

Social Work With Older People

Jim Ife

Social Work With Older People:

Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

Approaches To Person-Centred Practice Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research

Social Work Practice with Older People Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University

Social Work, Social Policy and Older People Robert Johns, 2011-01-04 It is essential for social work students to know about social policy to know why studying social policy is important in the social work degree and to understand how social policy when implemented has a real impact on the everyday life of vulnerable people This book provides plenty of examples of this impact tracing the development of welfare provision for older people right through the twentieth century leading up to an analysis of contemporary developments which students will need to know about in order to practice effectively

Social Group Work with Older People, 1963

Social Workers' Desk Reference Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the

daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice Social Work With Adults Koubel, Georgina,2013-06-01 A definitive textbook on adult services bringing the topic alive for students with a perspective and depth of understanding **Theory & Practice in Clinical Social Work** Jerrold R. Brandell,2010-02-16 Today s clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever widening domain of responsibility to overcome them Theory and Practice in Clinical Social Work is the authoritative handbook for social work clinicians and graduate social work students that keeps pace with rapid social changes and presents carefully devised methods models and techniques for responding to the needs of an increasingly diverse clientele Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories psychoanalytic theory and neurobiological theory the book goes on to present the major social crises problems and new populations the social work clinician confronts each day Theory and Practice in Clinical Social Work includes 29 original chapters many with carefully crafted and detailed clinical illustrations by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations Collectively these leading authors have treated nearly every conceivable clinical population in virtually every practice context using a full array of treatment approaches and modalities Included in this volume are chapters on practice with adults and children clinical social work with adolescents family therapy and children s treatment groups other chapters focus on social work with communities affected by disasters and terrorism clinical case management cross cultural clinical practice psychopharmacology practice with older adults and mourning and loss The extraordinary breadth of coverage will make this book an essential source of information for students in advanced practice courses and practicing social workers alike

Social Work Practice in Africa M. Twikirize,Helmut Spitzer,2019-01-10 The importance of integrating indigenous knowledge systems into mainstream social work and ensuring context specific culturally relevant practice has long been emphasised in Africa and the Global South This book based on empirical research presents a selection of indigenous and innovative models and approaches of problem solving that will inspire social work practice and education At the core of these models lies a conceptual understanding of the community as the overarching principle for effective social work and social development in African contexts The empirical part of the book has a focus on East Africa and highlights case examples from Rwanda Tanzania Uganda Burundi and Kenya The book is intended for use by those involved in social work and social development practice social work educators students as well as policy makers It is relevant not just for audiences in Africa but also the global social work community especially those interested in promoting culturally relevant social work

Countering Discrimination in Social Work Bogdan Lesnik,2017-07-05 Discrimination Isn t there enough talk about discrimination Yes indeed That is why we have to begin countering discrimination We need strategies that will make it inoperative or at least limit its scope But first we need to think how discrimination works and identify it where it works It

concerns far more than mere procedural hitches for which a few legal provisions will do Countering Discrimination Volume 1998 of International Perspectives in Social Work yearbook brings papers that analyse mechanisms of social discrimination in a variety of such locations and bring proposals for counter strategies This is essential in social work if causes rather than manifestations of the problems it is concerned with are to be addressed But it is also essential that everybody who opposes discrimination recognise its subtle and dispersed ways of operation in the human services regardless of their own basic field of work In this respect the book will be useful to a very wide audience Social Work Vivienne E. Cree, Ann Davis, 2007-01-24 Social Work Voices from the Inside offers unique insight into social work from the perspectives of those on the inside that is service users carers and practitioners Drawing on a narrative tradition fifty nine people from across the UK tell their stories about how and why social work came into their lives and what happened next Key topics are discussed including children and family social work criminal justice social work mental health social work residential child care social work with disabled people social work with older people lessons for the future Focusing on issues for good practice in social work and social work education this book is essential reading for students and academics of social work and social policy It will also appeal to social work professionals and those in allied health education and care areas *Human Rights and Social Work* Jim Ife, 2001-08-02 This book argues that incorporating the idea of three generations of human rights allows us to move beyond the limitations of conventional legal frameworks It examines current human rights issues and shows how a broader understanding of human rights can be used to ground a form of practice that is central to social work community development and broader human services The argument extends the idea of human rights beyond the realm of theoretical analysis and into the arena of professional practice and social action using a critical theory perspective This is set within the context of current debates about globalisation and the need to incorporate an internationalist viewpoint into all social work practice This insightful new international study adds a vital new perspective to the challenge of promoting international human rights **Social Work with People with Learning Difficulties** Paul Williams, 2009-04-17 Current practice in the field is driven by the government White Paper Valuing People 2001 which declared radical aims for services for people with learning difficulties This fully revised second edition includes key updates on this White Paper and provides an up to date evaluation of the progress made towards those aims Using case studies activities and further reading to reinforce learning this book explores an important area of social work practice and examines the varied roles social workers might undertake including the achievements and satisfaction of working with service users with learning difficulties and challenges

Critical Gerontology for Social Workers Sandra Torres, Sarah Donnelly, 2022-04-01 This original collection explores how critical gerontology can make sense of old age inequalities to inform and improve social work research policy and practice and empower older people With examples of practice facing research this book engages with key debates on age related human rights and social justice issues The critical and conceptual focus will expand the horizons of those who work

with older people addressing the current challenges issues and opportunities that they face **Rural Social Work in the UK** Colin Turbett, Jane Pye, 2024-04-30 This book draws together writers from various backgrounds to discuss issues that affect those working in rural social work settings on themes ranging from current issues that are common to rural localities including those arising from the Covid 19 pandemic to future challenges Common themes that run through all the chapters and hold them together include community and place stigma and alienation inequality and social justice and the environment Several of the chapters include a strong user voice and challenge cis heteronormative and other stereotypes of rural life by celebrating diversity in these communities The book will therefore be invaluable to rural practitioners students studying to work in rural settings and their educators as well as rural sociologists and policy makers **Sexuality and Social Work** Julie Bywater, Rhiannon Jones, 2007-10-08 Sexuality remains a neglected and largely taboo area within practice but it can be a demanding aspect of social work Social workers may be familiar with the importance of issues such as racism and ethnicity but sexuality is also a very significant part of people's lives closest relationships and sense of identity This valuable resource introduces the topic using a combination of perspectives to consider sexual diversity and examining related issues across the life course including sexual orientation disability HIV sexual abuse mental health and sexual exploitation Sociology for Social Workers Anne Llewellyn, Lorraine Agu, David Mercer, 2008-07-08 How can sociology contribute to positive social work practice This introductory textbook uses pedagogical features such as chapter summaries numerous examples a glossary activities and annotated further reading **Safeguarding in Social Work Practice** Charlotte Chisnell, Caroline Kelly, 2019-03-11 This book brings together common safeguarding themes and knowledge across social work with children young people and adults to help social workers understand safeguarding across different contexts and age groups **Doing Relationship-Based Social Work** Mary McColgan, Cheryl McMullin, 2017-03-21 Highly practical and research informed this book describes a new model for implementing relationship based principles in social work practice
