The Half Parent Living With Other Peoples Children:

The Half-parent Brenda Maddox,1976 The Family in America Joseph M. Hawes,Elizabeth F. Shores,2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change Other People's Children: What happens to those in the bottom 50% academically? Barnaby Lenon,2018-04-30 In 2017 Barnaby Lenon previously the head master of Harrow School wrote a best selling book about high achieving state schools in England Much Promise Later that year he went on a tour of Further Education colleges and started to research the fortunes of those who do less well at school In Other People s Children he writes about the state of vocational education in England and the implications of his findings for a post Brexit economy *Stepparenting, with Annotated Bibliography* Renato Espinoza,Yvonne Newman,1979 Other People's Children Gillian Thomas,Gina Hocking,2003 Examines how children s quality of life is changing and how we could improve it for all children over the next generation page 9 Ancient Stepmothers P.A. Watson,2018-07-17 Ancient Stepmothers is the first full length study of the stepmother in Graeco Roman antiquity Several perspectives are covered literary historical and sociological the last mentioned making use of comparative material from modern studies of stepfamilies The portrayal of the stepmother in myth and literature is thoroughly explored The historical background in Athens and Rome is examined with a view to determining the relationship between fiction and real life The book makes an important contribution to the study of both literary history and family relationships in particular it sheds light on attitudes to women the portrayal of the stepmother being an outstanding illustration of misogynistic prejudice It will also interest sociologists wishing to place studies of the contemporary stepfamily in a wider historical context for this reason all Greek and Latin is translated into English

Parenting in Stepfamilies Gladys Lan Tak Lam-Chan,2018-08-13 First published in 1999 this book contains the findings of an exploratory study using in depth interviews on parenting and the dynamics of Hong Kong Chinese stepfamilies The stepfamily is a topic which is in lack of local research in Hong Kong but is an emerging family structure which has increasing need for professional intervention This study began as a result of the researcher s concern about the soaring number of divorces and broken families in Hong Kong and her curiosity to uncover the untold stories of stepfamilies The literature review presentation and thematic analysis of the findings of this study will increase the readers knowledge and

understanding of stepfamilies in contexts which are different from Western societies This book unveils the perceptions and life experiences of the stepmothers social workers and teachers attitudes towards stepfamilies and the parenting behaviours of stepfamilies in Hong Kong The author has reflectively analyzed the complex interplay between the social attitudes cultural stereotyping of stepfamilies influenced by Chinese traditional values aspirations towards marriage and marital relationships parental expectations and parent child relationships ideology and policy issues affecting professional intervention
