Sociological Traditions From Generation To Generation Glimpses Of The American Experience

Carlo Mongardini

Sociological Traditions From Generation To Generation Glimpses Of The American Experience:

Sociological Traditions From Generation to Generation Robert King Merton, Matilda White Riley, 1980 This book provides insight into the lives and contributions of eight master sociologists as perceived by their outstanding students. It provides perspectives on evolving cognitive traditions and the oral transmission of knowledge, the emergence of new ideas, the role of continuity and discontinuity in the developments of science and the relations of these to social change.

Autobiographies of Transformation Mike Keen, Janusz Mucha, 2013-05-24 Autobiographies of Transformation is a completely unique history of sociology in Central and Eastern Europe in the post Communist era. Through the autobiographies of ten key sociological witnesses from the region, the sociological imagination is turned upon itself, resulting in a compelling and revealing account of the struggles, triumphs, and continuing challenges faced. The sociologists examined fall into three cohorts: early, mid, and late career. As participants, each of the sociologists included has witnessed the intersection of history and biography in Central and Eastern Europe. As sociologists, they have tried and continue to try to connect the two so that they and their fellow citizens may better understand their circumstances and the futures that may follow. This revealing book, ideal for students and researchers of sociology and Central and Eastern Europe studies, provides powerful and compelling autobiographical accounts relating them to the current interest in this area's transformation.

The Anthem Companion to Robert K. Merton Charles Crothers, Lorenzo Sabetta, 2022-09-13 Robert K. Merton's sociological work spans several decades: 1920s childhood, 1930s anomie, science, unanticipated, 1940s housing studies, mass communications, structural functional analysis, professions, focus groups, 1950s reference groups, 1960s ambivalence, and later decades structural analysis, sociological semantics, cultural sociology. He particularly contributed to sociology during a period when several specialties were being set up, and yet his work spans both general and specialist sociologies. He is recognized as the father of anomie, strain theory, focus groups, sociology of science, role set theory, analytical sociology, structural functional analysis, ambivalence studies, and sociological semantics, but always endeavoured to keep the multifarious threads of sociology together. Merton stood at the junction of many other crossroads: classical and modern sociology, American and European sociology, theory and research, philosophy of social science and applied sociology, pure academic sociology and applied sociology, cognitive and social sciences and humanities, social sciences and science. Yet the different components of RKM's work relate to each other. RKM had a major effect on the baby boomer generation of sociology who joined the ranks of sociology at a time of great expansion of university positions across many developed countries. Other generations of sociologists so far less exposed to his work should gain much from consideration of the essays in this volume.

Max Weber Alan Sica, 2017-09-08 The most profound and enduring social theorist of sociology's classical period, Max Weber speaks as cogently to concerns of the new century as he did to those of the past. In *Max Weber and the New Century*, Alan Sica demonstrated Weber's preeminent position and lasting vitality within social theory by applying his ideas to a broad range of topics of contemporary concern. Max

Weber A Comprehensive Bibliography is a companion volume that offers some 4 600 bibliographic listings of work on Weber making it the most complete guide to the literature in English and a testament to the continued vitality of Weber's thought. Sica's work supersedes all previous bibliographical efforts covering the Weber literature both in the quantity and accuracy of its references and the clarity and convenience of its format. In order to demonstrate the enormous variety of Weberiana in English Sica has adopted a liberal criterion for inclusion rather than a critical one choosing to mix the best with what may be more routine work. Following a preface in which previous bibliographies and bibliographic problems are discussed the volume opens with a series of five specialized bibliographies. The first lists Weber's works in English translation. The second lists reviews of Weber's major works including those translated into English while the third covers reviews of recent books and other work on Weber. The fourth section contains a selection of dissertations and theses relating to Weber or his ideas. The fifth includes primary and secondary sources treating Weber on rationality and rationalization processes. The last and largest section offers a comprehensive Weber bibliography of works in English. This large scale endeavor attempts to identify with accuracy and completeness the entire universe of Weber scholarship in English. It will be an essential scholarly tool for sociologists historians economists and students of cultural and intellectual history. **Weber** Kieran Allen, 2017-09-20

