[Everything But Snakes](#) Matthew Phillips,Sharon Sakson,2012-10 There is nothing a twenty one year old man at his first job in New York City needs more than a good mentor although few of them find one But author Matthew Phillips found the wild impetuous and knowledgeable Marylou Stern The years Matt spent with Marylou were filled with parties sex excess frivolity live cows kidnapped Jewish jewelers and games that stretch the imagination In this memoir Phillips shares his story of how Marylou a former model dancer and actress transformed him from an eager fresh faced college grad into a sidelines player in chic New York society Over the course of three years Marylou taught Matt about New York City high society the difference between class and low class how to make a genuine egg cream how to milk a cow why wanton sex is good for your health why listening is more important than talking that Sara Lee Vanilla Layer Cakes are the best reward and that you must never put up with thieves In Everything but Snakes Phillips narrates how Marylou s undying sense of celebration kept him going and gave him a floor beneath his feet and along the way an upside down roller coaster ride

Poisoned Profits Philip Shabecoff,Alice Shabecoff,2008-08-12 In this shocking and sobering book two fearless journalists directly and definitively link industrial toxins to the current rise in childhood disease and death In the tradition of Silent Spring Poisoned Profits is a landmark investigation an eye opening account of a country that prizes money over children s health With indisputable data Philip Shabecoff and Alice Shabecoff reveal that the children of baby boomers the first to be raised in a truly toxified world have higher rates of birth defects asthma cancer autism and other serious illnesses than previous generations In piercing case histories the authors identify the culprit as corporate pollution Here are the stories of such places as Dickson Tennessee where babies were born with cleft lips and palates after landfill

chemicals seeped into the water and Port Neches Texas where so many graduates of a high school near synthetic rubber and chemical plants contracted cancer that the school was nicknamed Leukemia High The danger to our children isn't just in the outside world though The Shabecoffs provide evidence that our homes are now infested with everything from dangerous flame retardants in crib mattresses to harmful plastic softeners in teething rings to antibiotics and arsenic in chicken additives that are absorbed by growing and physically vulnerable kids as well as by pregnant women Compounding the problem are chemical corporations that sabotage investigations and regulations a government that refuses to police these companies and corporate hired scientists who keep pertinent secrets massaged with skewed data of their own Poisoned Profits also demonstrates how people are fighting back whether through grassroots parents groups putting pressure on politicians the rise of ecotheology in the pulpits of formerly indifferent churches or the new green chemistry being practiced in labs to replace bad elements with good The Shabecoffs also include helpful tips on reducing risks to children in how they eat and play and in how parents clean and maintain their homes Powerful unflinching and eminently readable Poisoned Profits is a wake up call that is bound to inspire talk and force change **The Inventor: Benjamin Franklin** Melissa Settle, 2005-08-03 This script is based on the true story of the life of Benjamin Franklin As a boy Franklin becomes an apprentice to a printer but questions about science spark his curiosity He later becomes one of the most famous and important American inventors The science connection is inventions and inventors **Brooklyn Daily Eagle Almanac**, 1910

Ben and Me Robert Lawson, 1988-04 The true story of Ben Franklin as told by his closest friend and advisor Amos the mouse According to Amos it was really he who was responsible for Ben Franklin's inventions and discoveries Illustrations
