## **Social Problems Causes Consequences Interventions:**

**Social Problems** Richard Bourne, Jack Levin, 1983      Social Problems in a Free Society Myles J. Kelleher, 2004-09-02

The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory.

**Empirically Based Interventions Targeting Social Problems** John S. Wodarski, Laura M. Hopson, 2019-11-12. This unique volume demonstrates the effectiveness of applying an evidence-based practice process to the solution of selected social problems. It focuses on social work interventions addressing family, community, and societal factors. Research indicates that reinforcement for positive behavior at the group, organizational, and community levels, as opposed to interventions focusing on the individual, are more likely to result in meaningful improvement in well-being. Chapters address issues such as child maltreatment, educationally disadvantaged children, violence in schools, adolescent sexuality, substance abuse, crime, urban decline, and homelessness, unemployment, marital conflict, and chronic medical problems. *Empirically Based Interventions Targeting Social Problems* is a relevant resource for practitioners and counseling professionals whose work involves interventions with children and families as well as communities. It also is a useful text for graduate students in social work as well as students preparing for other helping professions including psychology, sociology, marital and family counseling, and child development.

**Social Problems** Jack Levin, 2000      Thailand's Industrialization and its Consequences Medhi Krongkaew, 1995-06-12. Professor Krongkaew is one of Thailand's best-known academic economists, and he has brought together an impressive number of authorities on the modern Thai economy. The resulting book should be of great value to anyone wanting an authoritative and comprehensive overview of recent developments in one of Asia's most dynamic economies. Anne Booth, School of Oriental and African Studies, University of London. The book is divided into 4 parts. Part 1 gives an overview of Thai industrialization and the roles of agriculture, manufactured exports, direct foreign investment, and tourism as major contributors to recent fast economic growth. Part 2 analyses the impact of industrialization on government finance, monetary policy, urbanisation, and household welfare. Part 3 further investigates impact on political development, social values, the environment, and education, health, and science and technology. Part 4 looks at a future role of Thailand as a newly industrialized country in Asia.

**Guns in American Society** Gregg Lee Carter, 2012-05-04. Thoroughly updated and greatly expanded from its original edition, this three-volume set is the go-to comprehensive resource on the legal, social, psychological, political, and public health aspects of guns in American life. The landmark 2002 edition of *Guns in American Society: An Encyclopedia of History, Politics, Culture, and the Law* was acclaimed for helping readers get beyond the

sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

**Violence, Peace and Everyday Modes of Justice and Healing in Post-Colonial Africa** Marongwe, Ngonidzashe, Thomas Duri, Peter Fideli, 2019-02-06 Violence in its various proportions genres and manifestations has had an enduring historical legacy the world over However works speaking to approaches aimed at mitigating violence characteristic of Africa are very limited As some scholars have noted Africans have experienced cycles of violence since the pre colonial epoch such that overt violence has become banalised on the African continent This has had the effect of generating complex results legacies and perennial emotional wounds that call for healing reconciliation justice and positive peace Yet in the absence of systematic and critical approaches to the study of violence on the continent discourses on violence would hardly challenge the global matrices of violence that threaten peace and development in Africa This volume is a contribution in the direction of such urgently needed systematic and critical approaches It interrogates from different angles and with inspiration from a multidisciplinary perspective the contentious production and resilience of violence in Africa It calls for a paradigm shift an alternative approach that forges and merges African customary dispute resolution and Western systems of dispute resolution towards a framework of positive peace holistic restoration sustainable development and equity The book is a welcome contribution to students and practitioners in security studies African studies development studies global studies policy studies and political science

Handbook of Research on Pedagogies and Early

Intervention Strategies for Combatting Socio-Pathological Behaviors Buckley, Sheryl Beverley, Babic, Ivana, Kadum, Vladimir, Hmelak, Maja, 2021-10-29 Issues of social pathology have been encountered throughout many societies There is a need for all educational sectors in society to coordinate unique educational engagements regarding children with accumulated and escalating behavioral problems that daily take their tribute and leave far reaching consequences on the degradation of each individual and of the community The Handbook of Research on Pedagogies and Early Intervention Strategies for Combatting Socio Pathological Behaviors serves as a guide to the social pedagogy discipline The text raises awareness among professionals and the public about the need and prevention of socio pathological manifestations and explains the types expansion causes and consequences of their occurrence and the need for an organized social action to reduce and overcome them Covering topics such as social pedagogy sociopathic manifestations and child to child care this book is an essential guide for students preparing to be preschool educators teachers professors social educators psychologists social workers defectologists as well as parents current university faculty and practitioners

