

A group of African children, mostly young boys, are shown in a crowd. Some are looking towards the camera, while others are looking slightly away. The lighting is warm and golden, suggesting a sunset or sunrise. A graphic overlay is centered on the image, featuring a yellow smiley face with two eyes and the word "Smile" written in a white, cursive font below it.

Smile Africa:

12 Days in Africa Lisa Sanders, 2013-04-26 Lisa traveled to Uganda with her teenage son on a twelve day mission trip. In an orphanage her world view abruptly changed as she held a shivering emaciated little boy who lay dying of malaria. He had no one else in the world to care that he was passing. This experience and others while on the trip were so profound that she is compelled to share them with you. Come and walk with Lisa through Uganda as God shows her His different definitions of mother. All profits from this book will be donated to build lifesaving wells in villages desperate for clean water.

Factory Smiles teaches us to be ambassadors of hope and love in order to turn a seemingly decaying world around. This fantasy tale is an avenue for healing and a story of triumph. People from all walks of life will enjoy this story written from a clear and neat mind. The West Stole Africa's Wealth Khoza Mduduzi, 2015-07-28 The West stolen Africa's wealth and invested it in the IMF, World Bank and European Bank. Through the colonization of Africa the West not only managed to impoverish the African continent but it managed to build its own world class infrastructure through ill gotten wealth from Africa. Africa is the richest continent on the face of the world as far as mineral resources is concerned but Africans are the poorest people on the face of the world. It's an open secret that the majority of skyscrapers in the US were built by African slaves who were bought from Gore Island in Senegal at the cheapest price and transported to the US. From the Dark Age until to the information age the African continent is the only continent where there is no perennial political peace. Africans have been on the run from their civil wars for quite a long period of time to the point that some Africans have emigrated from the African continent to live in the West where they are not even welcomed and accepted. African mineral resources are sufficient enough to the point that if they were equally and fairly utilized in the interest of the African people Africa was going to be a poverty free continent. Unfortunately opposite is the case the African mineral resources continue to enrich the Westerners at the expense of the African people. Africans are political free but remain economically in prison.

which they can't see, smell, touch or feel. The West destabilizes the African continent by pouring military weapons to the African continent to ensure that bloodshed does not cease. **Doctor Khumalo South Africa** Olebile Sikwane, 2019-02-01

This biography is a passionately executed demonstration of just how powerful football is in Africa. How football against all odds of apartheid transformed a life of a youngster born in Soweto and thrust him into international stardom, achieving world recognition through his God-given talent. Written unapologetically from a fan's perspective, the fan who's also the author for over twenty years followed and studied the life of Doctor Khumalo who captivated and thrilled many people during his heyday. The book further demonstrates how Doctor Khumalo was able to make a name and a brand from which he continues to feed off even in retirement. This is an oddity in Africa. Many African superstars retire rich and immediately become poor in retirement despite having amassed preposterous amounts of wealth during their career. This is due to poor planning and lack of investment mechanisms and hanging out with a wrong crowd. Doctor Khumalo remains a big name in Africa whose durability continues to lure corporates and organizations to his brand. This story is a remarkable illustration that indeed all our dreams are valid. That if we work hard and remain focused and determined, nothing is impossible. This football story is an unambiguous reminder that indeed football and sport in general have united people initially divided on political opinion, race and gender amongst others as was the case in South Africa during the political struggle against Apartheid. The Doctor Khumalo story is a cryptic demonstration of how football has evacuated many families from abject poverty. This is an unconditional celebration of an extra-ordinarily talented soccer star whose football prowess turned him from a regular township celebrity into a global superstar. This story demonstrates how making a name and a durable brand has become an alternative source of income for Doctor Khumalo many years after his playing days. **Excuse Me For Living** Rick Klass, 2012-10-08

WINNER LOS ANGELES BOOK FESTIVAL GENERAL FICTION 2012 2013 FINALIST FOREWORD REVIEWS BOOK OF THE YEAR AWARD GENERAL FICTION 2012 One of New York's finest, saves brilliant and debonair but drug-addicted Daniel Topler from his suicide attempt on the George Washington Bridge. In court, the judge entrusts the young man to the care of Dr Jacob Bernstein, an elderly psychiatrist at an upscale rehab clinic. The doctor issues these commands: obey the no drugs rules and join the geriatric temple men's group he leads or face incarceration. Dan has no choice but to comply. Dan's prep school friends initially lure him back to the drugs, booze and women. But all that changes when he meets Bernstein's daughter, Laura, and the two must sneak around behind the doctor's disapproving back. To finally rise above his past, Dan must come face to face with his decisions and the person he wants to become as the story arrives at a surprising conclusion. In his debut novel, Klass weaves together multiple storylines highlighting the humorous and slightly odd details in life all the while keeping his eye on the emotional core of the story. His book's release coincides with the premiere of the major motion picture conceived in tandem with the novel, written, produced and directed by the author and featuring a who's who cast including Christopher Lloyd, Jerry Stiller, Robert Vaughn and Dick Cavett among many others.
