*Teaching the Social Skills of Academic Interaction, Grades 4-12* Harvey "Smokey" Daniels, Nancy Steineke, 2014-08-07  
NEWS FLASH A major meta analysis of 213 studies showed an average 11 percent gain in academic performance for kids receiving explicit social academic learning instruction Turns out this soft stuff about creating a culture of respect and rapport yields hard and fast gains and that s no surprise to collaboration gurus Harvey Smokey Daniels and Nancy Steineke Now these authors share a yearlong plan for helping you build powerful and binding peer to peer interactions The added bonus Your kids will meet speaking and listening standards while you score better on classroom engagement rubrics Teaching the Social Skills of Academic Interaction taps the instructional power of slides full color illustrations and super succinct directions to teach both the language and the behaviors of working effectively with others These 35 lessons take your kids on a carefully paced upward spiral of collaboration with explicit coaching on how to speak listen argue persuade and get along Here s the best part You model and your students practice these social skills with the content of your curriculum not in disconnected add on exercises For each lesson there are six to 25 slides that focus on one vital academic social skill step by step teaching tips are in the lie flat planning book The sequence looks mostly like this The first slides introduce the skill like being a good partner or arguing both sides of a controversial topic then explain its value The next slides help model the skill in action using whatever curricular topic you happen to be teaching Now kids active thinking is invited as you co create strategies to enhance use of the target social academic skill Additional slides help kids practice the skill using your curricular content as you monitor and support Lessons end with a debriefing to solidify new understandings Any way you look at Teaching the Social Skills of Academic Interaction it s a win win Your students realize better engagement in curriculum topics higher performance and social skills to last a lifetime That s really college and career ready And our schools become safer harbors where students know one another respect one another and learn together Longtime collaborators themselves HARVEY SMOKEY DANIELS and NANCY STEINEKE have written six books together and are regular co presenters at all the major literacy conferences Both are former public school teachers who now work as national consultants helping schools and districts to create friendly supportive and collaborative climates for young people For an author led walk through of Teaching the Social Skills of Academic Interaction visit <https://www.brainshark.com/corwinpress/teachingsocialskills>

**Ways To Teach Social Skills In Your Classroom** Jacquelyne Faz, 2021-07-03 Many students struggle to learn important social skills like interacting positively with others and starting conversations The time spent on lecturing in schools means that kids don t always have the time to use these skills in the classroom The lack of social emotional intelligence and the fact that school learning standards still are amiss when it comes to social emotional learning are standing in the way of helping our children become what they are truly capable of becoming Schools must implement social emotional learning SEL programs into their schools We must prepare our youth to be more humane and socially competent If we fail we will continue to have a

generation of socially and emotionally inept youth Our society's well being and safety will continue to be at stake Hardship lost opportunities and damaged relationships with self and others will continue without improved social emotional intelligence This book is perfect for any educator or adult who works with children and is concerned about their social emotional learning So don't wait any longer to join these amazing people Invest in yourself and your youth right now by getting this book
