Contemporary Readings in Social Problems Anna Leon-Guerrero, 2008-11-21 Companion reader to Anna Leon Guerrero's *Social Problems* 2nd Edition **Social Problems** Joel M. Charon, Lee G. Vigilant, 2011 A unique and groundbreaking collection of fifty-four articles organized in eleven thematic sections **SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS** Fourth Edition combines a rigorous structural conflict approach with a strong emphasis on the real-life experiences of those impacted by social problems The articles include both classic and contemporary readings covering a wide range of issues in the United States and around the world The introductory article written by Joel M Charon introduces four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done These questions give students a consistent sociological framework to help them analyze the readings and think critically about social problems The articles have been painstakingly selected to hold student interest while illuminating key topics most come from books and trade publications rather than dry academic journals As a whole the collection powerfully explores a wide range of contemporary social problems while providing the tools and context to help students think sociologically about the social problems around us **Seeing Social Problems** Brandon Lang, Molly Monahan Lang, 2019-12-13 *Seeing Social Problems Readings on Contemporary Issues in the United States* provides students with engaging thought-provoking articles that examine a wide array of current social issues the types of behaviors that perpetuate such problems and how these issues affect the daily lives of Americans Students are invited to critically consider how key issues have evolved and changed over time and to devise new ways for society to improve both as people and as a nation The reader is divided into eight sections Opening sections address socioeconomic inequality and poverty racial and ethnic inequality gender inequality and homophobia and crime Later sections explore social problems related to medicine and health families education and the environment The revised first edition features up-to-date information on several important issues including race gender crime health care drug abuse and pollution Recent developments related to the Black Lives Matter and MeToo movements Obamacare and environmental justice are addressed A new reading concerning the American opioid crisis has also been added Developed to inspire critical thought and a greater understanding of contemporary issues *Seeing Social Problems* is an ideal resource for courses in sociology Brandon Lang earned his Ph.D. in sociology at North Carolina State University He is an associate professor in the Department of Sociology Social Work and Criminal Justice at Bloomsbury University Dr Lang's areas of interest include the sociology of sports and community public and environmental sociology His writing has appeared in numerous journals including *Culture and Agriculture Technology in Society* and *Journal of Environmental Education* Dr Lang is a member of the International Sociology of Sport Association and the Eastern Sociological Society Molly Monahan Lang earned her Ph.D. in sociology at North Carolina State University She is an assistant teaching professor of sociology at Penn State Behrend Dr Monahan Lang

s research interests include the intersections of race social class and gender within social institutions with particular emphasis on marriages and death dying **Social Problems** ,1991 [Social Problems + Social Problems Interactive E-book 3rd Ed.+ Contemporary Readings in Social Problems](#) Anna Y. Leon-guerrero,2010-09-21 **Contemporary Social Problems (Preliminary Edition)** Brandon Lang,Molly Lang,2016-08-25 **Social Problems** John Stimson,Ardyth Stimson,1991 **Philosophic Analysis and Educational Theory: Contemporary Readings** Donald J. Reitz,1972 **The Cambridge Handbook of Social Problems:** A. Javier Treviño,2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research **Classic and Contemporary Readings in Sociology** Ian Marsh,Rosie Campbell,Mike Keating,2014-05-12 Classic and Contemporary Readings in Sociology introduces the reader to sociological issues theories and debates providing extracts of primary source material from both classical and contemporary theorists Theorists are examined within their historical and sociological framework and the text provides an analysis of developments in sociological thought and research The text is divided into four main sections Part One Origins and Concepts surveys the history of the discipline of sociology and examines key themes which have influenced sociological theorising and investigation in particular social control culture and socialisation Parts Two and Four Sociological Theories and Sociological Research include a number of readings from the founding theorists and investigators including Auguste Comte Emile Durkheim Karl Marx Max Weber and Charles Booth and also include more recent theoretical writing and research approaches The focus on theory and research is extended by a selection of readings centred around the theme of Differences and Inequalities Part Three these readings provide students with examples of work from an area where sociological theorising and research has been widely applied
