Perspectives on Death and Dying June L. Leishman, 2009 In the past most people encountered death at a relatively young age Dying relatives were cared for at home and mortality rates were higher Today there is much less familiarity with death which increasingly takes place in hospitals hospices and nursing homes This wide ranging and enlightening book offers an exploration of death and dying as human conditions that impact on the individual their significant others and those involved with their care and well being It is aimed at medical and healthcare staff social workers and counsellors as well as social sciences and health psychology students professional health and social care educationalists and anyone with an interest in this topic Drawing on aspects of social anthropology history and the social and behavioural sciences the book examines the customs attitudes and beliefs surrounding death and dying Emphasis is placed on the unique experience of death for each individual and the book highlights the challenges faced by those who work with people who are dying or those who have experienced loss through death In addition each chapter ends with some reflective questions that allow the reader to consider certain issues at a more personal level

Social Perspectives on Death & Dying, Death and Dying Gerry R. Cox, Neil Thompson, 2020-09-08 Death and Dying is an important core text for students and professionals interested in developing a holistic understanding of death and dying Chapters are replete with case studies activities key point boxes and

other features that enable readers to develop a sociologically informed understanding of the broad range of complex issues that underpin death and dying Written by two established and highly respected experts in the field it offers a thoroughgoing account of a wide range of social aspects of death and dying filling gaps left by the traditionally narrow focus of the existing literature By drawing the suggested sociological perspectives and highlighting the role of social policy the authors put forward a fresh perspective of the field of thanatology This book is a major contribution in progressing knowledge and understanding of dying and death for students and professionals in counseling health and human services **Death, Dying and Bereavement** Sharon Mallon, Laura Towers, 2024-11-28 While death dying and bereavement are universal life events the social conditions under which death takes place are fundamental in shaping how it is experienced by the individual Bringing together contributors from around the world this collection of chapters provides sociological insights into death dying and bereavement Drawing upon a range of sociological theorists including mile Durkheim Zygmunt Bauman and C Wright Mills the book reviews the historical contribution of sociology to the field of thanatology In doing so the book challenges individualistic psychological approaches to death dying and bereavement and demonstrates how sociological approaches can shape constrain and empower experiences by imbuing them with both collective and individual meaning Chapter length case studies explore a wide range of issues from digital aspects of remembrance and memorialisation and continued threats to liberties that permit life and death decisions to discussions of the impact and likely legacy of COVID 19 and climate change This collection will be of interest to students and researchers in the social sciences with an interest in societal attitudes towards death and bereavement Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license **Dying** Alex Broom, 2016

Death in a Global Age Ruth McManus, 2017-09-16 Attitudes towards death are shaped by our social worlds This book explores how beliefs practices and representations of dying and death continue to evolve and adapt in response to changing global societies Introducing students to debates around grief religion and life expectancy this is a clear guide to a complex field for all sociologists

Epiestems of Death Pratham Parekh, 2017-01-01 Death and dying experiences are not common across human race because humans do not share common cultural heritage and physical environment The fact of death thus can be considered as socially constructed fact abounded by idiosyncratic religious beliefs and rituals existing within social life It is almost impossible to have common consensual understanding of death and dying This book tries to investigate various sources of knowledge about death in multiple disciplines from sociological lenses

Managing Death: International Perspectives Gerry R. Cox, Neil Thompson, 2022-09-23 There is a huge collection of literature relating to death grief and bereavement but one aspect that has received relatively little attention is that of death management practices by which we mean the various ways of managing the circumstances of the death ritually acknowledging it and sensitively handling the disposal of the body and so on While ways of disposing of the dead and grief practices have been thought of as based upon individual responses grief and bereavement practices can be understood not only by looking at psychological and medical frameworks but also by examining people as part of a complex structure of social arrangements institutions

structures and patterns By examining the social and institutional structures of various groups around the world we provide an international framework for a better understanding of the study of dying death and bereavement This book highlights the significance of these matters in an international context reflecting common themes and important differences It will highlight common themes across diverse cultures and national settings while also drawing attention to significant differences If professionals working in the field of death grief and bereavement are not aware of such differences their practice can be insensitive discriminatory and therefore ineffective if not actually counterproductive As such the book provides an invaluable resource for a wide variety of professionals and students including medicine and health care social work counselling and psychotherapy chaplaincy and pastoral work and of course those involved in the funeral industry In addition students of sociology psychology and anthropology will find much of interest here in terms of appreciating the diversity of ways in which funerals and other death management practices are managed and integrated into social life *Death on the Move* Philip J. Havik, José Mapril, Clara Saraiva, 2018-04-18

This volume explores the different aspects of the management of death dying and mortality by migrants in Southern Europe through deconstructing persistent idiosyncratic beliefs myths narratives silences and constraints It focuses on migrants from diverse geographical and cultural backgrounds in Portugal Spain and Italy It also includes reflections on Madagascar Guinea Bissau East Timor and Cuba The thirteen chapters provide insights into epistemological issues the trans national circulation of bodies spirits and rituals migration the placing of the dead and diverse funerary practices and perspectives Privileging a multi sited approach to death and migrations this book draws on oral archival and published sources to give visibility to populations that often live in liminal structural positions and transient worlds By exploring the multifaceted dimensions of death and suffering among immigrant populations it refocuses the debate on migration in Europe and beyond by highlighting under researched issues such as end of life care mental health death burial cremation funerary ceremonies and symbols repatriation and martyrdom **Encyclopedia of Death & Human Experience**

The Top Books of the Year Social Perspectives On Death And Dying The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Social Perspectives On Death And Dying : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
