The Origins of Global Humanitarianism Peter Stamatov, 2013-12-23 Whether lauded and encouraged or criticized and maligned action in solidarity with culturally and geographically distant strangers has been an integral part of European modernity Traversing the complex political landscape of early modern European empires this book locates the historical origins of modern global humanitarianism in the recurrent conflict over the ethical treatment of non Europeans that pitted religious reformers against secular imperial networks Since the sixteenth century beginnings of European expansion overseas and in marked opposition to the exploitative logic of predatory imperialism these reformers members of Catholic orders and later Quakers and other reformist Protestants developed an ideology and a political practice in defense of the rights and interests of distant others They also increasingly made the question of imperial injustice relevant to growing domestic publics in Europe A distinctive institutional model of long distance advocacy crystallized out of these persistent struggles becoming the standard weapon of transnational activists

Civil Societies and Social Movements Ronnie D. Lipschutz, 2017-03-02 This volume offers an historical and comparative overview of the literature theory practices and critiques of what has been variously labelled global or transnational civil society which includes a broad range of non state actors political social and economic The volume includes an introductory essay that historicizes and problematizes the relationship of society to state and market and contextualizes the pieces in the volume while locating the literature in relationship to international relations political science and sociology

Conceptualizing Culture in Social Movement Research B. Baumgarten, P. Daphi, P. Ullrich, 2014-09-23 This volume introduces and compares different concepts of culture in social movement research It assesses their advantages and shortcomings drawing links to anthropology discourse analysis sociology of emotions narration spatial theory and others Each contribution s approach is illustrated with recent cases of mobilization