Max Weber is one of the founding fathers of sociology. He is often referred to as a sophisticated value free sociologist. This new critical introduction argues that Weber's sociology cannot be divorced from his political standpoint. Weber saw himself as a class conscious bourgeois and his sociology reflects this outlook. Providing clear summaries of Weber's ideas concentrating on the themes most often encountered on sociology courses Kieran Allen provides a lively introduction to this key thinker. Kieran Allen explores Weber's political background through his life and his writing. Weber was a neo liberal who thought that the market guaranteed efficiency and rationality. He was an advocate of empire. He supported the carnage of WW1 and vehemently attacked German socialists such as Rosa Luxemburg. Weber's most famous book The Protestant Ethic and the Spirit of Capitalism ignores the bloody legacy associated with the early accumulation of capital. Instead he locates the origins of the system in a new rigorous morality. Using a political framework Kieran Allen's book is ideal for students who want to develop a critical approach. The Search for a Method David E. Morrison, 1998

Morrison argues that focus groups are overused and cannot deliver what is often claimed. The study compares the organisation of knowledge within a university setting and in market research. **The Beginnings of Communication Study in America** Wilbur Schramm, 1997-02-12

Considered by most to be the founder of the field of communication studies Wilbur Schramm could not be more qualified to write The Beginnings of Communication Study in America. This momentous new work acknowledges the seminal contributions of four inspirational scientists whose theories and methods were the foundation for the discipline called communication. Harold D Lasswell Paul F Lazarsfeld Kurt Lewin and Carl I Hovland. This final collection of Wilbur Schramm's perspective in its unfinished form contains many of his personal insights on the field of communication. The editors have

supplemented this volume posthumously by providing a chapter that completes the story of how communication study spread among U S Universities and also contains an exceptional account of the story of Schramm himself as the founder of communication and the widespread agreement on his preeminence The Beginnings of Communication Study in America will fulfill a great need for students and researchers in mass communication communication theory and speech who are interested on the origins and history of communication study and the significance of Wilbur Schramm s work Publisher description Encyclopedia of Radio 3-Volume Set Christopher H. Sterling,2004-03-01 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **Conceptions of Institutions and the Theory of Knowledge: 2nd Ed.** Stanley Taylor,1989-01-01 This classic study is concerned with the impact of the sociology of knowledge on the classical theory of knowledge First issued in a limited edition in 1956 the book has since attracted what can only be termed a cult following In his own quite original way Taylor considers knowledge as a product of group life in an institutional and cultural context In his emphasis on the sociological rather than the psychological or individual he reveals a sharp break with the empiricist and rationalist traditions of epistemology as such This makes the work path breaking Taylor maintains that the sociology of knowledge began its career as a simple distrust of exact knowledge that betrayed its social origins But the field is now at a point at which as a discipline it is in charge of the systematic formulation of the pervasive features of a culture The growth of symbolism relativism and institution building as such has transformed the study of knowledge itself In this insight he anticipates the development of knowledge as an area of study unto itself apart from the information or ideology underlying claims to knowledge This edition includes three newly discovered essays by Taylor on the sociology of art the role of choice in human life and the connection between history and the written word The essays complete his lifelong search for the institutional frames of ideological belief Taylor whose career began as a teacher of sociology at the University of Texas and Dubuque University takes up in systematic order the history of philosophical disputations on knowledge moving from individualism positivism and historical relativism He goes beyond criticism into a view of the concept as an organizing principle of action and as a statement of propositions of how the world can be examined in future states **The History of Media and Communication Research** David W. Park,Jefferson Pooley,2008 Strictly speaking James Carey wrote there is no history of mass communication research This volume is a long overdue response to Carey s comment about the field s ignorance of its own past The collection includes essays of historiographical self scrutiny as well as new histories that trace the field s institutional evolution and cross pollination with

other academic disciplines The volume treats the remembered past of mass communication research as crucial terrain where boundaries are marked off and futures plotted The collection intended for scholars and advanced graduate students is an essential compass for the field

