

The image shows a traditional Yoruba shrine, likely a 'bábá' or 'mú' (spirit house). It is a small, rectangular structure with a steeply pitched, thatched roof made of dried palm fronds or similar natural materials. The walls are constructed from vertical wooden planks. In the center of the front wall is a small, arched opening. Inside this opening is a carved wooden figure, possibly a deity or a spirit, with a face and limbs. The shrine is situated outdoors, with green foliage and trees visible in the background. The ground in front of the shrine is dirt. The overall scene is brightly lit, suggesting daylight.

The Healing Power Of Sacrifice:

The Healing Power of Sacrifice Ifayemi Eleburuibon, 2000 The term sacrifice needs to be further explained in the Yoruba religion cultural perspectives Its connotation transcends the mere offer of gifts to the poor Sacrifice is propitiatory This is why it is otherwise known as Etutu that which propitiates In another vain sacrifice can be seen as an atonement a carrier of bad fortunes and mishaps Through the practice of sacrifice all forms of adversities are rubbed off the path of man and nation and thus usher in positive fortunes of various magnitudes and complexions The place of sacrifice therefore should not be undermined especially when one remembers that evil and good fortunes are like twin sisters almost always each other s concomitant Take The Hard Path To Heal: Easy Never Built Anything Worth It Sybex Books, 2025-06-24 Healing isn t always soft Sometimes it s the hardest thing you ll ever do Take The Hard Path To Heal is a raw unfiltered look at the deep inner work that doesn t always feel good but leads to real freedom It s about choosing discomfort now so you don t stay stuck forever There s a version of healing that sells well bubble baths journaling and quiet mornings And while those moments matter this book is about the part most people avoid the confronting conversations the habits you have to break the grief you finally sit with instead of numbing it You ll walk the path of truth The one that asks more from you than you think you can give but rewards you with clarity strength and wholeness on the other side It s not easy But easy never built anything worth keeping This book isn t about glamorizing pain It s about honoring the process Because the hardest thing isn t feeling the wound it s deciding not to keep reopening it every time life presses on it You re capable of walking through what you once avoided You re capable of healing fully not halfway And when you take the hard path you discover that the version of you who comes out on the other side is not just healed but unshakable **The Healing Power of Self Love** Oscar Bamwebaze Bamuhigire, 2009-02 In the field of alcoholism and drug addiction treatment there have always been questions for which there were no satisfactory answers Is substance abuse is a problem of discipline or a disease Why is it that most alcoholics drug addicts do not seek for or receive treatment Why is it that only 5 10% of alcoholics drug addicts respond to treatment Why do untreated addicts have a better chance at breaking the bond of addiction than addicts who get treated Why has the incidence of recovery without the help of formal treatment continued to rise Are the successes of Alcoholics Anonymous A A nothing more than spontaneous remission Why are some people able to quit their addiction without treatment while others only get worse after treatment Why does treatment have a negative effect Why are some treatment programs more effective than others Why has the world continued to experience a steady increase in the rate of addiction and self destruction Why is it that 1 in 2 Americans has a diagnosable mental disorder each year and 81 Americans commit suicide every day Why do non Hispanic blacks bear a disproportionate burden of disease injury death and disability Why do the most successful treatment programs for addicts have a spiritual component Why do non white people suffer from a high rate of substance abuse and self destruction Why does Africa have the highest rate of suicide poverty and disease in the world Why are some treatment

programs more effective than others Etc In a unique blend of psychology psychiatry metaphysics medicine orient and western religions The Healing Power Of Self Love provides answers to these and many more questions In making its revolutionary contribution to the scientific world it also explains how addicts can enhance their chances of recovery from addiction through the treatment programs of their choice by utilizing the ancient tools of discipline lateral thinking and insight from the life experiences of the world s greatest leaders Even though this book was initially designed to meet the needs of alcoholics and drug addicts in treatment it may be of great value to people who are struggling with other types of addiction and those who are faced with major obstacles to their self realization or self actualization *The Healing Power of Affirmation* Ralph A.
