Social Intercourse From Greeting To Goodbye:

Social Intercourse Mark L. Knapp, 1978 Interpersonal Communication in Friend and Mate Relationships Anne Maydan Nicotera, 1993-03-24 A concentration on communication processes is essential to sorting out fundamental problems in interpersonal relationships This book provides a general theory of the role of communication in interpersonal relationships that is grounded in the rules perspective and focuses on self concept and interaction as the generative mechanisms of relationship formation and growth The authors explore the kind of information that is exchanged in the process of initiating developing and maintaining friend and mate relationships Both types of relationships are explored in numerous cultural settings including America and American subcultures as well as Korea Nigeria Japan and China The inclusion of Nigerian culture is particularly significant because the research literature in interpersonal communication is lacking any information from the continent of Africa Implications are then considered for communication exchange across three categories of interpersonal communication culture conflict and quality **The Psychology of Interpersonal Relationships** Ellen S. Berscheid, Pamela C. Regan, 2016-01-08 This textbook provides an integrated and organized foundation for students seeking a brief but comprehensive introduction to the field of relationship science It emphasizes the relationship field s intellectual themes roots and milestones discusses its key constructs and their conceptualizations describes its methodologies and classic studies and most important presents the theories that have guided relationship scholars and produced the field s major research themes *Researching Interactive Communication Behavior* C. Arthur VanLear, Daniel J. Canary, 2015-12-17 A Comprehensive Guide to Studying and Interpreting Communication Interaction This practical book provides students and experienced researchers with tools for studying communication behaviors through direct observation The sourcebook provides sound coverage of both cutting edge and well established systems measurements and procedures as well as detailed information on measurement selection coding reliability assessment and analysis In addition to offering theoretical discussions from leading researchers in the field each chapter also focuses on how to apply systems and principles in conducting actual original research and uses examples and exemplars to help readers understand and apply the methods The Emerald Handbook of Group and Team Communication Research Stephenson J. Beck, Joann Keyton, Marshall Scott Poole, 2021-11-05 This volume considers the current research of group communication scholars provides an overview of major foci in the discipline and points toward possible trajectories for future scholarship It establishes group communication s central role within research on human behaviour and fosters an identity for group communication researchers *Communications* Denis McQuail, MA, PhD, DipPSA, 2014-09-25 First published in 1985 At a time when much attention is directed to the immense technical power and capacity of new means of communication it is worth reaffirming that the consequences for relationships of social power deserve rather more attention The nature of communication as a field of study and its relationship to sociology is the subject of this study *Romantic Relationships and Media* Valerie Ellen

Kretz,2024-12-15 In this book Valerie Kretz utilizes examples from pop culture and everyday life to provide an examination of current research on romantic relationships and media with an emphasis on entertainment and digitally mediated communication By dividing the book into two major sections relationship trajectories and different aspects of relationships Kretz establishes a framework through which to explore relevant theoretical and empirical findings drawing on established literature examples in the media and the lived experiences of interview participants Kretz covers a wide range of topics through these frameworks including online dating representations of love in film and television social media and romantic jealousy parasocial romance and digital breakups among others Ultimately Kretz argues that all available evidence demonstrates the complexity of this intersection due to the separate roles that several distinct factors like medium content social context frequency of use and individual differences all play a role in how these intersections are constructed in the real world Finally the book identifies potential directions for future research as scholars continue to unpack this complex relationship

The Handbook of Communication and Corporate Reputation Craig E. Carroll,2015-06-22 With the latest insights from the world of communication studies into the nature of corporate reputation this new addition to Wiley Blackwell s series of handbooks on communication and media reflects the growing visibility of large businesses ethical profiles and tracks the benefits that positive public attitudes can bring Serves as the definitive research collection for a fast growing field featuring contributions by key international scholars Brings together state of the art communication studies insights on corporate reputation Identifies and addresses the lacunae in the research literature Applies new theoretical frameworks to corporate reputation [Odisea nº 11: Revista de estudios ingleses](#) Nobel-Augusto Perdu

Honeyman,2015-11-04 Revista de Estudios Ingleses es un anuario dirigido y gestionado por miembros del Departamento de Filología a Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducido inglés para fines específicos y otros igualmente vinculados a los estudios ingleses **Letting Go** Dudley D.

