Social Psychology Of Personal Relationships

William Dragon, Steve Duck

Social Psychology Of Personal Relationships:

The Social Psychology of Personal Relationships William Ickes, Steve Duck, 2000-06-15 The Social Psychology of Personal Relationships provides a concise and highly readable introduction to the major social psychological perspectives on the study of personal relationships The contributors all internationally recognized scholars in their respective fields address the study of personal relationships from the following key social psychological perspectives attachment theory evolutionary psychology interdependence relations interracial relationships self expansion theory self presentation theory This important text also contains an innovative chapter on how to analyze data from dyadic relationship studies along with meta theoretical commentaries by Ickes and Duck and by Acitelli Duck and West A useful reference for professionals whose research and or clinical practice focuses on personal relationships this book is also intended for advanced students in the areas of social psychology clinical and counseling psychology communication studies family studies and sociology courses The Social Psychology of Personal Relationships is one of a series of paperbacks dedicated to the study and application of processes by which individuals relate to each other in social and family settings Each book provides an expanded and up to date version of a section in the original Handbook of Personal Relationships second edition edited by Steve Duck

Social Interaction and Personal Relationships Dorothy Miell, Rudi Dallos, 1996-06-06 The team has achieved an admirable overall coherence in representing the range of ideas methodologies and modes of analysis that will be found in this area of social life it is likely to find a place on the reading lists of many future social psychology courses Journal of Community and Applied Social Psychology Relationships play a central part in people s lives and a number of exciting interdisciplinary perspectives have recently emerged to shed new light on what it means to be in a relationship with another human being This volume offers an authoritative yet accessible examination of a wide variety of these perspectives drawing from a broader than usual range of material and including c

Personal Relationships Harold H. Kelley, 2013-08-21 First published in 1982 This book summarizes certain concepts and evidence regarding the nature of close personal relationships Its purpose is to suggest how such relationships are to be conceptualized for scientific analysis What are the essential properties of a personal relationship What are its necessary defining structures and processes The material presented herein represents what Kelley has thought and learned about the social psychology of close relationships

Social Relationships Joseph P. Forgas, Julie Fitness, 2008-05-28 Deals with understanding how people initiate develop maintain and terminate relationships This book explores and integrates the subtle influence that evolutionary socio cultural and intra psychic variables play in relationship processes

Personal Relationships Across the Lifespan Patricia Noller, Judith Feeney, Candida Peterson, 2013-08-06 Personal Relationships Across the Lifespan presents a comprehensive and up to date account of the role of personal relationships in people s lives Highlighting areas of special significance and research interest at each major life stage Patricia Noller Judith A Feeney and Candida Peterson examine how close relationships develop over time and influence individual

adjustment They explore a wide range of relationships including some that are often neglected such as those with siblings adult children and elderly parents They also look at alternative family forms such as single parent families and step families and address important themes such as intimacy conflict and power With insightful discussion of the theory and methods typically used by researchers working in this area **Personal Relationships Across the Lifespan** is an ideal resource for students and researchers of both relationships and lifespan development It will also be of interest to practitioners such as social workers and family therapists working with clients with relational concerns and anyone wanting to learn more about the nature of relationships

Social Influence on Close Relationships Christopher R. Agnew, 2014-10-09 How do we choose a partner to initiate a relationship with and what makes us stay in a given relationship over time These questions are most often pursued by scholars with an emphasis on the internal thoughts feelings and motivations of individual decision makers Conversely this volume highlights the importance of considering external influences on individual decision making in close relationships Featuring contributions from internationally renowned scholars the volume is divided into two interrelated sections The first section considers global and societal influences on romantic relationships and the second focuses on social network and communicative influences on romantic relationships Taken together this collection helps us to better understand how external factors influence the internal machinations of those involved in intimate relationships

Personal Relationships and Social Support Steve Duck, Roxane Cohen Silver, 1990 It is widely acknowledged that the support given by friends intimates and other members of a social network is important to a person's well being Until recently however little attention has been paid to the relational processes and contexts through which social support is mediated **Personal Relationships and Social Support** represents a major initiative in its focus upon social support as a phenomenon embedded in the everyday transactions and dynamics of people's interpersonal relationships The authors consider such issues as the importance of the day to day talk of social support within interpersonal relationships the strategies that people use to mobilize support within particular relational contexts and the impact of people's daily life and work patterns on the need for and ability to mobilize support The effect in turn of competence in support giving on the development and maintenance of interpersonal relationships is examined as are the possible negative consequences of particular kinds of support **Personal Relationships and Social Support** brings together for the first time two strands of work on social support and the nature of interpersonal relationships which have tended to develop in isolation from each other This path breaking book will be essential reading for all those interested in new developments in theory and research in the field of human relationships

