Carceration State James Kühnel, 2018-12-19 Carceration State is a riveting tale of one man's journey into the criminal justice system It exposes the dark side of incarceration and the brutality and injustice for prison profit Mr Kühnel examines not only the revolving doors of prison probation and parole and the state making of career criminals but he also takes a deep look within himself finding his own humanity **Triomf** Marlene van Niekerk, 2015-05-19 This is the story of the four inhabitants of 127 Martha Street in the poor white suburb of Triomf Living on the ruins of old Sophiatown the freehold township razed to the ground as a so called black spot they await with trepidation their country's first democratic elections It is a date that coincides fatefully with the fortieth birthday of Lambert the oversexed misfit son of the house There is also Treppie master of misrule and family metaphysician Pop the angel of peace teetering on the brink of the grave and Mol the materfamilias in her eternal housecoat Pestered on a daily basis by nosy neighbours National Party canvassers and Jehovah's Witnesses defenceless against the big city towering over them like a vengeful dinosaur they often resort to quoting to each other the only consolation that they know we still have each other and a roof over our heads TRIOMF relentlessly probes Afrikaner history and politics revealing the bizarre and tragic effect that apartheid had on exactly the white underclass who were most supposed to benefit It is also a seriously funny investigation of the human endeavour to make sense of life even under the most abject of circumstances **Administration of Criminal Justice** United States.
