## **Social Order Of The Slum Ethnicity And Territory In The Inner City:**

*The Social Order of the Slum* Gerald D. Suttles, 1968 While he did the research for this book Gerald Suttles lived for almost three years in the high delinquency area around Hull House on Chicago's New West Side He came to know it intimately and was welcomed by its residents who are Italian Mexican Puerto Rican and Negro Suttles contends that the residents of a slum neighborhood have a set of standards for behavior that take precedence over the more widely held moral standards of straight society These standards arise out of the specific experience of each locality are peculiar to it and largely determine how the neighborhood people act One of the tasks of urban sociology according to Suttles is to explore why and how slum communities provide their inhabitants with these local norms The Social Order of the Slum is the record of such an exploration and it defines theoretical principles and concepts that will aid in subsequent research

**Gods of the City** Robert A. Orsi, 1999-07-22 Fascinating insights into modern urban religious practice make Orsi's collection a must read Publishers Weekly The essays provide insight into the cultural creativity reinterpretation of worship and religious ingenuity of city people over the last 50 years Library Journal At last a major dissection of the great mystery in modern American life how religion and spirituality prospered amidst industrialization urbanization and rampant technological change after 1880 Jon Butler Yale University Urban religion strikes many as an oxymoron How can religion thrive in the alienated secular fast paced and materialistic world of the modern Western city The authors in this collection believe that cities not only can provide the settings for religious expression but also are material to the experiences which give rise to those religious expressions In this book they explore the distinctly urban forms of religious experience and practice that have developed in relation to the spaces social conditions and history of American cities

City, Street and Citizen Suzanne Hall, Suzanne M. Hall, 2012 How can we learn from a multicultural society if we don't know how to recognise it The contemporary city is more than ever a space for the intense convergence of diverse individuals who shift in and out of its urban terrains The city street is perhaps the most prosaic of the city's public parts allowing us a view of the very ordinary practices of life and livelihoods By attending to the expressions of conviviality and contestation City Street and Citizen offers an alternative notion of multiculturalism away from the ideological frame of nation and away from the moral imperative of community This book offers to the reader an account of the lived realities of allegiance participation and belonging from the base of a multi ethnic street in south London City Street and Citizen focuses on the question of whether local life is significant for how individuals develop skills to live with urban change and cultural and ethnic diversity To animate this question Hall has turned to a city street and its dimensions of regularity and propinquity to explore

interactions in the small shop spaces along the Walworth Road The city street constitutes exchange and as such it provides us with a useful space to consider the broader social and political significance of contact in the day to day life of multicultural cities Grounded in an ethnographic approach this book will be of interest to academics and students in the fields of sociology global urbanisation migration and ethnicity as well as being relevant to politicians policy makers urban designers and architects involved in cultural diversity public space and street based economies *The Price of Poverty* Dan

Dohan,2003-12-01 Drawing on two years of ethnographic fieldwork in two impoverished California communities one made up of recent immigrants from Mexico the other of U S born Chicano citizens this book provides an invaluable comparative perspective on Latino poverty in contemporary America In northern California s high tech Silicon Valley author Daniel Dohan shows how recent immigrants get by on low wage babysitting and dish cleaning jobs In the housing projects of Los Angeles he documents how families and communities of U S born Mexican Americans manage the social and economic dislocations of persistent poverty Taking readers into worlds where public assistance street crime competition for low wage jobs and family pride and cross cultural experiences intermingle *The Price of Poverty* offers vivid portraits of everyday life in these Mexican American communities while addressing urgent policy questions such as What accounts for joblessness How can we make sense of crime in poor communities Does welfare hurt or help *The SAGE Handbook of Housing Studies* David F

Clapham,William A V Clark,Kenneth Gibb,2012-04-20 Cross disciplinary and critical in its approach *The SAGE Handbook of Housing Studies* is an elucidating look at the key issues within the field It covers the study of housing retrospectively but also analyses the future directions of research and theory demonstrating how it can contribute to wider debates in the social sciences A comprehensive introductory chapter is followed by four parts offering complete coverage of the area Markets examines the perception of housing markets how they function in different contexts and the importance of housing behaviour and neighbourhoods Approaches looks at how other disciplines economics geography and sociology have informed the direction of housing studies Context traces the interactions between housing studies and other aspects of society providing context to debate housing through issues of space social welfare and the environment Policy is a multi disciplinary and comprehensive take on the major policy issues and the causes and possible solutions of housing problems such as regeneration and homelessness Edited by leading names in the field and including international contributions the book is a stimulating wide ranging read that will be an invaluable resource for academics and researchers in geography urban studies sociology social policy economics and politics **Hispanas de Queens** Milagros Ricourt,Ruby Danta,2018-08-06 What

happens when persons of several Latin American national groups reside in the same neighborhood Milagros Ricourt and Ruby Danta consider the stories of women of different nationalities Colombian Cuban Dominican Ecuadorian Peruvian Puerto Rican Uruguayan and others who live together in Corona a working class neighborhood in Queens Corona has long been an arrival point for immigrants and is now made up predominantly of Spanish speaking immigrants from the Caribbean and

South and Central America with smaller numbers from Asia Africa and Europe There are also long established populations of white Americans mainly of Italian origin and African Americans The authors find that the new pan Latin American community in Corona has emerged from the interactions of everyday living Hispanas de Queens focuses on the places where women gather in Corona bodegas hospitals schoolyards and Roman Catholic and Protestant churches to show how informal alliances arise from proximity Ricourt and Danta document how a group of leaders mainly women consciously promoted this strong sense of community to build panethnic organizations and a Latino political voice Hispanas de Queens shows how a new group identity Hispanic or Latino is formed without replacing an individual's identification as an immigrant from a particular country Instead an additional identity is created and can be mobilized by pan Latino leaders and organizations

