Nonviolent Action Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject      The Encyclopedia of Peace Psychology, 2011-12-12 The Encyclopedia of Peace Psychology available online through Wiley Online Library or as a three volume print set is a state of the art resource featuring almost 300 entries contributed by leading international scholars that examine the psychological dimensions of peace and conflict studies First reference work to focus exclusively on psychological analyses and perspectives on peace and conflict Cross disciplinary linking psychology to other social science disciplines Includes nearly 300 entries written and edited by leading scholars in the field from around the world Examines key concepts theories methods issues and practices that are defining this growing field in the 21st century Includes timely topics such as genocide hate crimes torture terrorism racism child abuse and more A valuable reference for psychologists and scholars students and practitioners in peace and conflict studies An ALA 2013 Outstanding Reference Source      *Nonviolence and Peace Psychology* Daniel Mayton, 2009-05-28 Recent trends and events worldwide have increased public interest in nonviolence pacifism and peace psychology as well as professional interest across the social sciences Nonviolence and Peace Psychology assembles multiple perspectives to create a more comprehensive and nuanced understanding of the concepts and phenomena of nonviolence than is usually seen on the subject Through this diverse literature spanning psychology political science religious studies anthropology and sociology peace psychologist Dan Mayton gives readers the opportunity to view nonviolence as a body of principles a system of pragmatics and a strategy for social change This important volume Draws critical distinctions between nonviolence pacifism and related concepts Classifies nonviolence in terms of its scope intrapersonal interpersonal societal global and pacifism according to political and situational dimensions Applies standard psychological concepts such as beliefs motives dispositions and values to define nonviolent actions and behaviors Brings sociohistorical and cross cultural context to peace psychology Analyzes a century's worth of nonviolent social action from the pathbreaking work of Gandhi and King to

the Courage to Refuse movement within the Israeli armed forces Reviews methodological and measurement issues in nonviolence research and suggests areas for future study Although more attention is traditionally devoted to violence and aggression within the social sciences Nonviolence and Peace Psychology reveals a robust knowledge base and a framework for peacebuilding work granting peace psychologists activists and mediators new possibilities for the transformative power of nonviolence

Nonviolent Conflict and Civil Resistance Sharon Erickson Nepstead, Lester R. Kurtz, 2012-10-08 This volume covers how regime changes political movements and nonviolent unrest develop and then shape the political decisions of both civil society and the state Chapter discussions include the civil rights movement in Northern Ireland youth movements in Post Communist states and the efforts of nonviolent INGOs

*Conflict Transformation* Rhea A. DuMont, Tom H. Hastings, Emiko Noma, 2013-02-28 Seeking to expand the transformative aspect of conflict resolution the contributors to this edited collection have focused on gathering scholarship from under represented voices and viewpoints in the field the emerging discipline Most mainstream conflict resolution seems to look either at interpersonal conflict or international conflict without much focus on the differing individuals and social structures involved These peer reviewed essays add significant findings to those gaps in the literature The editors and contributors are perhaps not coincidentally mostly women and people of color whose voices are often absent from other collections

*Gandhi in His Time and Ours* David Hardiman, 2003 Gandhi was the creator of a radical style of politics that has proved effective in fighting insidious social divisions within India and elsewhere in the world How did this new form of politics come about David Hardiman shows that it was based on a larger vision of an alternative society one that emphasized mutual respect resistance to exploitation nonviolence and ecological harmony Politics was just one of the many directions in which Gandhi sought to activate this peculiarly personal vision and its practice involved experiments in relation to his opponents From representatives of the British Raj to Indian advocates of violent resistance from right wing religious leaders to upholders of caste privilege Gandhi confronted entrenched groups and their even more entrenched ideologies with a deceptively simple ethic of resistance Hardiman examines Gandhi s ways of conducting his conflicts with all these groups as well as with his critics on the left and representatives of the Dalits He also explores another key issue in Gandhi s life and legacy his ideas about and attitudes toward women Despite inconsistencies and limitations and failures in his personal life Gandhi has become a beacon for posterity The uncompromising honesty of his politics and moral activism has inspired such figures as Jayaprakash Narayan Medha Patkar Martin Luther King Jr Nelson Mandela and Petra Kelly and influenced a series of new social movements by environmentalists antiwar campaigners feminists and human rights activists among others dedicated to the principle of a more just world

