Social Policy Media And Misrepresentation:

Social Policy, the Media and Misrepresentation Bob Franklin, 2002-01-04 Social Policy the Media and Misrepresentation examines aspects of news media reporting of social policy and how such coverage can influence processes of policy making and implementation It offers an appraisal of the complex inter relationships between news media news sources the content of media coverage of social policy and its impact on audiences public opinion and policy makers Through detailed case studies the various contributors explore social work and child protection housing and homelessness the charity and voluntary sectors poverty and welfare policy health including HIV AIDS and mental health education and crime and juvenile justice Managing Sex Offender Risk Hazel Kemshall, Gill McIvor, 2004 Based on key research into assessment treatment and recidivism this book offers practical guidance on improving intervention techniques with sex offenders The contributors explore the monitoring and surveillance strategies and cognitive behavioural techniques currently used both in prison and in the community and give clear directions for future practice Providing a detailed overview of the typologies and characteristics of offenders they suggest strategies for managing different kinds of offender including children and young people who are sexually aggressive The Sex Offenders Act and the Crime and Disorder Act emphasise the need for effective community management of the predatory paedophile Reviewing the recent growth in multi agency approaches to this challenge the book discusses how police prisons and social work departments can share information and collaborate effectively and will be essential reading for probation officers prison staff social workers and anyone involved in the assessment and management of sex offenders *Social Constructionism in Housing Research* Jim Kemeny, 2017-05-15 By stressing the importance of subjectivity and interpretation social constructionism offers a different conception of reality from the traditional approach to housing policy analysis This book provides an up to date review of the social constructionist perspective and considers its philosophical basis It discusses how social problems are constructed and in turn how this informs policy making It is divided into two parts The first section is theoretical and discusses the variety of conceptual approaches utilised within the constructionist paradigm The second part provides a number of empirically based case studies from the UK and Australia to illustrate the different methodologies that form the social constructionist corpus The book also evaluates both the criticisms that have been made against the social constructionist perspective and the strengths and weaknesses of constructionist methods It therefore contributes to the development of a future research agenda for social constructionist research in housing and urban policy **Public Relations Democracy** Aeron Davis, 2002-05-03 This book looks at the rapid expansion of professional public relations and discusses its effects on the mass media and political process **Sociology and Social Work** Jo Cunningham, Steve Cunningham, 2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human

behaviour at individual group and community levels This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work *New Theories of Welfare* Tony Fitzpatrick, 2017-03-16 In this sequel to the acclaimed Welfare Theory Palgrave 2001 Tony Fitzpatrick examines the most recent influential and cutting edge ideas influencing policy studies today Clearly structured to enable students to make theoretical connections between apparently diverse areas it provides an invaluable synthesis of the most important theoretical innovations in the discipline in recent years Comprehensive engaging and authoritative New Theories of Welfare will appeal to all those interested in social and public policy politics sociology and philosophy **Social Inequalities, Media, and Communication** Toks Oyedemi, Jan Servaes, 2016-02-04 Social Inequalities Media and Communication Theory and Roots provides a global analysis of the intersection of social inequalities media and communication This book contains chapter contributions written by scholars from around the world who engage in country and region specific case studies of social inequalities in media and communication The volume is a theoretical exploration of the classical structuralist culturalist postmodernist and postcolonial theoretical approaches to inequality and how these theoretical discourses provide critical understanding of social inequalities in relation to narratives shaped by media and communication experiences The contributors provide class and gender analyses of media and culture engage theoretical discourses of inequalities and capitalism in relation to communication technologies and explore the cyclical relationship of theory and praxis in studying inequalities media and communication **The Praxis of Social Inequality in Media** Toks Oyedemi, Jan Servaes, 2016-08-03 The Praxis of Social Inequality in Media A Global Perspective provides a global analysis of the intersection of social inequalities media and communication This volume contains chapters by an international array of scholars and provides case studies from various countries with critical empirical analysis of social inequalities and how they shape media narratives and experiences The topics examined here include poverty in the media in Britain and Turkey technology and inequality in Italy and Bangladesh gender inequality and empowerment in India Mexico and Australia and cross national analysis of rape culture among others *Crime, Policy and the Media* Jon Silverman, 2013-03-01 Media clamour on issues relating to crime justice and civil liberties has never been more insistent Whether it is the murder of James Bulger or detaining terrorist suspects for long periods without trial mediated comment has grown immeasurably over the last twenty years So how does it interact with and shape policy in these fields How do the politicians both respond to and try to manipulate the media which permeates our society and culture Crime Policy and the Media is the first academic text to map the relationship between a rapidly changing media and policymaking in criminal justice Spanning the period 1989 2010 it examines a number of case studies terrorism drugs sentencing policing and public protection amongst others and interrogates key policy makers including six former Home Secretaries a former Lord Chief Justice Attorney General senior police officers government advisers and leading commentators about the impact of the media on their thinking and practice

Bolstered by content and framing analysis it argues that especially in the last decade fear of media criticism and the Daily Mail effect has restricted the policymaking agenda in crime and justice concluding that the expanding influence of the Internet and Web 2.0 has begun to undermine some of the ways in which agencies such as the police have gained and held a presentational advantage Written by a former BBC Home Affairs Correspondent with unrivalled access to the highest reaches of policy making it is both academically rigorous and accessible and will be of interest to both scholars and practitioners in media and criminal justice

The Routledge Companion to Media and Poverty Sandra L. Borden, 2021-07-19 Comprehensive and interdisciplinary this collection explores the complex and often problematic ways in which the news media shapes perceptions of poverty Editor Sandra L Borden and a diverse collection of scholars and journalists question exactly how the news media can reinforce or undermine poverty and privilege This book is divided into five parts that examine philosophical principles for reporting on poverty the history and nature of poverty coverage problematic representations of people experiencing poverty poverty coverage as part of reporting on public policy and positive possibilities for poverty coverage Each section provides an introduction to the topic as well as a broad selection of essays illuminating key issues and a Q & A with a relevant journalist Topics covered include news coverage of corporate philanthropy structural bias in reporting representations of the working poor the moral demands of vulnerability and agency community empowerment and citizen media The book's broad focus considers media and poverty at both the local and global levels with contributors from 16 countries This is an ideal reference for students and scholars of media communication and journalism who are studying topics involving the media and social justice as well as journalists activists and policy makers working in these areas
