

# SOCIAL INSTITUTIONS

Social institutions are the systems within a society that govern human interaction and shape norms, values, and behaviors.

## OVERVIEW

Social institutions encompass a wide range of domains, such as family, education, religion, economy, government, and healthcare. They serve essential functions, including socialization, regulation, resource allocation, and the maintenance of social order. They provide frameworks for individuals to navigate and understand their roles, rights, and responsibilities within society.

## EXAMPLES

- **The Family:** The family provides a framework for procreation, child-rearing, socialization, and the transmission of cultural values.
- **Educational Institutions:** Education plays a crucial role in preparing individuals for societal roles, imparting values, and fostering social mobility.