**The Possibility of Contemporary Prophetic Acts** Randall Bush, 2013-12-13 Is it possible to speak of prophets and prophetic activity in today s world If so who determines whether the prophetic acts are authentic Is this role formerly filled by faith communities now being done within the secular

community Randall Bush explores these questions from biblical theological and historical perspectives looking at examples from the prophet Jeremiah the writings of Paul Tillich and the modern civil rights movement work of Rosa Parks and Dr Martin Luther King Jr This compelling discussion touches on issues as old as scripture and as current as today s news headlines and the topic remains as relevant now as it ever was for those with eyes to see and ears to hear [Frontline Feminisms](#) Marguerite Waller,Jennifer Rycenga,2004-11-23 Around the world women have long been on the frontlines protesting war and military forces The essays in this collection from both scholars and activists explore the experiences of local women s groups that have developed to fight war militarization political domination and patriarchy throughout the world The writings in this collection cover a range of genres from memoir and historical accounts to critical essays What holds the writings together is an urgency to reflect on and analyze women s activism on the frontlines from Palestine Sudan Iran Kosovo and rural India to Serbia Croatia Okinawa Israel U S prisons and the racialized American South [A Comprehensive, Annotated Bibliography on Mahatma Gandhi](#) Ananda M. Pandiri,2007-02-28 Few figures in the twentieth century have been as inspirational as Mohandas Mahatma Gandhi Interest in this extraordinary man has produced a massive amount of printed material making Ananda M Pandiri s comprehensive bibliography an invaluable reference tool for scholars and students Pandiri has meticulously searched printed and electronic indexes publisher s catalogs and university libraries throughout India Britain and the U S to compile a complete bibliography of sources in the English language This volume is organized and cross referenced for easy use and access to a voluminous amount of information Features include More than 4700 entries comprising books pamphlets seminars government records and other significant printed material Complete bibliographic data of sources Annotations detailing the content and scholarship of sources Two exhaustive indexes Title and Subject **Violence in Schools** Florence Denmark,Uwe Gielen,Herbert H. Krauss,Elizabeth Midlarsky,R. Wesner,2006-06-14 During the 1940s teachers were certain they had some grievous complaints about students behavior in school Among these were excessive noise littering and gum chewing More recently teachers concerns have taken on a far more dire tone Today their focus is on the rape robbery and substance abuse incidents that occur in alarming numbers in their workplaces In recent years the news on violent crime in our schools has often been devastating And although school officials have begun taking measures to decrease the level of violence on their grounds e g installing metal detectors hiring guards to patrol hallways the violence that continues to occur is often more lethal and no less troubling To further understand and ameliorate the causes of violence among our children especially at school this book takes a comprehensive approach to addressing the issues Violence in Schools Cross National and Cross Cultural Perspectives provides both a broad overview of violence in schools and offers specific descriptions of models that have been used successfully within school settings to prevent violent crime from occurring For example this volume Recognizes that violence on school grounds is a global problem that requires an international perspective to counteract Takes a broad view of what constitutes violence that

is the focus is not only on physical assault but the neglect and abusive behavior e g racism sexism cultural discrimination and suppression that contribute to its occurrence Explores the history of the phenomenon of school violence in order to effectively ameliorate its current condition Violence in Schools Cross National and Cross Cultural Perspectives speaks with legitimate authority to scholars as well as to those on the frontlines in combating school violence including school and counseling psychologists school administrators teachers and staff as well as concerned parents