**Housing Urban America** E. Jay Howenstine, 2017-09-04 Life liberty and the pursuit of housing an increasingly difficult quest in the contemporary urban United States where crime urban blight and continuing capital decay undercut the advantages of city living The American dream has moved to the suburbs the nightmare of our cities prompts new recognition both in the president's cabinet and the college curriculum The editors of this book have updated their acclaimed earlier collection providing new introductory articles new papers such as Discrimination in Housing Prices and Mortgage Lending A Summary Report of Current Findings from the Experimental Housing Allowance Program Alternative Mortgage Designs and Their Effectiveness in Eliminating Demand and Supply Effects on Inflation and a new bibliography of the literature Additional chapters focus on differing strategies for improved urban housing and renewal by providing concrete suggestions for distributing existing resources and allocating new funding The bibliography provides the best single guide to the current literature on housing Housing Urban America in this new edition is an important guide to those students and scholars fascinated by the essential questions of adequate housing its social costs and the source of the revenues to provide it

*The Socio-economics of Crime and Justice* Brian Forst, 2016-06-16 This book on crime and justice is motivated primarily by the idea that individual behaviour is influenced both by self interest and by conscience or by a sense of community responsibility Forst has assembled a collection of authors who are writing in four parts 1 the philosophical foundations and the moral dimension of crime and punishment 2 the sense of community and the way it influences the problem of crime 3 on offenders and offences and 4 on the response of the criminal justice system

**Family and Community** Virginia Yans-McLaughlin, 1977 A vividly human presentation of the Italian migration to America Real people appear here with ordeals and hopes successes and failures in all of the circumstances envisioned by the marriage vows Unions churches the rackets the press even ideals and ideologies

come into focus on this meticulously comprehensive canvas The New Republic Yans McLaughlin has demonstrated effectively that Buffalo s Italian families did not disintegrate or experience major transformatio under the pressure of immigration and life in a radically different environment points the way for further significant study of immigrant families John Briggs International Migration Review Methodologically speaking Yans McLaughlin s most important conclusion is that quantification is not enough Statistics she insists can give us only the form of group structures they do not assist the historian in penetrating to the cultural content of those structures Her book s great strength is its intelligent and painstaking analysis of the key institution of the family among Italian immigrants New York Historical Society Quarterly The Oxford Handbook of Criminological Theory Francis T. Cullen, Pamela Wilcox, 2013-03-21 This handbook presents a series of essays that captures not the past of criminology but where theoretical explanation is headed The volume is replete with ideas discussions of substantive topics with salient theoretical implications and reviews of literatures that illuminate avenues along which theory and research evolve *Making Italian America* Simone Cinotto, 2021-05-20 Fourteen cultural history essays exploring the relationship between Italian Americans consumer culture and the American identity How do immigrants and their children forge their identities in a new land And how does the ethnic culture they create thrive in the larger society Making Italian America brings together new scholarship on the cultural history of consumption immigration and ethnic marketing to explore these questions by focusing on the case of an ethnic group whose material culture and lifestyles have been central to American life Italian Americans As embodied in fashion film food popular music sports and many other representations and commodities Italian American identities have profoundly fascinated disturbed and influenced American and global culture Discussing in fresh ways topics as diverse as immigrant women s fashion critiques of consumerism in Italian immigrant radicalism the Italian American influence in early rock n roll ethnic tourism in Little Italy and Guido subculture Making Italian America recasts Italian immigrants and their children as active consumers who since the turn of the twentieth century have creatively managed to articulate relations of race gender and class and create distinctive lifestyles out of materials the marketplace offered to them The success of these mostly working class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption Making Italian America appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers Fourteen essays explore Italian American history in the light of consumer culture across more than a century long intense movement of people goods money ideas and images between Italy and the United States a diasporic exchange that has transformed both nations Simone Cinotto builds an analytical framework for understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers emporium and marketplace Grounded in the new scholarship in transnational US history and the transfer of cultural patterns Making Italian America

illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America. It also illustrates vividly why and how those same identities incorporated in commodities, commercial leisure and popular representations have become the object of desire for millions of American and global consumers. This compelling and innovative volume captures the complexities of the pivotal role of consumption in the historical formation of transnational Italian American taste, positing a distinctive diasporic consumer culture that continues its importance today. Richly interdisciplinary, the collection represents an exciting new resource for scholars and students alike. Marilyn Halter, Boston University

*Beyond C. L. R. James*, John Nauright, Alan G. Goble, David K. Wiggins, 2014-11-01 *Beyond C. L. R. James* brings together essays analyzing the interconnections among race, ethnicity and sport. Published in memory of C. L. R. James, the revolutionary sociologist and writer from Trinidad who penned the famous autobiographical account of cricket titled *Beyond a Boundary*, this collection of essays, many of which originated at the 2010 conference on race and ethnicity in sport at the University of West Indies Cave Hill in Barbados, cover everything from Aborigines in sport and cricket and minstrel shows in Australia to Zulu stick fighting and football and racism in northern Ireland. The essays, divided into four sections that include introductory comments by each editor, are written by some of the more well-known sport historians in the world and characterized by a focus on the role of culture and sport in society in the context of both political economies and the state, as well as colonial and postcolonial struggles. Included also are discussions on how sport at once brings people together, shapes the identities of its participants and reflects the continuing search for social justice.
