C. Beaton,2002-03-15 Ever since the death of his father poor Fellworth Dolphin has slaved away as a waiter to support his miserly cold hearted mother When his mother suddenly dies Fellworth is shocked to discover that she has left him a sizable inheritance Confused Fell teams up with Maggie a plain girl with a similar background to investigate the source of the riches But what they find is a closet full of skeletons Is it really possible Fell s father was involved in a long ago train robbery Who s the mysterious woman in the portrait hidden in his mother s wardrobe As Maggie and Fell poke around the village for answers they find themselves on a surprise filled path to danger and adventure and just possibly love But Fell s sudden good fortune could come to an abrupt end if he doesn t stay one step ahead of a cunning killer from beloved novelist M C Beaton comes this thrilling stand alone mystery The Skeleton in the Closet A Skeleton in the Closet Claire Hatcher-Smith,2025-08-26 Twelve year old Mizzy wants to prove to the world that she can solve mysteries just like Sherlock Holmes despite a reputation for tall tales A charming new mystery series for middle grade readers starring a girl with Down syndrome Twelve year old Mizzy dreams of being a detective and she won t let anything stand in her way not her reputation for tall tales or her embarrassing fear of escalators and definitely not her Down syndrome Dumped for the summer with cousins who ve outgrown her Mizzy feels even more sidelined than usual But when she discovers Great Aunt Jane s diaries in a locked wardrobe in their spare room and realizes her aunt didn t just die in her sleep but under suspicious circumstances everything changes What s more someone in the family appears to have been involved Under the guise of a family tree project for school and armed with a brand new set of Pip Squeaks markers Mizzy grabs the chance to prove herself to her cousins and the world The Skeleton in the Closet Clarence Darrow,1924 The Skeleton in the Wardrobe David Holbrook,1991 A startling book from a prolific and admired British scholar critic of literature and its place in education Upon confronting the Narnia stories and adult fantasies of C S Lewis Holbrook uncovers disturbing evidence of psychic fears and aggressive solutions that seem antithetical to Christian values and thus to Lewis s reputation Writers of children s books must be able to depict a world as children envision it but Lewis s childhood was marked by the death of his mother neglect from his father and perverse cruelty from a demented schoolmaster Holbrook demonstrates how these traumatic experiences are reflected in each of the seven Narnia books with additional chapters on That Hideous Strength Perelandra and Till We Have Faces Such psychoanalytic interpretations can become doctrinaire and extreme and Holbrook does at times transform seemingly innocent episodes and names into somber equivalents yet this is a striking and highly original study that all C S Lewis enthusiasts must read

Skeletons in the Closet Aysan Sev'er, Jan E. Trost, 2011-09-28 Family conflict has traditionally been studied by researchers who are at a safe intellectual distance from the families under their study In *Skeletons in the Closet* and in line with feminist research methodologies the hierarchical distance between researcher and subject is broken down All of the contributors to this volume are academics and all are closely related to the families they write about *Skeletons in the Closet* consists of ten essays about unresolved or unresolvable family conflicts The contributors start from the assumption that families whether legal marriage families common law marriage families single parent families multiple generation families same sex partnerships or adoptive families are cradles of intense emotion That intensity they argue may translate into conflict competition domination abuse exploitation or even hate This book explores those areas most likely to grip family members in unresolved interpersonal strife as well as the strategies people use to solve the issues and the shame and isolation that conflict brings in societies that normatively expect family life to be one of joy mutual sharing and caring This first hand narration of family conflict by social scholars has much to contribute to sociological studies of the family both methodologically and theoretically The introduction and conclusion place family conflict within sociological and social psychological theories and methods

The Closet Danielle Bobker, 2020-05-19 In early modern English interior design closets provided royalty with secluded places for reading writing and storing valuables as well as for nurturing the

shifting alliances on which the politics of the day depended Admission to the closet was contingent solely on the owner's approval and the criteria for admission were necessarily opaque Later in the houses of nobility and increasingly those of the middle class private rooms served as prayer closets curiosity cabinets dressing rooms libraries galleries and impromptu bedrooms Merging with the privy and the bath they were remade as earth closets or water closets and bathing closets In these new iterations closets remained important spaces where physical closeness or the exchange of knowledge or both could take place The Closet proposes that the closet's material proliferation had a distinctive relationship to literature Drawing on work by Samuel Pepys Jonathan Swift and Laurence Sterne among others the author argues that eighteenth century writers were curious about closet relations as such including favoritism patronage and voyeurism and also turned to the closet as a figurative bond between author and audience Dozens of texts published in the seventeenth and eighteenth centuries were described by their writers or publishers as closets or cabinets such as the novella *Miss C's Cabinet of Curiosity* containing knowledge that originated in courtly closets prayer closets and similar intimate spaces The closet's longstanding associations with intimacy across social divides made it a touchstone for exploring the attachments made possible by the decline of the court on one hand and the proliferation of print the first mass medium on the other

Embracing the Beat of Appearance: An Psychological Symphony within **Skeleton In The Wardrobe**

In a world consumed by screens and the ceaseless chatter of quick interaction, the melodic elegance and mental symphony created by the prepared word usually disappear in to the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, located within the pages of **Skeleton In The Wardrobe** a wonderful fictional treasure filled with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this interesting masterpiece conducts readers on a mental trip, well unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of the touching evaluation, we can discover the book is main harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
