Guillaume Favre

The New York Times Gershwin Years In Song:

The New York Times Gershwin Years in Song George Gershwin, 1973 Musical treasury of Gershwin hits Includes piano transcriptions of eighteen of his songs as a bonus item

The New York Times Nostalgic Years in Song Irving Brown, 1974

The New York Times Book Review, 1995 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

America's Music, from the Pilgrims to the Present Gilbert Chase, 1992 A history of American music its diversity and the cultural influences that helped it develop

Kurt Weill: The Threepenny Opera Stephen Hinton, 1990-07-26 This is the first book on the best known of the Weill Brecht collaborations to explore the extent and significance of the composer's contribution Described as the weightiest possible lowbrow opera for highbrows and the most full blooded highbrow musical for lowbrows Hans Keller the enduringly popular Threepenny Opera has given rise not only to interpretations as numerous as they are diverse but also to new adaptations One such is Brecht's hitherto unpublished concert version which is included here in English translation Even the stage work generally known today departs significantly from what was performed at the premiere in 1928 After a detailed reconstruction of the work's genesis and continued revision over three decades the editor examines the spin offs in which the authors participated the instrumental suite the film the law suit the novel and the musical and textual revisions of songs In a brisk survey of the stage history the editor pays particular attention to pioneering productions in Germany and Britain Kim Kowalke provides an exhaustive account of the history of The Threepenny Opera in America Geoffrey Abbott addresses questions concerning authentic performance practice and David Drew analyzes large scale motivic relationships in the music Among the earlier writings on the work reprinted here those by Theodor W Adorno Ernst Bloch and Walter Benjamin appear for the first time in English translation A concluding chapter by the editor considers whether The Threepenny Opera's popularity rests as frequently maintained on a misunderstanding The book contains numerous illustrations a discography and music examples

The New York Times Theatre Reviews 1999-2000 New York Times Theater Reviews, 2001-12 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

Enchanted Evenings Geoffrey Block, 2009-10-30 This new second edition of *Enchanted Evenings* offers theater lovers an illuminating behind the scenes tour of some of America's best loved most admired and most enduring musicals Readers will find such all time favorites as *Show Boat* *Carousel* *Kiss Me Kate* *Guys and Dolls* *My Fair Lady* *West Side Story* *Sweeney Todd* *Sunday in the Park with George* and *Phantom of the Opera* Geoffrey Block provides a documentary history of each of the musicals showing how each work took

shape and revealing at the same time how the American musical evolved from the 1920s to today both on stage and on screen The book's particular focus is on the music offering a wealth of detail about how librettist lyricist composer and director work together to shape the piece Block also includes trenchant social commentary and lively backstage anecdotes Jerome Kern Cole Porter the Gershwins Rodgers and Hart Kurt Weill Rodgers and Hammerstein Lerner and Loewe Frank Loesser Leonard Bernstein Stephen Sondheim Andrew Lloyd Webber and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision The second edition includes a greatly expanded chapter on Sondheim a new chapter on Lloyd Webber and two new chapters on the film adaptations of the main musicals featured in the text including such hard to find films as the original 1936 version of *Anything Goes* and the 1959 film adaptation of *Porgy and Bess* Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows *Enchanted Evenings* is an essential reference as well as a riveting history A solid and fascinating work that should become a model of how to investigate and report on the evolution of a musical Block's research is persuasive and his writing vivid Indispensable for anyone who cares to know more about Broadway musicals than *Playbill* can provide Steven Bach *The Los Angeles Times Book Review* **Music of the Great Composers** Patrick Kavanaugh, 1996 A unique guide to enhance and enrich your enjoyment of classical music this book is for music lovers who want to better understand the works of the masters **The Publishers Weekly**, 1972 **Taking a Chance on Love** George Harwood Phillips, 2019-09-19 When his friend George Gershwin persuaded Vladimir Dukelsky to change his name to Vernon Duke what the music world already knew became apparent to the public at large the man had two musical personas one as a composer the other as a tunesmith One wrote highbrow music the other lowbrow Yet the two sides complemented each other Neither could function without the other Born and classically trained in imperial Russia Vladimir Dukelsky 1903-1969 fled the Bolshevik Revolution with his family discovered American popular music in cosmopolitan Constantinople and pursued his budding interest to New York before his passion for classical music drew him to Paris where the impresario Serge Diaghilev hired him to compose a ballet for the Ballets Russes *Taking a Chance on Love* immerses us in Duke's dizzying globe hopping and genre swapping as financial concerns and musical passions drive him from composing symphonies to writing songs from brilliant successes to Broadway flops and from performing with classical performers to writing books and articles Throughout as he crisscrosses the landscape of American music collaborating with lyricists such as Howard Dietz Ira Gershwin and Sammy Cohn the incomparable Vernon Duke emerges clearly from these pages sometimes charming sometimes infuriating always entertaining Although Vernon Duke has entered the canon of American standards with such songs as *Taking a Chance on Love* *I Can't Get Started* and *April in Paris* little is known about the composer with two personas *Taking a Chance on Love* brings the intriguing double life of Dukelsky Duke back into the spotlight restoring a chapter to the history of the Great American Songbook and to the story of twentieth century music *Crisis of the Negro*

