Cultural Forms and Practices in Northeast India Kailash C. Baral,2023-05-16 The present book examines cultural diversities of Northeast India The sixteen essays included in the volume cover various aspects of cultural forms and their practices among the communities of Northeast The present volume is expected to serve as a bridge between vanishing cultural forms and their commodification on the one hand and their cultural ritual origins evolution and significance in identity formation on the other The book analyses continuity of cultural forms their representations and often their reinventions under globalisation Further the book underlines historical forces such as colonialism and religious conversion that have transformed communities and their cultural practices Yet some of the pre colonial ritual performative traditions hold on Through insightful analyses this book offers an informed view of the region s historical ethnic and cultural practices It is expected that the volume will be useful for scholars and students interested in Northeast studies

Becoming Assamese Madhumita Sengupta,2016-05-12 This book explores the making of colonial Northeast India and offers a new perspective to the study of the Assamese identity in the nineteenth century as a distinctly nineteenth century cultural phenomenon not confined to linguistic parameters alone It studies crucial markers of the self history customs food dress new religious beliefs and symbols considered desirable by the

provincial middle class and the way these fitted in with the latter's nationalist subjectivities in the face of an emphatic Bengali cultural nationalism. The author shows how colonialism was intrinsically linked to the assertion of middle class intelligentsia in the region and was instrumental in eroding the essential malleability of societal processes nurtured by the Ahom state. Rich with fresh research data, this book will be useful to scholars and researchers of history, political science, area studies and to anyone interested in understanding Northeast India. **The Quarterly Review of Historical Studies**, 1993

Colonial Globalization and its Effects on South Asia Ashfaq Hossain, 2022-08-25. This book investigates the concept of colonial globalization to show how knowledge, information, technology, capital and labour have the potential to move freely across the world. It studies the experience of globalization from below rather than from the perspective of the British imperial centre. Focusing on the impact of colonial globalization on the people of Sylhet, East Bengal and Assam, the volume seeks to analyse the global as a process in constant negotiation with the local. It discusses various issues such as the opening of the hills of Sylhet and Assam for tea plantation, the involvement of local entrepreneurs with overseas planters in the global tea industry, the phenomenon of regional labour migration into eastern India and Sylheti seamen and their involvement in the merchant marine. The author also highlights the contribution of peasants, labourers and women in the independence movement and the irreversible changes that they brought about. A unique contribution to the study of colonial globalisation, this volume will be indispensable for students and researchers of colonial history, modern Indian history, Northeast India, border studies, globalization, political economy, minority studies, globalization studies, third world studies, colonialism and postcolonialism and South Asian studies. **Multidisciplinary Research Area in Arts, Science & Commerce (Volume-8)**

Chief Editor- Biplab Auddya, Editor- Manami Bhadra, Dr. Ruqia Hashmi, Dr. G. Chandrasekaran, Mulay Atul Ramesh Rao, Dr. V. Vishnu Prasad, Dr. Prakash H S, 2025-09-11. *Nineteenth-Century Colonialism and the Great Indian Revolt* Amit Kumar Gupta, 2015-10-05. This book examines the ruptured characteristics of colonialism in nineteenth century India. It connects the British East India Company's efforts at the bourgeoisisation of India with the Revolt of 1857. The volume shows how the mutiny of Indian sepoys in the British Indian army became a popular uprising of peasants, artisans and discontented aristocrats against the British. Tracing the rationale and consequences of this conflict, the monograph highlights how newly introduced political, economic and agrarian policies as part of industrial Britain's colonial policy wreaked havoc, resulting in high land revenue assessment and its harsh mode of collection, rural indebtedness, steady immiseration of peasants, widespread land alienation, destitution and suicide. Using rare archival sources, this book will be an important intervention in the study of nineteenth century India and will deeply interest scholars and researchers of modern Indian history and politics. **The Muslim Question in Assam and Northeast India** Monoj Kumar Nath, 2021-03-30. This book presents a systematic study of the transformation of the specific socio-political identity of the Muslims in Assam. It discusses the issues of Muslims under India's indigenous secularism, Hindu nationalism and the rise of majoritarian politics. Muslim

immigration into Assam after Independence the Assam Movement and the shift of Muslims from being a vote bank to an autonomous force in the post Partition politics of Assam the role of Jamiat and the divide between Assamese and the neo Assamese It explores the history and contemporary politics of the state to show how they shape the new context of Muslim identity in Assam where previously an Assamese identity often prevailed over religious and linguistic identity With the current debates on illegal immigration the National Register of Citizens of India NRC and the Citizenship Amendment Act 2019 this book will be a timely addition to the existing literature on Muslim minority politics in Assam and northeast India This book will be useful to scholars and researchers of political science sociology political sociology minority studies northeast India studies demography and immigration studies and development studies It will interest those concerned with minority politics communal politics identity politics migration citizenship issues and South Asian studies **Accessions**

List, South Asia Library of Congress. Library of Congress Office, New Delhi,1996 **Sikhs in the Deccan and North-East India** Birinder Pal Singh,2018-01-12 This book is a major intervention in the understanding of the dynamics of internal migration in South Asia It traces the historical roots of certain migrant Sikh communities to the south and north east India chronicles their social religious and economic practices and examines peculiar identity formations This first of its kind empirical study examines the socio economic conditions of Sikhs in the Deccan and the North East who are believed to be the descendants of the soldiers in Maharaja Ranjit Singh s army despatched to the two regions in the early nineteenth century It draws on extensive ethnographic accounts to present the social realities of the different communities including language religion culture occupation caste marriage and kinship and agency It also questions the idea of Sikh homogeneity that many within the community have come to believe in while revealing both differences and similarities The book will be of great interest to scholars and researchers of sociology and social anthropology migration and diaspora studies religion especially Sikh studies cultural studies as well as the Sikh diaspora worldwide *North-East India: The Horizon Of Anthropology* K.C. Culture of Crisis and Extinction Kim Thu Le,2024-10-14 Culture of Crisis and Extinction Idealism and Ideology

Expressed in Arts and Architectural Forms explores the mythology of cultures in crisis tracing the symptoms that lead to their destruction and eventual extinction Through a comprehensive range of research methods and strategies tailored to each fieldwork project this book investigates cultural phenomena across various environments It uncovers significant historical meanings that are often hidden or absent from mainstream publications By analyzing cultural transitions through economic political and ethnic lenses across Europe and Asia the book provides an in depth examination of collective action and the root causes of cultural crises Spanning six chapters it identifies the myths surrounding cultural conflicts and crises of extinction challenging the assumption that poverty and suffering are definitive indicators of such crises Instead it presents cultural extinction as a gradual process stemming from a culture's failure to adapt to its changing environment The book considers how injustice economic misalignment and systemic inequalities such as unnecessary poverty illness and religious discrimination contribute to cultural collapse When these injustices become ingrained within a society's institutions the eventual disappearance of the culture becomes inevitable unless transformative change is initiated Nationalist Upsurge in Assam ,2000 Contributed articles focussing on the role of Assam in the Indian freedom movement from 1857 1947
