Boston, 2017-06-06 The Flanagan Sisters is a sexy contemporary romance series which follows Bridget Carly Zita and Sean as they fall in love. Containing a workplace romance, a billionaire romance with a twist, a hero who must confront his preconceptions, and a fish who is definitely out of water, this series has something for everyone. Book 1: Break the Rules. Bridget Flanagan knows how to assess risks but are the consequences of exposing her heart too dangerous? Bridget has a passion for safety and in the world of oil refineries that makes her great at her job. So when her big promotion goes to someone else, she heads out on the town to forget her troubles. Jack Gibbs seems like the perfect man to distract her. At least until Monday morning when she discovers Jack is her new boss. There's no way she's going to keep seeing him, no matter the connection between them. She's been burned before. Jack can't understand why Bridget's so against their relationship. They positively sizzled during their one night together. He knows he has to be careful now she reports to him, but she tempts him in every way. Can Jack convince Bridget to give him a chance, or is the risk too high? Book 2: Change of Heart. Software billionaire Carly Flanagan has an abundance of everything except time. With everyone wanting a piece of her, or more accurately her money, she spends her days trying to live up to her company's motto of Community Sharing Support. Having always been so focused on responsibility, success, and supporting those less fortunate than her, Carly's forgotten to consider what she wants for herself in life until she meets Evan. Evan Hayes is an artist and free spirit, and when they meet at a local art exhibition, he is immediately intrigued by Carly. He sees through her public persona, realizing she is not the person she portrays. Evan's the type of man who doesn't have a lot but is perfectly comfortable with who he is. A man who knows what he wants, and he wants Carly. Carly is sure Evan wants something else from her. Everyone does. All Evan is asking is the chance to get to know her, but will Carly let him in? Or will a lifetime of protecting herself prove too hard to overcome? Book 3: Blaze a Trail. They're from the opposite ends of town, but they're worlds apart. Zita Flanagan wants more. She wants to help more Central American refugees and make more of an impact. But her family comes first, and fulfilling her own dreams seems impossible. David Randall leads a privileged life and knows nothing about refugee issues. When he meets dynamic, sexy Zita, it seems like the perfect opportunity to learn. Zita's passion for helping those less fortunate and her selfless devotion to the girls her mother fosters brings David's life sharply into perspective. Zita soon realizes that David is so much more than a rich boy. She begins to trust him with her foster sisters' stories and her own hopes and dreams. But when David's father announces he's running for governor, and the focus of his campaign is the refugee problem, Zita has grave concerns for her sisters' safety. Then David's betrayal exposes secrets, and it becomes a race against time to save lives. Can David convince Zita to trust him again, or will his mistake put the life of the woman he loves in jeopardy? Book 4: Place to Belong. Sean Flanagan has spent a lifetime alone and rejected, constantly hiding who he really is. With a father who deserted him and a mother who despised him, Sean didn't

think things could get much worse until he was kicked out of home for being gay Now he s discovered he has three half sisters on the other side of the world This might be his last chance to find people who will love and accept him But he s terrified that if they find out who he really is then they ll reject him like the rest of his family Sean arrives in Houston and is stunned by the warm welcome he receives from his sisters He begins to hope that maybe this time things will be different That s when he meets Hayden Johnson To follow his heart means risking everything with his newfound family Hayden is tired of endless dating He s looking for a man to love someone to spend the rest of his life with His boss s new brother ticks all the boxes on the attraction scale but there s just one problem he s not gay Will Sean let his fears rule him or will he let in the chance of love and find a place where he belongs **Sisters of Vellangoose** Elaine Singer,2022-12-15 No secret can stay hidden forever Submissive housewife Becky and feisty single parent Abi are unaware of each other s existence until their biological father Henry Williams dies and leaves them Vellangoose a dilapidated smallholding in Cornwall When both women find themselves homeless living together at Vellangoose seems like their only option but there are financial conditions attached to their father s Trust They are forced to use their bartering skills to survive which they are determined to do much to the annoyance of Henry s wealthy widow Veronica Williams Veronica wants Vellangoose for herself and is willing to do whatever is necessary to get it But why is she so desperate to gain ownership of Vellangoose Will Becky and Abi be able to overcome their many differences to find out what her real motives are and retain their inheritance **The Sisters** Mary S. Lovell,2011-06-13 Fascinating the way all great family stories are fascinating Robert Gottlieb New York Times Book Review This is the story of a close loving family splintered by the violent ideologies of Europe between the world wars Jessica was a Communist Debo became the Duchess of Devonshire Nancy was one of the best selling novelists of her day beautiful Diana married the Fascist leader Sir Oswald Mosley and Unity a close friend of Hitler shot herself in the head when England and Germany declared war The Mitfords had style and presence and were remarkably gifted Above all they were funny hilariously and mercilessly so In this wise evenhanded and generous book Mary Lovell captures the vitality and drama of a family that took the twentieth century by storm and became in some respects its victims **Snapshots of Bloomsbury** Maggie Humm,2006 Photographs some barely known on the domestic lives of Virginia Woolf 1882 1941 and Vanessa Bell 1879 1961 and the historical cultural and artistic milieux of their circle in Bloomsbury including Vivienne Eliot Vita Sackville West Lady Ottoline Morrell and Dora Carrington **The Alphabet Sisters** Monica McInerney,2005-05-17 As girls growing up in Clare Valley Australia Anna Bett and Carrie Quinlan were childhood singing stars known as The Alphabet Sisters The unbridled enthusiasm of their flamboyant grandmother Lola was the glue that held them together As adults though the women haven t spoken in years ever since Bett s fianc deserted her to marry the younger Carrie Now Lola is turning eighty and she is determined to reunite the girls for a blowout bash And no one ever says no to Lola Bett who fled to London after the scandal of losing her fianc is hesitant to face her sisters and her hometown especially since she has yet to find another man

Sophisticated Anna the eldest sister isn't too keen on the prospect either though she's secretly grateful for any excuse to leave her crumbling marriage behind in Sydney And Carrie who remained in Clare Valley is perhaps the most apprehensive Her marriage the nominal cause of the sisters estrangement is also on the rocks Was she wrong to have followed her heart and run off with Bett's fiancé When Lola shares her special request that the girls stage a musical she has written their short visit becomes a much longer commitment As they are forced to spend more time together the sisters must confront the pain that lingers between them Preconceptions and misunderstandings are slowly put aside and the three find themselves gradually irresistibly enveloping one another once again until an unexpected turn of events changes everything in ways none of them could have ever imagined Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found *The Alphabet Sisters* is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another **BONUS** This edition contains excerpts from *Monica McInerney's Lola's Secret At Home with the Templetons* *The Faraday Girls* *Family Baggage* *Greetings from Somewhere Else* and *Upside Down Inside Out*
