Piers Myers, Sally Hulks, Liz Wiggins, 2012-03 This textbook offers a combination of rigorous theoretical exploration together with practical insights from those who are responsible for managing change It looks at organisational change from multiple perspectives with the aim of helping readers navigate the landscape of change Stuck Todd W. Ferguson, Josh Packard, 2022 This book lets pastors who feel stuck know that they are not alone or crazy and it is not their fault It helps congregations better support their clergy And it joins in the conversation about reshaping seminary training and professional development

Stuck Bible Study Leader's Guide Jennie Allen, 2014-01-14 So many of us live stuck Stuck trying to seem perfect Stuck in the sadness Stuck feeling numb Stuck pursuing more stuff to make us happy Stuck in something we can't even name These stuck places often go unattended inside of us and they are shaping our lives more than we would like to think We've been trying to fix this feeling with everything but God He has a plan for these spaces inside of us the places we feel broken but we have to go to Him Stuck is a journey to take an honest look at the fight going on inside leading us to the God who has a plan to restore it to restore us This guide serves as a tool to prepare you in leading this Stuck study and to

help you the leader understand how to lead a group effectively and meet the needs of the various types of learners in your group This leader s guide provides you with helpful tips to effectively point your women to the overarching theme of each lesson and explains how to use the session tools including the video the personal study projects and the conversation cards Designed for use with Stuck Video Study 9780849922541 and Stuck Study Guide 9781418548742 sold separately *Stuck* Victoria Grady,Patrick McCreesh,2022-02-28 Our work life is changing Every day new companies technologies and ideas emerge that impact how where and most importantly why we work Despite this exciting evolution people remain the heart of change People are tricky People don t seem to evolve as fast as global trends People get Stuck Teams have people moving at different speeds with different levels of adoption in our evolving workplace Some evolve and some don t Teams get Stuck Leaders managers and teammates struggle with this resistance and get frustrated Frustrated people impact the performance of every organization Organizations get Stuck Why The answer is deeply human and biological rooted in the way our brain interacts with everything in the world even work When people feel they are losing something they react by getting Stuck Stuck connects over 20 years of research on our brain s reaction to the evolving workplace with real stories of people journeying through the challenge of being Stuck The organizations leaders and managers who understand these concepts will evolve with the future Those organizations will understand LOSS as a tool to achieve business WINs This book addresses a critical concept that closes a gap in other popular business publications Many books tell leaders and managers the process of how to change their organizations However many of these books lack a key mechanism for understanding human interactions The mechanism is a biological function developed through evolution called attachment the human need to connect to different tangible and intangible objects for support Attachment is the reason that people connect with leaders and corporate culture but also what creates a deep sense of loss during even the smallest changes Stuck offers a complete understanding of attachment and how it impacts individuals relationships and organizations The root of the challenge is the human need to connect to different tangible and intangible objects for support The basis of the need for support is grounded in our need for attachment Those who learn to understand loss through attachment behavior and the attachments of others will succeed In addition this book provides original data based evidence from assessments conducted with nearly 20 000 respondents and original stories from the application of attachment concepts in more than 150 organizations across all sectors around the globe It shines a light on attachment and use it as a lens to better understand our workplace Stuck is not an academic study It is a practical guide for leading the brain through change For the first time the authors tell stories that demonstrate their research and offer a roadmap for how to leverage attachment research to drive business success Stuck provides not only the deep lessons from the authors research but clear steps for readers to use the lessons of attachment in their own work In this way the book serves as a guide to those leaders managers and employees who are ready to be unStuck
