The Hickok Winners:

The Hickok Winners Murray Goodman, 1975 Summer of '68 Tim Wendel, 2012-03-13 In a year shaped by national tragedy baseball was shaped by amazing pitching culminating in a victory by a Detroit Tigers team that faced off against Bob Gibson's St Louis Cardinals the 1967 World Series defending champions Made in Rochester Donovan A Shilling, 2015-04-15 Rochester has long been known for its leadership in optics copying and photography However there were also more than 20 shoe manufacturers at one time plus the city was a major men's clothing center and the country's leading manufacturer of buttons Many other national and international products also got their start in Rochester Over the decades author and historian Donovan Shilling has amassed a vast collection of these products company photos and advertising material He selected more than 165 Rochester born companies to feature in this scrapbook You may remember some and you may have just heard of others One thing's for sure though you won't want to lay this book down until you read all the way from A H Shipman machinery to Zweigles sausage products The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs **Merchants Record and Show Window**, 1928 **Duelling Through the Ages** Stephen Wynn, 2021-07-21 Putting aside Roman gladiators and gun slingers of the American Wild West by the 19th century duelling had become the sole domain of nobility military officers and gentleman with rules added to make sure everything was conducted in a fair and professional manner The word honour became popular because it was the reason why most men would challenge another to a duel This book challenges that notion and asks whether it was really about honour at all or was it more about arrogance or social standing Over time kings leaders and governments passed rules decrees edicts and laws banning the practice but still it continued even when the duellists knew that the punishment for taking part in such an event could be their own death The last known duel with swords in France took place at a private residence just outside of Paris in 1967 between two politicians Gaston Defferre and Rene

Ribiere It was ended after Ribiere who was due to be married the following day was twice cut on the arm by Gaston The book also looks at some of the more humorous unusual and least expected ways people found to conduct their duels including throwing billiard balls at each other duelling whilst sat on the backs of elephants and two men who decided their differences should be settled half a mile up in the sky in hot air balloons With more efforts to bring about an end to duelling the upper classes of British society in particular still held on to the idea of being able to defend their honour which saw many of them turn to pugilism as a way to sate their disputes however ridiculous they might appear today **The Sports Hall of Fame Encyclopedia** Dave Blevins,2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members The Soccer Hall of Fame was established in 1950 followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963 In all more than 1 400 inductees players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position s played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are appendixes briefly describing the history of each hall of fame
