*Saint Dominic and the Order of Preachers* Reverend J. B. O'Connor, Aeterna Press, 2015-09-01 Any sketch of the mission organization and history of the Dominican Order which did not contain an adequate study of its holy founder would be much like the play of Hamlet with the Dane left out For it is from its founder that every order gets its own genuine and authentic spirit temper fibre character individuality ethos or whatever other name may be chosen to designate the marks that distinguish and set off apart and alone one religious institute from every other If then no two orders are alike in spirit and organization it is for the very simple reason that no two individuals are quite the same in temperament and ideals Aeterna Press
