Social Services For The Elderly:

Housing and Social Services for the Elderly Elizabeth D. Huttman, Ilse J. Volinn, 1977 **Handbook of Social Work in Health and Aging** Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today Social Work with the Aging Carol H. Meyer, 1975 *Social Care of the Elderly* Marjorie H. Cantor, Mark Brennan, PhD, 2000-02-29 A welcome addition to the literature in this important area of work that builds on the empirical studies which have illuminated our understanding of the requirements of effective service provision The final section is in a real sense a call for action for all of us in the field and for public officials and opinion makers to respond to the need for Social Care now and in the new millenium from the foreword by Rose Dobrof DSW Brookdale Professor of Gerontology Hunter College and James R Dumpson PhD Chairman of Policy Center for Aging New York Community Trust Based on two groundbreaking studies of older people in an urban setting this important book focuses on access to social services for different ethnicities Cantor and Brennan review different models and provide the theoretical base for the book in Part I They describe ways in which the complementary roles of informal and formal systems change as a function of the health status of older people In Part II they illustrate the ways in which ethnicity class and culture affect the roles of the formal and informal systems by focusing on specific case studies of African American Latino and Jewish elderly Journal of Human Services Abstracts , 1984 *The Social Services Block Grant and Its Impact on Services to the Elderly* United States. Congress. House. Select Committee on Aging. Subcommittee on Human Services, 1982 **The Oxford Handbook of Social Work in Health and Aging** Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient

Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume s unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families