Talcott Parsons Today A. Javier Treviño, 2001 These ten essays reassess and continue Parson s work in sociology weighing in on the controversies which continue to surround his thought Topics include scientific paradigms and organizational culture Weber s influence complexity theory functionalism generalized symbolic media the social community and normative dilemmas Contributors include scholars of sociology communications and behavioral science from the North America Europe and Australia c Book News Inc

A Second Chicago School? Gary Alan Fine, 1995-09 From 1945 to about 1960 the University of Chicago was home to a group of faculty and graduate students whose work has come to define what many call a second Chicago School of sociology Like its predecessor earlier in the century the postwar department was again the center for qualitative social research on everything from mapping the nuances of human behavior in small groups to seeking solutions to problems of race crime and poverty Howard Becker Joseph Gusfield Herbert Blumer David Riesman Erving Goffman and others created a large enduring body of work In this book leading sociologists critically confront this legacy The eight original chapters survey the issues that defined the department s agenda the focus on deviance race and ethnic relations urban life and collective behavior the renewal of participant observation as a method and the refinement of symbolic interaction as a guiding theory and the professional and institutional factors that shaped this generation including the leadership of Louis Wirth and Everett C Hughes the role of women and the competition for national influence Chicago sociology faced from survey research at Columbia and grand theory at Harvard The contributors also discuss the internal conflicts that call into question the very idea of a unified school

Taking Society's Measure Herbert Hyman, 1991-03-21 How are we as members of a society informed of conditions that affect our social welfare How does the government register the impact of its actions on its citizens The turbulent 1930s saw the emergence of sample survey research as an increasingly valuable technique of social inquiry Perhaps no one championed this nascent discipline as vigorously as Herbert Hyman one of those pioneering investigators whose talents were so closely associated with the rapid growth of survey research that their professional careers and reputations became virtually indistinguishable from the field itself Hyman s personal account is a remarkable contribution to the history and sociology of social research His experiences with the U S Department of Agriculture the Office of War Information the U S Bombing Surveys of Germany and Japan the National Opinion Research Center and the Bureau of Applied Social Research are all documented with fascinating insight into the critical events and prominent individuals that shaped the field of survey research between the late 1930s and the late 1950s

Europe's New Scientific Elite Barbara Hoenig, 2017-04-21 Winner of the Harald Kaufmann Prize for Senior Researchers 2018 This book examines the question of whether the process of European integration in research funding has led to new forms of oligarchization and elite formation in the European Research Area Based on a study of the European

Research Council ERC the author investigates profound structural change in the social organization of science as the ERC intervenes in public science systems that until now have largely been organized at the national level Against the background of an emerging new science policy Europe's New Scientific Elite explores the social mechanisms that generate reproduce and modify existing dynamics of stratification and oligarchization in science shedding light on the strong normative impact of the ERC's funding on problem choice in science the cultural legitimacy and future vision of science and the building of new research councils of national European and global scope A comparative theory driven investigation of European research funding this book will appeal to social scientists with interests in the sociology of knowledge

