The Henderson Crusade:

The Henderson Crusade Charles E. Dietze, 1983-01 *The Wendish Crusade, 1147* Mihai Dragnea, 2019-08-23 The Wendish Crusade of 1147 one of the Northern Crusades and a part of the Second Crusade took place at a critical phase in the evolution of crusading rhetoric The initiators and apologists of the campaign employed rhetorical devices to justify the occupation of a region and conversion of a population under the auspices of a crusade A detailed examination of the primary sources shows that the justification of a crusade against apostates was not only a German endeavour or the pope's will but a political reality of the twelfth century Therefore the attitude of the papacy is shown to be reactive rather than proactive

The Rise and Fall of British Crusader Medievalism, c.1825-1945 Mike Horswell, 2018-01-29 This book investigates the uses of crusader medievalism the memory of the crusades and crusading rhetoric and imagery in Britain from Walter Scott's *The Talisman* 1825 to the end of the Second World War It seeks to understand why and when the crusades and crusading were popular how they fitted with other cultural trends of the Victorian and Edwardian eras how their use was affected by the turmoil of the First World War and whether they were differently employed in the interwar years and in the 1939-45 conflict Building on existing studies and contributing the fruits of fresh research it brings together examples of the uses of the crusades from disparate contexts and integrates them into the story of the rise and fall of crusader medievalism in Britain Chivalry, Kingship and Crusade Timothy Guard, 2013 A fresh perspective on the Crusade shows its ideal and practice flourishing in the fourteenth century The central theme of this book is the largely untold story of English knighthood's ongoing obsession with the crusade fight during the age of Chaucer high chivalry and the famous battles of the Hundred Years War After combat in France and Scotland fighting crusades was the main and a widespread experience of English chivalry in the fourteenth century drawing in noblemen of the highest rank as well as knights chasing renown and the jobbing esquire The author exposes a thick seam of military engagement along the perimeters of Christendom details of participants and campaigns are chronicled in many cases for the first time and associated matters of tactics diplomacy organisation and recruitment are minutely analysed adding substantially to the historiography of the later crusades The book's second theme traces the surprisingly strong grip the crusade idea possessed at the height of politics as an animating force of English kingship Disputing the common assumption that crusade plans were increasingly ill treated by the monarchs adopted as diplomatic double speak or as a means of raiding church coffers the author argues that courtiers and knights moved in a rich environment of crusade speculation and ambition and exercised a strong influence on the culture of the time Timothy Guard gained his DPhil at Hertford College University of Oxford **The New Crusaders** Elizabeth Siberry, 2016-12-05 This is the first comprehensive study of the use abuse and development of the crusade image in popular and high culture in the nineteenth and early twentieth centuries Drawing upon a diverse range of sources mainly from the British Isles but with parallels from Western Europe and North America the author shows the different approaches to the

history of the crusading movement and crusade images taken by the historian composer artist and author The Crusades, Holy War and Canon Law James A. Brundage, 2024-10-28 This volume is concerned above all with the legal background and the juristic issues behind the ideology and practice of the medieval Crusades This is an area that the author was the first to investigate systematically and there are two particular reasons for his approach one the conviction that the historical phenomenon of the Crusades can only be adequately understood within the context of the legal systems that permeated the age the other that so much of the documentary evidence be it charters decrees even chronicles was produced by people whose perceptions had been shaped by the law A number of articles focus on the roles of individual crusaders or address ideological questions including the very concept of Holy War Others deal with practical issues and the nature of the obligations incurred by a crusader and examine the consequences these had both for the institutions of medieval Europe and for the crusader's own family relationships Ce recueil s'attache avant tout au contexte lgal et aux questions juridiques qui se trouvent la base de l'idologie et de la pratique des Croisades au Moyen Age L'auteur a t le premier entreprendre des recherches de fa on syst matique dans ce domaine deux raisons pr cises sont l'origine de cette d marche premi rement la conviction que seule la connaissance du contexte des syst mes l gaux dont l poque tait impr gn e permet de bien comprendre le ph nom ne historique des Croisades deuxi mement le fait que quantit de documents temoins chartes d crets ou encore chroniques sont l oeuvre de gens dont la perception tait grandement influenc e par la loi Un nombre d tudes se concentrent sur la r le individuel de certains crois s ou s adressent des questions d id ologie y compris le concept m me de la Guerre Sainte D autre traitent de questions d ordre pratique ainsi que de la nature des engagements contract s par le crois ils en examinent le

Crusade and Christendom Jessalynn Lea Bird, Edward Peters, James M. Powell, 2013-04-09 Introduction Crusade and Christendom 1187 1291 The Pope Crusades and Communities 1198 1213 Crusade and Council 1213 1215 The Fifth Crusade 1213 1221 The Emperor's Crusade 1227 1229 The Baron's Crusade 1234 1245 The Mongol Crusades 1241 1262 The Saint's Crusades 1248 1270 The Italian Crusades 1241 1268 Living and Dying on Crusade The Road to Acre 1265 1291 *Memoirs of the Crusades* Geoffroi de Villehardouin, 1915 *The History of Jazz and the Jazz Musicians* Aurwin Nicholas, 2017-03-20 The History of Jazz is a story rich with innovation experimentation controversy and emotion this coffee table book concept provides an ideal setting to share the cultural history of the people and places that helped shape the development and progression of the history of jazz And is presented in an eclectic format to preserve the works of the original authors of this subject matter The Jazz Sippers Group presents these collective writings through interpretive techniques designed to educate and entertain and seeks to preserve information and resources associated with the origins of the history of jazz The musicians are the men and women who made and still make the music the leaders as well as the sidemen and side women who have and continue to make jazz a popular music Crusade Or Conspiracy? Catholics and the Anti-Communist Struggle in Australia Bruce Duncan, 2001 Bitterness over the 1950s split between Catholics and anti

Communists has never gone away The importance of this book in defining Labor politics for the last 50 years is crucial and all those interested in either Labor history or history of organised religion in Australia will find it useful
