

Mental Retardation

“Mental retardation refers to substantial limitations in present functioning. It is characterized by significantly sub-average intellectual functioning, existing concurrently with related limitations in two or more of the following adaptive skills areas: communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure and work. Mental retardation manifests before age 18.” (Heward, 2003)

Social Meaning Of Mental Retardation:

Inside Out Robert Bogdan, Steven J. Taylor, 1982-12-15 We have to assume that the mind is working no matter what it looks like on the outside We can't just judge by appearance If you take away the label they are human beings Ed Murphy What does it mean to be mentally retarded Professors Bogdan and Taylor have interviewed two experts Ed Murphy and Pattie Burt for answers Ed and Pattie former inmates of institutions for the retarded tell us in their own words Their autobiographies are not always pleasant reading They describe the physical mental and emotional abuses heaped upon them throughout their youth and young adulthood being spurned neglected and ultimately abandoned by family and friends being labelled and stigmatized by social service professionals armed with tests and preconceptions being incarcerated and depersonalized by the state Ed and Pattie survived these experiences evidence perhaps of the indefatigable will of the human spirit to assert its essential humanity but the wounds they have suffered and the scars they bear have not been overcome They are now contributing independent members of society but the stigma of mental retardation remains Their stories are both true and representative powerful indictments of our knowledge of our thinking about and our ministrations to the mentally handicapped The interviewers argue that Ed and Pattie challenge the very concept of mental retardation Retardation they assert is an imaginary disease our attempts to cure it are a hoax Read Ed's and Pattie's accounts and judge for yourself

What is Mental Retardation? Harvey N. Switzky, Stephen Greenspan, 2006 What is Mental Retardation is a rare peek into the divergent and at times contentious points of view among the world's leading researchers on what the condition of mental retardation is and how it should be defined measured and implemented in the 21st century This candid and insightful collection of 21 essays features expert opinion on issues ranging from whether mental retardation really is a slowing of mental development and what the disability should be called to how cultural norms affect the definition of the condition worldwide and lessons learned from the Atkins v Virginia case The definitions of mental retardation published from 1921 2002 by the American Association on Intellectual and Developmental Disabilities provide the backdrop for this powerful discussion