Sociological Theory, Values, and Sociocultural Change Edward A. Tiryakian, 2017-07-05 This volume brings together some of the biggest names in the field of sociology to celebrate the work of Pitirim A Sorokin professor and founder of the department of sociology at Harvard University Sorokin a past president of the American Sociological Association was a pioneer in many fields of research including sociological theory social philosophy methodology and sociology of science law art and knowledge Edward A Tiryakian's updated introduction examines major factors inside and outside sociology that have led to new appreciation of Sorokin's contributions and scholarship and demonstrates their continued relevance This new edition also includes an updated bibliography of works by and about Sorokin The volume includes Arthur K Davis who describes Sorokin's importance as a teacher in the Socratic tradition Talcott Parsons examines internal differentiation in Christianity in its historical Western development Thomas O Dea deals with the institutionalization of religious values Walter Firey examines how actors relate their conception of a distant future to their present behavior Florence Kluckhohn focuses upon the problem of cultural variations within a social system Robert K Merton and Elinor Barber examine the sociological aspect of ambivalence Bernard Barber considers the American business's efforts to institutionalize professionalism Other contributors include Charles P Loomis Wilbert E Moore Georges Gurvitch Marion J Levy Jr Nicholas S Timasheff Carle Zimmerman and Logan Wilson This volume is an essential collection of essays concerning the work of one of the most prominent thinkers in twentieth century sociology

Sociological Theory, Values, and Sociocultural Change Harriet Martineau, 2017-07-05 This volume brings together some of the biggest names in the field of sociology to celebrate the work of Pitirim A Sorokin professor and founder of the department of sociology at Harvard University Sorokin a past president of the American Sociological Association was a pioneer in many fields of research including sociological theory social philosophy methodology and sociology of science law art and knowledge Edward A Tiryakian's updated introduction examines major factors inside and outside sociology that have led to new appreciation of Sorokin's contributions and scholarship and demonstrates their continued relevance This new edition also includes an updated bibliography of works by and about Sorokin The volume includes Arthur K Davis who describes Sorokin's importance as a teacher in the Socratic tradition Talcott Parsons examines internal differentiation in Christianity in its historical Western development Thomas O Dea deals with the institutionalization of religious values Walter

Firey examines how actors relate their conception of a distant future to their present behavior Florence Kluckhohn focuses upon the problem of cultural variations within a social system Robert K Merton and Elinor Barber examine the sociological aspect of ambivalence Bernard Barber considers the American business s efforts to institutionalize professionalism Other contributors include Charles P Loomis Wilbert E Moore Georges Gurvitch Marion J Levy Jr Nicholas S Timasheff Carle Zimmerman and Logan Wilson This volume is an essential collection of essays concerning the work of one of the most prominent thinkers in twentieth century sociology

Forgotten Founders and Other Neglected Social Theorists

Christopher T. Conner, Nicholas M. Baxter, David R. Dickens, 2019-05-14 This edited volume highlights the work of ten forgotten and neglected social theorists in the hope of reinvigorating interest in their work and their potential contributions to the analysis of contemporary social issues Each chapter includes a brief biographical sketch an overview of the selected theorist s work and significance and the relevance of their work to one or more contemporary social issues While other similar texts tend to focus primarily on intellectual biography our emphasis here is on the scholar s theories and their application to contemporary social issues We provide a contextualization of each scholar s work using present day social issues or problems Many of these individuals played a significant role in the development of sociology Our hope is to provide a resource that will help re integrate these marginalized social theorists rescuing them from obscurity and elevating their status

Robert K. Merton and Contemporary Sociology Carlo Mongardini, 2018-04-17 This volume offers scholars of sociology and allied areas the fruits of an international conference on the contributions of the eminent Robert K Merton The assessment as good in content as well as in participants took place in Amalfi Italy with the participation of Merton himself and under the auspices of the Italian Sociology Association Carlo Mongardini aptly summarizes the unique impact of Merton on the social theory of our century His strength as a classic writer lies in his balance unveiling complexity and in his humanism which looks beyond the apparent simplicity and coherence of social reality A special treat is the final chapter by Merton reviewing Unanticipated Consequences and Kindred Sociological Ideas In it he ranges from the historical antecedents of the concept to his own evolution in the use and expansion of the idea Merton approaches the development of his thought as installments rather than simple evolution and in so doing gives us unique insight into how he built upon his originating notions in the context of social science as it existed in the United States Tensions between integrating scholarship and reaching the general public provide a special insight into Merton that might prove new even to those who know his work well Contributors to this original volume include Volker Meja Nico Stehr Paolo Ammassari Gianni Statera Birgitta Nedelmann Harriet Zuckerman Piotr Sztompka Peter Gerlich Charles Crothers Elena Besozzi and Arnold Zongnerle among others The chapters address the full range of Merton s work with special emphasis on such areas as anomie structural analysis the relationship of theory to research patterns of latent and manifest influence and even the application of Mertonian concepts to the analysis of Merton as a scholar This unusual compendium translated from the Italian will interest social researchers