Intellectual Reconsidered Jerry G. Watts, 2004-08-26 Thirty five years after its initial publication Harold Cruse's *The Crisis of the Negro Intellectual* remains a foundational work in Afro American Studies and American Cultural Studies Published during a highly contentious moment in Afro American political life *The Crisis of the Negro Intellectual* was one of the very few texts that treated Afro American intellectuals as intellectually significant The essays contained in Harold Cruse's *The Crisis of the Negro Intellectual Reconsidered* are collectively a testimony to the continuing significance of this polemical call to arms for black intellectuals Each scholar featured in this book has chosen to discuss specific arguments made by Cruse While some have utilized Cruse's arguments to launch broader discussions of various issues pertaining to Afro American intellectuals and others have contributed discussions on intellectual issues completely ignored by Cruse all hope to pay homage to a thinker worthy of continual reconsideration Harold Cruse's *The Crisis of the Negro Intellectual Reconsidered* Jerry Gafio Watts, 2004 A collection of essays looking back at the influence of *The Crisis of the Negro Intellectual* first published 35 years ago *A Dictionary for the Modern Pianist* Stephen Siek, 2016-11-10 *A Dictionary for the Modern Pianist* combines nearly four hundred entries covering classical and popular pianists noted teachers terminology germane to the piano's construction and major manufacturers both familiar firms and outstanding independent builders who have risen to the forefront in recent years Speaking to the needs of the modern performer it also includes entries on jazz and pop artists digital pianos and period instruments As a resource for professionals and students *A Dictionary for the Modern Pianist* is also accessible to more general readers as all of its topics are presented in clear readable expositions Drawing on the most recent research of numerous specialists author Stephen Siek emphasizes the piano's uniquely rich heritage giving pianists a renewed appreciation for the famous artists and teachers who have shaped their art Transcending simple alphabetical definitions the dictionary's careful attention both to legacy and detail make it an invaluable addition to any pianist's library Titles in the *Dictionaries for the Modern Musician* series offer novice and advanced musicians key information on the field of study and performance of a major instrument or instrument class Unlike other encyclopedic works contributions to this series focus primarily on the knowledge required by the contemporary musical student or performer From quick definitions of confusing terms to in depth overviews of history and tradition the dictionaries are ideal references for students professionals and music lovers of all kinds *The New York Times Book Reviews 2000* New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource *Putting Popular Music in Its Place* Charles Hamm, 1995 Essays on the context of popular music and its interrelationships with politics and ideology *The New York Times Theater*

Reviews 1997-1998 C. S. Smith, Times Books, 2014-10-13 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **The New York Times Index** ,1926 Movie Song Catalog Ruth Benjamin, Arthur Rosenblatt, 2024-10-17 This is an exhaustive reference volume to the thousands of songs songwriters and performers in 1 460 American and British films musical and nonmusical since the advent of the talkie in 1928 Listed alphabetically by film title each entry provides full production information on the movie including the country of origin year of release running time director musical director musical score studio producer orchestra or bands featured music backup vocalist dubber who sang on the soundtrack and performers Each song title in the main entry is followed by the name of the performer lyricist composer and when appropriate arranger **Catalog of Copyright Entries.
