clientele *Intimate Partner Violence in LGBTQ Lives* Janice L. Ristock, 2011-04-26 Queer lives remain at the margins of most academic inquiry into domestic violence When same sex violence is considered it is most commonly as an added on without close attention to the specificity and meaning of violence within the lives of lesbian gay bisexual transgender Two Spirit and queer people LGBTQ This edited volume seeks to change this discourse by bringing together the most innovative research about intimate partner violence that is specific to the lives of LGBTQ people Including contributions based on research conducted in the United States the United Kingdom Canada and Australia the volume is framed around central themes conceptualizing violence exploring differing spaces and lived experiences of violence and the ethical challenges of responding to violence The contributors also consider issues of race class gender sexuality and other social differences moving beyond a simple gender lens to one involving a framework of intersectionality *Common Lives, Lesbian Lives* ,1994 Preventing Heterosexism and Homophobia Esther D. Rothblum, Lynne A. Bond, 1996-08-06 In addition to the stresses of everyday life gay men lesbians and bisexuals experience multiple pressures and constraints related to their chosen lifestyles This volume examines the gay and lesbian experience in light of this additional tension which can result in psychopathology and points towards a future free of heterosexism The internationally renowned contributors argue that the stress of coming out uncertainties concerning parenting children and the difficulties facing ethnic minority lesbians gay men and bisexuals cannot be adequately addressed without confronting the heterosexual bias in society They propose methods geared towards eliminating heterosexual bias in a number of settings including health **The Advocate** ,1994-01-25 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Woman in the Window** Pamela Pratt, 1993 Tales of Desire Passion and Love A glorious collection of lesbian erotica featuring contributions from such well known names as Sarah Schulman and Dianna Hunter **Divided Sisters** Midge Wilson, 1996 Since the advent of the women s movement women have often expressed the belief that black and white women in society have a great many common concerns and are in fact natural allies The reality is more sobering In *Divided Sisters* Midge Wilson and Kathy Russell the acclaimed authors of *The Color Complex* tackle the nature of relationships between black and white women and explore how they do and don t get along Based on scores of interviews cultural literature and extensive research *Divided Sisters* examines relations between black and white women as children as adults at school and in college at work and at home Truthfully as adults relatively few women feel they are close friends with a woman from another racial background The book exposes many of the challenges and obstacles that complicate interracial relationships in a society with a long history of racial inequality What Midge and Kathy discover is that the concerns and frustrations of black and white women are often different and that these differences are frequently not communicated For example women thrown together for the first time in college are often ill prepared to handle cultural differences in dress customs attitudes and background In addition peer pressure economic and historical inequality real or

perceived racism and fear play a role in dividing rather than uniting women *Divided Sisters* is a landmark book that will open readers eyes to the realities and challenges of bridging what is too frequently a cultural divide Boulder Voices Ellen Orleans, Louise Marcoux, 1993