**Guns and Contemporary Society** Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence

*The Sociology of Social Problems* Adam Jamrozik, Luisa Nocella, 1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the

helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses

**Social Policy for Effective Practice** Rosemary Kennedy Chapin, 2017-02-24 For use as a text in foundations generalist social policy courses either at the baccalaureate or master's level this book examines the process of defining need analyzing social policy and developing new policy A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process Each chapter builds on the knowledge foundation provided in previous chapters to equip students with skills necessary for effective policy practice Four themes are interwoven throughout the book the importance of thinking critically about social policy the benefits of using the strengths perspective in policy analysis and development the critical role social policy plays in all areas of practice and the absolute responsibility of every social worker to engage in policy practice Routledge's website now contains 6 cases the Sanchez Case has been revised to include much more policy content Instructor materials include extra readings PowerPoints test questions annotated links syllabi and EPAS guidelines As with the third edition instructors can choose chapters relevant to their course and custom publish them at [www.routledgecustomgateway.com](http://www.routledgecustomgateway.com)

*Developmental Challenges and Societal Issues for Individuals With Intellectual Disabilities* Gopalan, Rejani Thudalikunnil, 2019-08-30

Intellectual disability is a generalized disorder appearing before adulthood characterized by significantly impaired cognitive functioning and deficits in two or more adaptive behaviors With the current limitations in curative treatment for intellectual disabilities the rehabilitation and management of affected individuals remains a major factor in the management and treatment of symptoms and for the improvement of daily life *Developmental Challenges and Societal Issues for Individuals With Intellectual Disabilities* is a comprehensive academic resource that examines treatment and rehabilitation options for those who have intellectual disabilities and examines educational vocational and psychosocial needs that can improve quality of life for these individuals Featuring a range of topics such as comorbidities epidemiology and stigma this book is ideal for psychologists psychiatrists pediatricians psychiatric nurses clinicians special ed teachers social workers hospital administrators mental health specialists managers academicians rehabilitation centers researchers and students

The Rush to Policy Peter William House, Roger Roger Don Shull, *Rush to Policy* explores the appropriate role of technical analysis in policy formulation The authors ask when and how the use of sophisticated analytic techniques in decision making benefits the nation They argue that these techniques are too often used in situations where they may not be needed or understood by the decision maker where they may not be to answer the questions raised but are nonetheless required by law House and Shull provide an excellent empirical base for describing the impact of politics on policies policy analysis and policy analysts They examine cost benefit analysis risk analysis and decision analysis and assess their ability to substitute for the current decision making process in the public sector They examine the political basis of public sector decision making how individuals and organizations make decisions and the ways decisions are made in the federal sector Also they discuss the

mandate to use these methods in the policy formulation process The book is written by two practicing federal policy analysts who in a decade of service as policy researchers developed sophisticated quantitative analytic and decision making techniques They then spent several years trying to use them in the real world Success and failures are described in illuminating detail providing insight not commonly found in such critiques The authors delineate the interaction of politics and technical issues Their book describes policy analysis as it is not how it ought to be Peter W House is the director of policy research and analysis at the National Science Foundation He is the author of ten books on multidisciplinary science and technology policy research and analyses in government private and university sectors including *The Art of Public Policy Analysis* and with Roger D Shull *Regulatory Reform Politics and the Environment and Regulations and Science Management of Research on Demand* Roger D Shull is a senior analyst at the Division of Policy Research and Analysis National Science Foundation

**The Problems of Living in Society** Henry H. Brownstein, 2003 This text adds a human face to social problems by looking at them from the perspective of the individual and the problems we face in everyday life as members of society Stories from the news media and popular fiction demonstrate problematic areas of social life such as forming intimate relationships finding a job and living with serious illness The book is useful as a supplemental text in an introductory course on sociology social institutions or social relationships Annotation c 2003 Book News Inc Portland OR booknews com