Personal Relationships Barbara R. Sarason, Steve Duck, 2001 What role do relationships play in the individual's health and the functioning of families and communities Recent research indicates that relationships are important not only to individuals well being but also to families whilst their importance in the functioning of communities is only beginning to be recognized and investigated in a systematic way Each chapter is focused on a cutting edge application of the personal

relationships perspective relevant to clinical and community psychology The book addresses such issues as the effect of close personal relationships on health outcomes the impact of genetic testing family relationships and major mental disorders and social support dynamics in adjustment to disasters Theoretical viewpoints and research findings as well as intervention strategies are presented on a variety of levels from individual to family to community Personal Relationships Implications for Clinical and Community Psychology is essential reading for researchers and scholars within the relationships field students of clinical and community psychology social work and psychological nursing

Understanding Personal Relationships
Steve Duck, Daniel Perlman, 1985 Understanding Personal Relationships introduces readers to the new interdisciplinary field of personal relationships It does so by integrating central themes from the fields of social psychology sociology clinical psychology and family studies In a comprehensive bibliographic essay the editors give an overview of the growth of the field and predict future areas of research and clinical practice Early chapters deal with some of the theoretical issues in the study of personal relationships while other contributors discuss the motivational issues in relationships Five chapters examine specific types of relationships those which are established like marriage those which are in a state of transition those which are under stress and those which have broken Through its breadth of coverage and the presentation of writers from several different disciplines this volume conveys the spirit of pioneering and practical optimism that characterizes the new interdisciplinary approach to understanding personal relationships

Personal Relationships and Personal Networks
Malcolm R. Parks, 2017-09-25 The effort to understand personal relationships has traditionally focused on the individual characteristics of participants Personal Relationships and Personal Networks takes this analysis a step further focusing on research linking participants feelings and actions within a given personal relationship to the larger social context surrounding it Author Malcolm R Parks expands on the idea that the initiation development maintenance and dissolution of relationships are inextricably connected to each participant's social network a perspective that allows for a better appreciation of our connection to the world and a greater understanding our significant power as social actors This book offers a new way to consider basic notions about how relationships form such as how particular people meet and how relationships are started Among many findings the volume demonstrates that individuals in relationships feel closer and generally more connected when they also have a greater amount of contact with the members of each other's personal networks and when they believe that network members support their relationship Additional topics discussed include how this social context model is applicable to different types of relationships how participants interact with network members how social networks are involved in the deterioration of personal relationships and what drives change in relationships Students researchers and professionals in a wide variety of disciplines such as communication psychology sociology anthropology family studies clinical psychology public health nursing education and social work will find this book useful as will anyone seeking to better understand their own personal relationships

Knowledge Structures in Close Relationships

Garth J. O. Fletcher, Julie Fitness, 1996 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company

Interpersonal Relationships and the Self-Concept Brent A. Mattingly, Kevin P. McIntyre, Gary W. Lewandowski, Jr., 2020-05-20 This volume provides an overview of the theoretical and empirical work on relationship induced self concept change that has occurred over the last 10 15 years The chapters in this volume discuss the foundations of relationship self change how and when it occurs how it influences relationship decisions and behavior and how it informs and modifies subsequent knowledge structures all examined over the course of the relationship cycle i e initiation maintenance and dissolution Additionally this volume identifies novel applications and extensions of the relationship self change literature including applications to health and behavior intergroup relations and the workplace Among the topics discussed Self disclosure in the acquaintance process Commitment readiness Bolstering attachment security through close relationships Self concept clarity and self change The role of social support in promoting self development Relationship dissolution and self concept change Intergroup and sociocultural factors of self expansion Self concept change at work Measurement of relationship induced self concept change **Interpersonal Relationships and the Self Concept** serves both as a comprehensive overview of the existing empirical research as well as a roadmap for future research on self change including a discussion of emerging theoretical frameworks It will interest researchers focusing on romantic relationships self and identity and the intersection of self and relationships spanning the disciplines of psychology sociology communication and family studies

