Social Science Reference Sources A Practical Guide:

Social Science Reference Sources Tze-chung Li, 2000-04-30 Cultural Anthropology Business Economics Education Geography History Law Political Science Psychology Sociology Social Science Reference Sources Tze-chung Li, 1990 The second edition of this guide to basic reference sources in the social sciences contains nearly three times as many entries 2 200 as the earlier edition and also includes several other notable enhancements In addition to revising and substantially enlarging the chapters on reference sources Li has further increased the usefulness of this reference volume by adding a chapter on geography and one on business that is distinct from economics Since the publication of the first edition there have been two obvious developments in information storage and retrieval the rapid development of online databases and the development of CD ROM Instead of devoting a separate chapter to these developments the book incorporates online databases CD ROM and other forms of data sources into the text In addition there is a brief introduction to these developments Although the general deadline for inclusion in the volume was December 1988 quite a few titles published in 1989 are included Social Science Reference Sources Tze-chung Li, 2000 **Information Sources in the Social Sciences** David Fisher, Sandra Price, Terry Hanstock, 2018-02-19 No detailed description available for Information Sources in the Social Sciences **Social Science Reference Services** Pam M. Baxter, 1995 This new book addresses reference services across the spectrum of the social sciences Chapters embrace a multidisciplinary approach to providing both materials and services to users and stress the variety of information formats available through a bewildering array of delivery mechanisms from an astounding number of sources Among the topics address are challenges of the automated environment dissertation development improving the handling of business reference queries user education bibliographic instruction data files for social research strategies for locating information on environmental public policy reference literature on the European Community and using economic statistics from the federal government *Using the Agricultural, Environmental, and Food Literature* Barbara S. Hutchinson, Antoinette Paris-Greider, 2002-07-17 This reference provides the groundwork tools and terminology required when conducting specialized searches for information and resources pertaining to traditional and emerging fields of agriculture The editors present 16 contributions from librarians and other information workers that offer information on research resources across the academic a Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major

bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

Introduction To Library Research In Anthropology John M. Weeks, 2019-04-11 This book is an introduction to library research in anthropology written primarily for the undergraduate student about to begin a research project It contains a summary description of the type of resource being discussed and its potential use in a research project

The Bedford Researcher with 2009 MLA and 2010 APA Updates Mike Palmquist, 2010-03-31 Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates Tech savvy and student friendly The Bedford Researcher addresses the kinds of writing students actually do and the kinds of sources they actually use It follows real student writers from their initial research questions all the way to designing their final essays integrating electronic sources and tools into each stage of the process Clearly organized and readable The Bedford Researcher strips away the complexities of research writing and empowers students to write with confidence

Research Guides to the Humanities, Social Sciences, Sciences, and Technology Martin Howard Sable, 1986

[Social Work Research and Evaluation](#) Richard M. Grinnell, Jr., Yvonne A. Unrau, 2010-08-26 Over thirty years of input from instructors and students have gone into this popular research methods text resulting in a refined ninth edition that is easier to read understand and apply than ever before Using unintimidating language and real world examples it introduces students to the key concepts of evidence based practice that they will use throughout their professional careers It emphasizes both quantitative and qualitative approaches to research data collection methods and data analysis providing students with the tools they need to become evidence based practitioners

[Selecting Materials for Library Collections](#) Linda S Katz, 2012-12-06 Strategies and tools to help you plan build and maintain your library collection Selecting Materials for Library Collections takes you step by step through the process of planning building and maintaining a quality library collection This up to date guide addresses the interests and concerns of academic and public libraries with expert advice on budgets policies and planning The book examines print non print and Internet selection resources including the OCLC WorldCat Database and ACQNET L You ll find valuable information you can apply right away to help you keep any collection relevant and up to date Selecting Materials for Library Collections provides the tools you need to keep your library collection current Seasoned experts share their thoughts on how to analyze your users expectations and then provide them with the materials they need The contributors also examine the selection aids that they use in their own acquisitions work and then look at how to achieve a balanced collection that efficiently serves their clients needs Supplementary reading lists and extensive bibliographies provide you with additional resources Selecting Materials for Library Collections presents the latest information on using print non print and Internet selection resources such as OCLC WorldCat database and ACQNET L initial collection assessment and decision making