Cahn,1987-07-01 While many books in the popular press deal with relationships Letting Go is among the first to draw upon scholarly research to offer a theoretical perspective with practical implications Cahn examines interpersonal relationship disengagement and reengagement by tapping the resources of social science literature The result is a model for communication which seeks to achieve and maintain interpersonal understanding while promoting communication behaviors that encourage growth of the individual and relationship satisfaction The author s integrated approach combines three models of relationship development namely quality communication recognition and availability of more desirable alternatives and degree of personal investments He also surveys the literature on friendship mateship supervisor and subordinate relationships and teacher student relationships and demonstrates that a quality communication environment as measured by the Perceived Understanding Instrument is crucial for understanding relationship disengagement and reengagement

Close Relationships Patricia Noller, Judith A. Feeney, 2013-05-13 *Close Relationships Functions Forms and Processes* provides an overview of current theory and research in the area of close relationships written by internationally renowned scholars whose work is at the cutting edge of research in the field. The volume consists of three sections: introductory issues, types of relationships and relationship processes. In the first section, there is an exploration of the functions and benefits of close relationships, the diversity of methodologies used to study them, and the changing social context in which close relationships are embedded. A second section examines the various types of close relationships, including family bonds and friendships. The third section focuses on key relationship processes, including attachment, intimacy, sexuality, and conflict. This book is designed to be an essential resource for senior undergraduate and postgraduate students, researchers, and practitioners and will be suitable as a resource in advanced courses dealing with the social psychology of close relationships.

Interpretive Approaches to Interpersonal Communication Kathryn Carter, Mick Presnell, 1994-05-24 The authors fill two contemporary needs: 1) they provide a collection of essays that raises theoretical and methodological issues in the study of interpersonal communication relevant to all researchers in this area of study, and 2) they present a general approach to interpersonal communication that has gained wide acceptance among practitioners and educators but has been underrepresented by advanced research texts. *Christianity Confronts Culture* Marvin Keene Mayers, 1987 In this revised edition, you will find discussions and definitions of the impact of Christian gospel, its ethics, and its lifestyle. Numerous case studies are included.

The SAGE Handbook of Interpersonal Communication Mark L. Knapp, John A. Daly, 2011-08-26 The revised Fourth Edition of *The SAGE Handbook of Interpersonal Communication* delivers a clear, comprehensive, and exciting overview of the field of interpersonal communication. It offers graduate students and faculty an important state-of-the-art reference work in which well-known experts summarize theory and current research. The editors also explore key issues in the field, including personal relationships, computer-mediated communication, language, personality, skills, nonverbal communication, and communication across a person's life span. This updated handbook covers a wide range of established and emerging topics, including Biological and Physiological Processes, Qualitative and Quantitative Methods for Studying Interpersonal Communication, Interpersonal Communication in Work, Family, Intercultural, and Health Contexts, Supportive and Divisive Transactions, Social Networks. Editors Mark L. Knapp and John A. Daly have significantly contributed to the field of interpersonal communication with this important reference work, a must-have for students and scholars. *The Mate Relationship* Anne Maydan Nicotera, 1997-01-01 This book presents research applications of a rules theory of mate relationships of several American cultures and two non-American cultures. The theory is summarized in seven basic propositions, several of which have been previously tested and supported. The research contained here expands the depth of the work by examining attributes and levels of mateship in several American co-cultures: one Caribbean culture and one Asian culture, and extends the breadth of the work by moving into the areas of relational quality, maintenance, and conflict. Seven

propositions presented are 1 perceived self concept support is the basis of interpersonal attraction 2 different types of perceived self concept support are the basis for different types of interpersonal relationships 3 different types of self concept support are the basis for entry into and increasing intensity of interpersonal relationships 4 the type and form of self concept support is homogeneous by culture 5 conflict which threatens self concept support on crucial relationship variables the lack of it or attacks on it is the most potentially dangerous type of conflict in interpersonal relationships 6 negotiation of differences in perceptions of self concept support on crucial relationship variables cements interpersonal relationships and 7 quality interpersonal relationships consist of intimacy personal growth and effective communication on the crucial relationship variables
