Nonfiction A thorough and comprehensive analysis of poverty in the United States and abroad by renowned social scientists statesman humanists and theologians *The Presbyterian Church (U.S.A.) Foundation* R. Douglas Brackenridge, 1999-01-01

For two centuries the Presbyterian Church U S A Foundation has been at work serving the church and undergirding its mission In this authoritative and carefully researched history R Douglas Brackenridge unfolds the story of how the Foundation developed its unique role in the Presbyterian Church U S A It is a history filled with strong leaders vigorous challenges and lively debate Brackenridge shows how the Foundation even in times of struggle has been shaped over the decades as a significant instrument of support to the Presbyterian Church U S A **Towards the Prophetic Church** John M. Hull, 2014-09-30

Thirty years ago John Hull wrote *What Prevents Christian Adults from Learning* This new book asks *What Prevents Christian Adults from Acting* How has it come about that the Church appears to be so preoccupied with itself What happened to the quest for the social justice of the Kingdom of God John Hull's search for understanding took him back to the prophetic tradition of the Bible and he discovered that this has become neglected and even betrayed Christian discipleship must be more than church going and prayer Christians must resist the unjust structures of society in the prophetic tradition Theological reflection is not enough *The Kingdom of God* John Fuellenbach, 2006-04-01

The fruit of many decades of study and teaching *The Kingdom of God* provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age *The Kingdom of God* begins by analyzing the background of this

idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

Living in God's Providence: History of the Congregation of Divine Providence of San Antonio, Texas, 1943-2000 Mary Christine Morkovsky, CDP,2009-06-29 In 1943 the bell attached to a rope on both floors of a plain box like convent in Houston Texas rang at 5 a m The nine Sisters of Divine Providence stationed at the grade school arose reciting aloud the traditional prayer that began Live Jesus in my heart My God I give you my heart Mercifully deign to receive it and grant that no creature shall possess it but Thou alone Continuing to pray aloud for five more minutes the Sisters who shared small bedrooms began to dress All had developed in their novitiate a rhythm for this process which launched each day in a uniform way Over 20 items of dress had to be donned in a certain order Before Morning Prayer at 5 25 in the small chapel on the first floor the Sisters also stripped their single beds flipped the thin mattresses and replaced the bed linens trying not to invade a companion s limited space Usually it was still dark outside when they started to recite morning prayers unique to the Congregation This was followed by chanting in Latin on one tone Matins Lauds Prime Tierce Sext and None from the Little Office of the Blessed Virgin Mary Then the superior read aloud some points for reflection and the Sisters meditated in silence for half an hour This was the first time of the day they had some relatively unstructured time and they sometimes experienced distractions Perhaps they planned how to teach something better or recalled problematic students At 6 30 one of the parish priests offered Mass which was followed by breakfast The Sisters ate in silence while one of them read passages from the Imitation of Christ By 8 a m they were leading their pupils across the playground to the children s daily Mass in the parish church In sharp contrast in 1990 Sister Mary Walter Gutowski CDP one of two Sisters living in a small apartment was the administrator of Our Lady of Guadalupe clinic for low income Latinos and African Americans in Rosenberg Texas Sister Walter who was credited with having delivered more than 3 000 babies under difficult rural circumstances once remarked When someone knocks at my door in the middle of the night I get dressed in two minutes flat because I never know what will be waiting for me outside 1 What explains this dramatic change of style and ritual in the routines of Catholic Sisters living in mission houses How did the Sisters move from

cloisters to apartments How did the rigid routines of the nine Sisters of 1943 transmute into the singular and unstructured life of Sister Mary Walter What are the connections between the bell that rang at five in the morning and the one that sounded at any hour This history examines the period of 1943 to 2000 an era during which the Sisters of Divine Providence redefined their perspective and practices within the context of a changing American Catholic church It demonstrates that the Sisters were well situated to embrace the shifting demands of religious mission because their very heritage was grounded in ongoing transformations Those transformations were played out on a highly charged stage of oppression concerning multi racial relationships one that further prepared the Sisters for the intense dynamics of modern church life When the Sisters celebrated in 1966 the centennial of their arrival in Texas they were staffing their own college high schools and numerous grammar schools in several states as well as hospitals clinics and neighborhood centers They had incorporated a group of women from Mexico and encouraged the independence of a new Providence congregation in the U S Responding to Vatican encouragement after the second Vatican Council they began experiments to update structures and customs so as minister more effectively The most visible were in the areas of community living and governance and were accompanied by greater collegiality subsidiarity variety in prayer
