Sir Edward Grey A Biography Of Lord Grey Of Fallodon:

Sir Edward Grey Keith Robbins,1971 **Grey of Fallodon** George Macaulay Trevelyan,1937 **A Bibliography of British History, 1914-1989** Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996

Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **Statesman of Europe** T. G. Otte,2020-11-26 The lamps are going out all over Europe We shall not see them lit again in our life time The words of Sir Edward Grey looking out from the windows of the Foreign Office at the end of August 1914 are amongst the most famous in European history and encapsulate the impending end of the nineteenth century world The man who spoke them was Britain's longest ever serving Foreign Secretary in a single span of office and one of the great figures of late Victorian and Edwardian Britain Statesman of Europe describes the three decades before the First World War through the prism of his biography which is based almost entirely on archival sources and presents a detailed account of the main domestic and international events and of the main personalities of the era In particular it presents a fresh understanding of the approach to war in the years and months before its outbreak and Grey's role in the unfolding of events Yet Grey's life was not all public affairs momentous as those were He disliked being in London much preferring country life at Fallodon his family estate in Northumberland and displayed none of the ambition of his contemporaries or successors He attended assiduously to his duties as director of the Great North Eastern Railway one of the transformative enterprises in industry and communications of the period and wanted to spend as much time as he could fishing Apart from his memoirs the only book he wrote was called The Charm of Birds This hinterland gave quality to his judgements and made his character attractive to his contemporaries This important book is the definitive biography of one of the pivotal figures in European diplomacy and a magnificent portrait of an age **Britain and the Iranian Constitutional Revolution of 1906-1911** Mansour Bonakdarian,2006-06-30 In this thoroughly researched account Mansour Bonakdarian provides an in depth exploration of the substantial British support for the Iranian constitutional and national struggle of 1906 1911 illuminating the opposition in Britain to Anglo Russian imperialist intervention in Iran In painstaking and compelling detail Bonakdarian analyzes in particular the role of the Persia Committee a lobbying group founded in 1908 for the sole purpose of changing Britain's policy toward Iran This book's strength lies in its coverage of how Sir Edward Grey's policy toward Iran was shaped and the extent to which this policy was affected by sustained criticism from a number of disparate groups including dissenters radicals socialists liberal imperialists and conservatives The volume and breadth of primary archival materials used is extensive Not only have all the standard collections been examined such as the Foreign Office files and the Cabinet and Grey papers but also numerous private archives in international libraries have been consulted Bonakdarian's deep understanding of the Iranian issues yields a rich and balanced approach to the literature in the field With

clear and systematic arguments he offers an account of diplomatic history that is accessible and persuasive His scholarship is certain to reinvigorate dialogue on the subject of Anglo Iranian relations *Grey of Fallodon, Being the Life of Sir Edward Grey* George Macaulay Trevelyan,1937 The Anglo-Japanese Alliance, 1902-1922 Phillips O'Brien,2003-12-25 This book brings together many leading experts who examine the different aspects of the Alliance in its different stages before during and after the First World War who explore the reasons for its success and for its end Encyclopedia of the Age of Imperialism, 1800-1914 Carl C.