across the academic spectrum African American Pioneers of Sociology Pierre Saint-Arnaud, 2009-02-07 In African American Pioneers of Sociology Pierre Saint Arnaud examines the lasting contributions that African Americans have made to the field of sociology Arguing that science is anything but a neutral construct he defends the radical stances taken by early African American sociologists from accusations of intellectual infirmity by foregrounding the racist historical context of the time these influential works were produced Examining key figures such as W E B Du Bois Edward Franklin Frazier Charles Spurgeon Johnson Horace Roscoe Cayton J G St Clair Drake and Oliver Cromwell Cox Saint Arnaud reveals the ways in which many aspects of modern sociology emerged from these authors radical views on race gender religion and class Beautifully translated from its original French African American Pioneers of Sociology is a stunning examination of the influence of African American intellectuals and an essential work for understanding the origins of sociology as a modern discipline On Social Structure and Science Robert K. Merton, 1996-09-15 Robert K Merton is unarguably one of the most influential sociologists of his time A figure whose wide ranging theoretical and methodological contributions have become fundamental to the field Merton is best known for introducing such concepts and procedures as unanticipated consequences self fulfilling prophecies focused group interviews middle range theory opportunity structure and analytic paradigms This definitive compilation encompasses the breadth and brilliance of his works from the earliest to the most recent Merton s foundational writings on social structure and process on the sociology of science and knowledge and on the discipline and trajectory of sociology itself are all powerfully represented as are his autobiographical insights in a fascinating coda Anchored by Piotr Sztompka s contextualizing introduction Merton s vast oeuvre emerges as a dynamic and profoundly coherent system of thought a constant source of vitality and renewal for present and future sociology

Sociological Traditions From Generation To Generation Glimpses Of The American Experience Introduction

In today's digital age, the availability of Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociological Traditions From Generation To Generation Glimpses Of The American Experience versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociological Traditions From Generation To Generation Glimpses Of The American Experience books and manuals for download and embark on your journey of knowledge?

FAQs About Sociological Traditions From Generation To Generation Glimpses Of The American Experience Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociological Traditions From Generation To Generation Glimpses Of The American Experience is one of the best book in our library for free trial. We provide copy of Sociological Traditions From Generation To Generation Glimpses Of The American Experience in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sociological Traditions From Generation To Generation Glimpses Of The American Experience. Where to download Sociological Traditions From

Generation To Generation Glimpses Of The American Experience online for free? Are you looking for Sociological Traditions From Generation To Generation Glimpses Of The American Experience PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sociological Traditions From Generation To Generation Glimpses Of The American Experience. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sociological Traditions From Generation To Generation Glimpses Of The American Experience are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sociological Traditions From Generation To Generation Glimpses Of The American Experience. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sociological Traditions From Generation To Generation Glimpses Of The American Experience To get started finding Sociological Traditions From Generation To Generation Glimpses Of The American Experience, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sociological Traditions From Generation To Generation Glimpses Of The American Experience So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sociological Traditions From Generation To Generation Glimpses Of The American Experience. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sociological Traditions From Generation To Generation Glimpses Of The American Experience, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sociological Traditions From Generation To Generation Glimpses Of The American Experience is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sociological Traditions From Generation To Generation Glimpses Of The American Experience is

universally compatible with any devices to read.
