Sisterchicks Down Under Robin Jones Gunn, 2009-01-21 Kathleen joins her husband for a three month trip to New Zealand when he s hired by a film studio in Wellington Leaving behind all that is familiar in her comfortable corner in Southern California she realizes that the past twenty years have been so tightly woven into the life of her only daughter that she s not sure who she is on her own or with her husband In her isolation Kathleen begins to contemplate reinventing herself

but before her crazy schemes take flight she meets Jill at the Chocolate Fish caf Even though the two women are very different at first glance they find they share a common Sisterchick heart and instantly forge a friendship that takes them on a journey where both Kathleen and Jill find that God has returned to them the truest part of themselves that was set aside so many years ago Topsy Turvy Down Under SISTERCHICK TM n a friend who shares the deepest wonders of your heart loves you like a sister and provides a reality check when you re being a brat When Kathleen and her husband Tony pack up and fly off to New Zealand for Tony s three month film job Kathleen discovers more than her geography has flip flopped In the land down under comfort food comes in a jar labeled Vegemite gardens sprout hobbit statues and if you re not careful you just might venture into the Chocolate Fish caf with feathers in your hair Of course the feathers could open up a conversation with fellow diner Jill also a California girl and an instant SISTERCHICK Together they take in a performance at the Sydney Opera House hold hands with a mama kangaroo and greet her in pocket joey watch dolphins surf the New Zealand waves and discover that in a topsy turvy land where Bob s your uncle is a statement that actually makes sense one s heart is likely to fall head over heels into a deeper sense of God s love Story Behind the Book My motivation for the Sisterchicks books came from being involved with so many women who get halfway through life and shipwreck their faith or their families in search of themselves I wanted to write a book that extols faithfulness and shines the light on God s plan for a woman s life which is always more gigantic and more mysterious than she ever first believed On the edge of my heart sits a constant prayer for the reader who lifts the covers of these books and snuggles in for a cozy read My prayer is that she will be filled with hope and will come closer than ever to the One who loves to sprinkle His wonders over our days Sisterchicks in Sombreros Robin Jones Gunn, 2009-01-21 Two Canadian sisters inherit beachfront property in Mexico and take off on an adventure to claim their inheritance They travel opulently by cruise ship to Ensenada and survive a rocky trip through Baja California only to be shocked when they arrive in San Felipe Their beachfront property is indeed on the beach but the structure is a cement slab and the Airstream trailer their uncle parked on the property in the early 1960s With the help of a few locals the Canadian cuties figure out what to do with their less than desirable legacy The true gift they find is that they are reconnected as sisters and discover that everything that happened along the way was part of God s plan Say Ol the Sisterchick Way SISTERCHICK TM n a friend who shares the deepest wonders of your heart loves you like a sister and provides a reality check when you re being a brat Canadian sisters Melanie and Joanne are stunned to hear they ve inherited their uncle s beachfront summerhouse in Mexico With a snap a trip is planned They ll travel opulently by cruise ship to Ensenada zip over to San Felipe sign a few papers at the bank and the tropical hideaway will be theirs What they don t expect is a spa treatment gone loco snails and cactus on their dinner plates risky ocean dips a cross country desert drive a dishy doctor or a Federale who doesn t speak English Fortunately some problems really can be solved with coconut cake and if necessary a water fight The beachfront property and what it takes to get them there becomes a gift beyond their wildest wishes as these Sisterchicks