The Cambridge Handbook of Personal Relationships Anita L. Vangelisti, Daniel Perlman, 2018-06-21 With the field of personal relationships having grown dramatically in the past quarter century The Cambridge Handbook of Personal Relationships Second Edition serves as a benchmark of the current state of scholarship synthesizing the extant theoretical and empirical literature tracing its historical roots and making recommendations for future directions Written by internationally known experts from key disciplines the Handbook addresses both fundamental questions and cutting edge concerns This second edition has been thoroughly updated to reflect recent developments in analytical techniques shifts in theoretical emphases and an increased attention to social processes New chapters include the Neuroscience of Salutary Close Relationships Self Disclosure in Relationships Acceptance Rejection and the Quest for Relational Value Relationships and Physical Health Personal Relationships and Technology in the Digital Age and Promoting Healthy Relationships This compendium of state of the art research and theory on personal relationships will be of great value to researchers graduate students and practitioners

The Psychology of Interpersonal Relationships Ellen S. Berscheid, Pamela C. Regan, 2016-01-08 This textbook provides an integrated and organized foundation for students seeking a brief but comprehensive introduction to the field of relationship science It emphasizes the relationship field s intellectual themes roots and milestones discusses its key constructs and their conceptualizations describes its methodologies and classic studies and most important presents the theories that have guided relationship scholars and produced the field s major research themes

Human Relationships Steve Duck,1986 While most introductory social psychology textbooks do an excellent job of outlining the field and presenting current research they often seem to be unrelated to real life because they undervalue the substructure of social behaviour our relationships with other people The intention of this unique book is to make the study of social psychology a living reflection of students everyday experiences through the study of relationships Human Relationships will not supplant the instructor s chosen introductory text but will instead supplement it to give students an exciting glimpse into the psychology of their own lives Professor Duck who has played a major international role in the establishment of the new science of personal relationships skilfully interweaves current research on interpersonal emotions with traditional social psychology topics to demonstrate conclusively that relationships form the basis for our mental and physical well being Thus the book offers information to students about key areas of research in the field while asking them to relate it to their own lives and showing them its subtle interconnections with other areas of social psychology Chapters introduce questions frequently asked by undergraduates such as why some people are lonely or shy what is jealousy how do people fall in and out of love why some children are unpopular how children are affected by their parents divorce In addition the book includes sections on sociolinguistics and the role of speech styles in social behaviour non verbal communication social skills physician patient relationships the social psychology of death and bereavement social anxiety and the repair of deteriorating relationships Human Relationships gives strong teaching support to instructors by encouraging students to consider familiar emotions and experiences analytically and to interpret them through research An appendix contains library and research skills instruction thought exercises practical exercises and suggestions for further research Steve Duck has not only written a book that will stimulate and supplement students interest in social psychology but has also added the definitive text on personal relationships to the professional psychologist s library

Handbook of Personal Relationships Steve Duck,1997 As the field of social relationships has grown enormously this edition has been revised to include a new section on family relationships focusing on the central truth that the dynamics of personal relationships are a key basis of social life

Power in Close Relationships Christopher R. Agnew,Jennifer J. Harman,2019-02-28 An outline of how power an inherent feature of social interactions operates and affects close relationships

Close Relationships Patricia Noller,Judith A. Feeney,2013-05-13 Close Relationships Functions Forms and Processes provides an overview of current theory and research in the area of close relationships written by internationally renowned scholars whose work is at the cutting edge of research in the field The volume consists of three sections introductory issues types of relationships and relationship processes In the first section there is an exploration of the functions and benefits of close relationships the diversity of methodologies used to study them and the changing social context in which close relationships are embedded A second section examines the various types of close relationships including family bonds and friendships The third section focuses on key relationship processes including attachment intimacy sexuality and conflict This book is designed to be an essential resource for senior

undergraduate and postgraduate students researchers and practitioners and will be suitable as a resource in advanced courses dealing with the social psychology of close relationships Understanding Research in Personal Relationships
William Dragon, Steve Duck, 2005-05 This is a comprehensive introduction to the key readings on human and close relationships Organized into twelve thematic chapters with editorial commentary throughout the book offers a critical reading of the major research articles in the field of relationship studies published in the last few years *Close Relationships*
Harry T. Reis, Caryl E. Rusbult, 2004-08-02 Each of the chapters in this reader is written by leading scholars in the area of relationships reflecting the diversity of the field and including both contemporary and key historical papers for comprehensive coverage of research

Social Psychology Of Personal Relationships Introduction

In today's digital age, the availability of Social Psychology Of Personal Relationships books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Psychology Of Personal Relationships books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Psychology Of Personal Relationships books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Psychology Of Personal Relationships versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Psychology Of Personal Relationships books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Psychology Of Personal Relationships books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Psychology Of Personal Relationships books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Psychology Of Personal Relationships books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Psychology Of Personal Relationships books and manuals for download and embark on your journey of knowledge?
