security prisons and then moves to the particular case of emotions in solitary confinement There has been a turn towards emotions in criminology but this is the first book to centralize the subject of prisoner emotions in a detailed manner The ethnographic study of feelings has much to contribute to broader debates about survival in prison and pathways to desistance Most importantly it emphasizes that full blooded depictions of prisoners belong at the heart of academic inquiry **Adult Crying** Ad J.J.M. Vingerhoets,Randolph R. Cornelius,2012-12-06 Crying is a typical human expression of emotion Surprisingly until now little scientific attention has been devoted to this phenomenon Many textbooks on emotion fail to pay attention to it and in scientific journals there are hardly any contributions focusing on this behavior In contrast there is much interest from the lay public allowing pseudo scientists to formulate theories that have little or no scientific basis Is there any evidence in support of statements that crying is healthy or that not crying may result in toxification How do people react to the crying of others Is crying important for the diagnosis of depression and if so how This book aims to fill this gap in scientific literature Crying is discussed from several perspectives and specific attention is given to methodological issues and assessment Each chapter provides a review and a summary of the relevant scientific literature *Socio-emotional Skills in Relation to Aggressive and Prosocial Behaviors: From Early Childhood to Adolescence* Carmen Belacchi,Eleonora Farina,Paola Molina,Nicoletta Businaro,2022-11-16 **Emotions, Technology, and Behaviors** Sharon Y. Tettegah,Dorothy L. Espelage,2015-10-26 Exploring the connections between technology emotions and behaviors is increasingly important as we spend more and more time online and in digital environments Technology Emotions and Behavior explains the role of technology in the evolution of both emotions and behaviors and their interaction with each other It discusses emotion modeling distraction and contagion as related to digital narrative and virtual spaces It examines issues of trust and technology behaviors used by individuals who are cut off from technology and how individuals use technology to cope after disasters such as Hurricane Sandy Technology Emotions and Behaviors ends by exploring the construct of empathy and perspective taking through online videos and socially shared activities Practitioners and researchers will find this text useful in their work Reviews the intersection between emotional contagion and emotional socialization theory in virtual interactions Examines cross cultural communicative feedback Discusses the multi dimensions of trust in technology Covers digilante rhetoric and its emotional appeal Devotes an entire section to cyberbullying **Emotions in Social Life** Gillian Bendelow,Simon J Williams,2002-09-11 The development of a sociology of emotions is crucial to our understanding of social life as they hold the key to our understanding of social processes and sociological investigation First published in 1997 Emotions in Social Life consolidates the sociology of emotions as a legitimate and viable field of enquiry It provides a comprehensive assessment of the sociology of emotions using work from scholars of international stature as well as newer writers in the field It presents new empirical research in conjunction with innovative and challenging theoretical material and will be essential reading for students of sociology health psychology anthropology and gender studies **Psychiatry:**
