RA-D8: The Halloween Hypothesis Stevie Alexander, 2021-09-06 After waiting for what seemed like forever Halloween was finally on a Friday Sixth grader Robby Swain declared that 1986 would be his biggest and last year to trick or treat before moving on to junior high He and his younger sister Nicki were planning to take advantage of this rare and spectacular occurrence by inviting their closest friends to go with them and stay for a slumber party Nothing could stop them from having the time of their lives not overprotective mothers or the looming threat of potentially hazardous candy But what started out as a final farewell to Halloween treats may have unexpectedly turned into a lifetime of mysterious tricks

The Halloween Misfits Conference Meg Infiorati Fleming, 2025-08-27 *The Halloween Misfits Conference* is a vivid genre blending novella that dances between light hearted nostalgia and creeping horror At its core it's an immersive slow burning psychological thriller with macabre twists set against the vivid backdrop of the infamous Clown Motel in Tonopah Nevada With a unique narrative structure and an ambitious concept Fleming brings readers into a world both comical and unsettling

The Snake Pit Book Ben Snakepit, 2013-12-17 Ben Snakepit draws his life everyday in 3 comic panels This was his first book collecting quite a few various zines After describing dozens of various Snakepit titles I'm going to defer to the wisdom of Jimmi Payne's Punk Zine Taken individually each strip resembles what a friend would say if you asked what they had done that day Ben sifts through the minutiae of life as well as the full experience of time in a day This is different than James Kochalka's work as there is no pretense at narrative or point The narratives in Snakepit open up on the macro level If Snakepit is to be read on the toilet a mere bowel movement is enough time to live months through the protagonist's eyes Patterns emerge and story arcs materialize and years of common actions load into a highly concentrated snapshot that wakes you up to the ongoing machinations of life beyond your present day This has led many to label Snakepit an existential text
