A Skeleton in the Closet Emma Dorothy Eliza Nevitte Southworth, 1893 **A Skeleton in God's Closet** Paul L. Maier, 2012-04-30 When an ancient skeleton is discovered in Israel will it shed new light on the life of Jesus or plunge the world into chaos Dr Jonathan Weber Harvard professor and biblical scholar is looking forward to his sabbatical year on an archaeological dig in Israel But a spectacular find that seems to be an archaeologist's dream come true becomes a nightmare that many fear will be the death rattle of Christianity Carefully researched and compellingly written *A Skeleton in God's Closet* explores the tension between faith and doubt when science and religion collide In the end it's a thought provoking page turner driven by one man's determination to find the truth no matter the cost *Spies on the Sidelines* Kevin Bryant, 2022-07-13 The first book to fully explore the extraordinary covert actions NFL teams are willing to take in order to win *Spies* disguised as priests Secret surveillance of targets movements Radio frequency jamming Tapped telephones These might sound like acts of espionage right out of the Cold War or a spy movie but in fact came straight from the National Football League In *Spies on the Sidelines* The High Stakes World of NFL Espionage Kevin Bryant provides the first in depth investigation of spying in professional football as well as the countermeasures utilized to defend against these threats Spanning across all teams and eras Bryant shines a light on the shady world of NFL reconnaissance from clandestine photography and hidden draft prospects to listening devices and stolen documents along with the permissible if sometimes questionable spy techniques teams utilize day in and day out to gain an advantage over their opponents Written by a former Special Agent with decades of experience collecting and safeguarding information for the Department of Defense *Spies on the Sidelines* reveals that behind the game day action professional football can be as cloak and dagger as American intelligence agencies This fascinating and expansive compilation of NFL spy anecdotes exposes the extraordinary measures teams are willing to take in order to win *A Skeleton in God Closet* Paul L. Maier, 1995-12-19 From the author of *Pontius Pilate* comes a fascinating novel of archaeological adventure The evidence seems incontestable bones unearthed in an Israeli tomb are those of Jesus of Nazareth But which is the hoax the archaeological find or the Resurrection itself **The Gospel according to Moses** Athol Dickson, 2003-05-01 Years ago I exposed myself to the possibility that Judaism might have great truths to offer and Chever Torah Jewish Bible study rewarded my open mind with radical improvements in the way I live and view my Christian faith from the Introduction After he spent five years attending Chever Torah Athol Dickson found his faith radically changed the result being a deeper relationship with God In beautiful and simple language *The Gospel according to Moses* illustrates Dickson's journey of faith exploring some of the primary theological differences and similarities between Christianity and Judaism He draws generously on both Old and New Testament scriptures looking at Christian and Jewish perspectives on topics such as suffering grace vs works and the place of Jesus in the Hebrew Scriptures **Seymour Hersh** Robert Miraldi, 2013-10-01 Seymour Hersh has been the most important famous and controversial journalist in the United
