

What do we already know about Judaism?

Challenge: Draw the Star of David in your books (below).
Around it write down anything you know about Jews and Judaism.
More challenge: Explain how each of the image on the board link to Judaism.

There was once a man from the Hebrews (the Jews) called Abraham (just Abraham only), who said he had a calling from God to worship just him and no other gods. God promised Abraham that if he did this he would be the leader of a great nation, who eventually became known as Jews. It's a thousand years!

To show that God has made a promise with Abraham, that changes his name to Abraham. It's a new name to show the start of a new promise, or a 'covenant' with God that from now on Abraham's followers will worship only him. Abraham means 'the first monotheistic religion'.

Thousands of years later, Abraham and his descendants (people who can trace their family names back to him) are now known as Jews and live mainly in Israel. One day, one of these Jews, a young man called Jesus Christ, decided to start preaching the word of God.

Jesus is called by the Hebrews 'having been baptised' by a fellow Jew, John the Baptist. Jesus's disciples (followers and close friends) who are left behind, decide to start a new form of Judaism called 'Christianity'. After Jesus Christ, Christianity has lots of many followers it becomes a religion itself.

Seven hundred years later, a man called Muhammad who lived in small Arabia begins to write down a new version of all of the Jewish and Christian stories after having a visit from God about everything. Muhammad's friends who write down his own sayings and life story. The Muslims of the Quran and followers of Muhammad become known as Muslims. Their religion is known as Islam.

Today, although Jews, Christianity and Muslims exist all around the world - and all are monotheistic religions which worship only Abraham - most people think of them as being very different. Actually, the three religions have a lot in common.

Look back!

Mega challenge: Although Orthodox Jews make up only 11,000 of the UK population, why is it important we still study their religion?

OMG Challenge: Give a detailed explanation of how Judaism links Islam