collection tool evaluations acquiring international core titles the New Thought movement approval plans set up maintenance and evaluation the newest technology for media selection specialized library collections in music art business economics health sports leisure and more The Social Sciences Nancy L. Herron,1996 With 1 030 annotated citations arranged by discipline this carefully structured guide offers researchers fast and easy access to some of the best and most commonly used resources This book has 1 030 annotated citations arranged by discipline into 12 chapters general social sciences political science economics business history law and legal issues anthropology sociology education psychology geography and communication The sections on electronic resources in each chapter have been greatly expanded and there are more area studies sources providing users with an introduction to new technologies and formats related to the research of social sciences Prepared by practicing librarians this carefully structured guide offers researchers fast and easy access to some of the best and most commonly used resources in the social science literature It also serves as well as a teaching text for students wanting a clear straightforward approach to learning about the most popular and important reference sources in the social sciences The Psychologist's Companion Robert J. Sternberg,Karin Sternberg,2010-09-30 The Psychologist s Companion is intended for students as well as young professionals and writers at all stages of their careers seeking inspiration and guidelines for better scientific writing This book is also a resource for researchers in related fields It has been comprehensively updated revised and extended for its fifth edition and includes the latest style guidelines of the American Psychological Association s Publication Manual sixth edition 2009 as well as chapters encompassing the entire research process from doing literature research and planning an experiment to writing the paper It features new chapters on literature research ethics and generating evaluating and selling ideas The Psychologist s Companion also provides information on writing book proposals grant proposals and lectures **Writing Skills for Social Workers** Karen Healy,Joan Mulholland,2007-02-26 This work provides some tools for sharpening thinking writing and practice It is a readable accessible and highly relevant text suitable for all social workers Professional Social Work This book will become a key reference text for many social workers both while studying and as established professionals A well thumbed text on the bookshelf Janice West Glasgow Caledonian University Social workers are required to communicate in writing for a range of purposes and to write effectively for a range of audiences such as clients team members magistrates and policy makers Writing Skills for Social Workers aims to raise the profile of writing skills in social work practice and to enhance social workers written communication skills The book adopts a logical progression and each chapter identifies and contextualises the practical skills needed at specific points in training and practice Overall it will encourage the development of writing skills and techniques which will stand the reader in good stead throughout their professional career Key features of the book include training in core professional writing tasks particularly case notes report and proposal writing guidance in advanced writing skills such as writing literature reviews journal articles conference papers and funding applications a discussion of

ethical issues and values including client confidentiality privacy and empowerment advice on using these skills to contribute to the formal knowledge base of social work through the publication of research By adopting a practical approach the authors have included a number of pedagogical features such as reflective exercises writing tips for specific tasks and guidelines for further reading This engaging book satisfies statutory requirements for training and continuing professional development It will therefore be an essential study guide for all students practitioners and managers in social work settings

Health Sciences Literature Review Made Easy Judith Garrard,2011 Health Sciences Literature Review Made Easy helps students and practitioners better understand scientific literature by instilling the essential skills via the matrix method needed to critically evaluate article findings the fundamental principles of searching organizing reviewing and synthesizing are covered at the most basic level Visual examples and a single case study are woven throughout the text This easy to read and practical reference is an invaluable aid to students researchers and practitioners the Third Edition has been completely revised and updated to reflect the switch Current Catalog National Library of Medicine (U.S.),1992 First multi year cumulation covers six years 1965 70 **Annals of the American Academy of Political and Social Science** ,1921 *The Bedford Researcher* Mike Palmquist,2011-09-13 A survival guide that offers practical help for academic research writing **Resources in Education** ,1998
