 upon nearly twenty years of conversations interviews and friendship with Eudora Welty to discuss the intersections between
 biography and art in the Pulitzer Prize winner s work Through an engaging chronological and comprehensive reading of the
 Welty canon Marrs describes the ways Welty s creative process transformed and transfigured fact to serve the purposes of
 fiction She points to the sparks that lit Welty s imagination an imagination that thrived on polarities in her personal life and
 in society at large Marrs offers new evidence of the role Welty s mother circle of friends and community played in her
 development as a writer and analyzes the manner in which her most heartfelt relationships including her romance with John
 Robinson inform her work She charts the profound and often subtle ways Welty s fiction responded to the crucial historical
 episodes of her time notably the Great Depression World War II and the civil rights movement and the writer s personal
 reactions to war racism poverty and the political issues of her day In doing so Marrs proves Welty to be a much more political

artist than has been conventionally thought Scrutinizing drafts of Welty's work Marrs reveals an evolving pattern of revision increasingly significant to the author's thematic concerns and precision of style Welty's achievement Marrs explains confirms theories of creativity even as it transcends them remaining in its origins somewhat mysterious Marrs's relationship to Eudora Welty as a friend scholar and archivist with access to private papers and restricted correspondence makes her a unique authority on Welty's forty year career The eclectic approach of her study speaks to the exhilarating power of imagination Welty so thoroughly enjoyed in the act of writing Tales of the Wars, Or, Naval and Military Chronicle R.
