key themes and traces their reception by later writers and readers

Law and Love in Ovid Ioannis Ziogas,2021-01-28 In classical scholarship the presence of legal language in love poetry is commonly interpreted as absurd and incongruous Ovid s legalisms have been described as frivolous humorous and ornamental *Law and Love in Ovid* challenges this wide spread but ill informed view Legal discourse in Latin love poetry is not incidental but fundamental

Inspired by recent work in the interdisciplinary field of law and literature Ioannis Ziogas argues that the Roman elegiac poets point to love as the site of law's emergence The Latin elegiac poets may say make love not law but in order to make love they have to make law Drawing on Agamben Foucault and Butler Law and Love in Ovid explores the juridico discursive nature of Ovid's love poetry constructions of sovereignty imperialism authority biopolitics and the ways in which poetic diction has the force of law The book is methodologically ambitious combining legal theory with historically informed close readings of numerous primary sources Ziogas aims to restore Ovid to his rightful position in the history of legal humanism The Roman poet draws on a long tradition that goes back to Hesiod and Solon in which poetic justice is pitted against corrupt rulers Ovid's amatory jurisprudence is examined vis à vis Paul's letter to the Romans The juridical nature of Ovid's poetry lies at the heart of his reception in the Middle Ages from Boccaccio's Decameron to Forcadell's Cupido iurisperitus The current trend to simultaneously study and marginalize legal discourse in Ovid is a modern construction that Law and Love in Ovid aims to demolish

The New Kind of Love E. W. Kenyon, 2025-07-15 The two greatest forces in the world today are love and selfishness Natural human love has failed because it is based upon selfishness Does God have a solution for this problem We believe that He has It is The New Kind of Love that has been overlooked by the church but has recently been rediscovered This book unveils the new kind of love that Jesus brought to the world This love comes into a barren life and makes it blossom as a rose It takes away the hardness and bitterness of life There will be no empty lives no barren lives Every life may become a garden of delight God has made it possible To walk in love is actually to live in God It is the realm where the Word dominates where faith functions Faith grows in the atmosphere of love It becomes a dominating and creative force when love really rules This new kind of love agape was born in the realm of divine revelation It is a deep and profound sacrificial love that transcends and persists regardless of circumstances

The Slaves of the Padishah Mór Jókai, The S family was one of the richest in Wallachia and consequently one of the most famous The head of the family dictated to twelve boyars collected hearth money and tithes from four and fifty villages lived nine months in the year at Stambul held the Sultan's bridle when he mounted his steed in time of war contributed two thousand lands knechts to the host of the Pasha of Macedonia and had permission to keep on his slippers when he entered the inner court of the Seraglio In the year 1600 and something George was the name of the first born of the S family but with him we shall not have very much concern We shall do much better to follow the fortunes of the second born Michael whom his family had sent betimes to Bucharest to be brought up as a priest in the Seminary there The youth had however a remarkably thick head and so far from making any great progress in the sciences was becoming quite an ancient classman when he suddenly married the daughter of a sub deacon and buried himself in a little village in Wallachia There he spent a good many years of his life with scarce sufficient stipend to clothe him decently and had he not tilled his soil with his own hands he would have been hard put to it to

find maize cakes enough to live upon **Slaves of Christ** Robert Gadeken,2025-05-29 No one in the first century could imagine a world without slavery Yet it was merely part of an entire social system of obligation in which no one was entirely free Responsibility was built into their world whether service to or benefit from those above them These relationships defined them Modern Christians have lost the sense of responsibility and obedience that is part of a relationship with Jesus Their obsession with freedom and independence threatens their relationship with Jesus They see slavery as the opposite of freedom but the early Christians saw slavery to Jesus as the only real freedom When Paul said Christians are slaves of Christ he said it with joy Moderns who take that phrase as a metaphor for commitment miss the point It is a definition It is a relationship that defines a person As Luther said a Christian is someone who has been purchased with the blood of Christ that I may be his own live under him and serve him When modern Christians recover the meaning of slave of Christ they too can say it with joy
