The Heat of the Day Elizabeth Bowen, 2019-06-05 In *The Heat of the Day* Elizabeth Bowen brilliantly recreates the tense and dangerous atmosphere of London during the bombing raids of World War II Many people have fled the city and those who stayed behind find themselves thrown together in an odd intimacy born of crisis Stella Rodney is one of those who chose to stay But for her the sense of impending catastrophe becomes acutely personal when she discovers that her lover Robert is suspected of selling secrets to the enemy and that the man who is following him wants Stella herself as the price of his silence Caught between these two men not sure whom to believe Stella finds her world crumbling as she learns how little we can truly know of those around us

In the Heat of the Day Gerald Clood, 2011-02-24 The three young men leant on the old farm gate and gazed down at the valley below one was hardly out of his teens and another thinking of his upcoming marriage and the third the eldest of the three dreaming of the day when all this land would be his Inside the house an old will lay open on the table the manner of its appearance was strange and its contents would have far reaching effects An older man in his late eighties turned away from the table and spoke in a harsh voice It will be the ruin of us all Above the farm the moorland heather was in full bloom in contrast to the great grey walled prison with its barbed wire topped walls the prison had become so much a part of everyones life It was on one Sunday morning that the youngest son learnt that his much older brother was returning and claiming his inheritance With a barely controlled voice David turned to his father You knew all this time Those that have known will pay dearly for this deceit With a growing hatred in his heart David left the farm and a chance meeting with his brother many years later brought it all back and this time it wouldnt go away The dialogue is sharp paced with actions that will leave the reader unable to put the book down
