Guardian's Joy #3 Jacqueline Rhoades,2012 She s not every man s ideal woman but it only takes one JJ Justice has spent her adulthood lost and alone and

vulnerable to the haunting of a past she can't remember. It's no wonder she feels different from other people and not surprising that she chose the police force as a way of standing up for others who are defenseless against the evils of the world but when her only friend and partner is brutally murdered by a creature not of this world JJ discovers a greater purpose. She is called to hunt the monsters only she can see. Once again she resigns herself to living her life alone. Guardian of the Race Bernardo and Torneo longs for a woman of his own one that's as fun loving and loyal as his Liege Lord's Lady Grace and as soft and gentle as his fellow Guardian's mate Hope but the chances of meeting such a woman seem slim to none. What with the nightly patrols and his gaming business he hasn't the time to go searching for love. Besides he's seen too many matings that didn't work out. Nardo is sworn to protect his people and their human cousins from the demons who cross over from the Otherworld. He never thought he would be hunting a vampire just like he never thought of falling in love with a leather clad ex cop who can kick demon butt with the best of them. How do you romance a woman who thinks more of knives than roses. And how do you help her fight the demons of her soul when she can't remember who they are. Nardo doesn't know but he's determined to find out. He only hopes he and his new love can find the answers before a monster from Joy's past takes away the only woman he will ever love.

The Road to the City of Gold Pasquale De Marco, 2025-08-08

The Road to the City of Gold is a journey into the human experience a quest to understand the nature of our existence and our place in the universe. It is a book about the search for meaning purpose and fulfillment and the challenges we face along the way. This book is a collection of stories each one a reflection of the human condition and the search for meaning. Some stories are inspiring some are heartbreaking and some are both. But all of them are real and they all have something to teach us about ourselves and the world around us. As we read these stories we may find ourselves identifying with the characters their struggles and their triumphs. We may see ourselves in their journeys and we may find solace in knowing that we are not alone. We may also find inspiration in their stories and we may be encouraged to face our own challenges with courage and determination. The search for meaning is a lifelong journey and it is one that we all must undertake. There is no one right way to find meaning and there is no one right answer. But by sharing our stories and learning from the stories of others we can all come closer to understanding ourselves and the world around us. The Road to the City of Gold is a celebration of the human spirit and a testament to the power of storytelling. It is a book that will inspire challenge and move you. It is a book that will stay with you long after you finish reading it and it is a book that you will want to share with others. We all have a story to tell and The Road to the City of Gold is a place where we can share our stories and learn from the stories of others.
