Current Catalog National Library of Medicine (U.S.), 1965 Current Catalog National Library of Medicine (U.S.), 1983 First multi year cumulation covers six years 1965 70 *IT Workers Human Capital Issues in a Knowledge Based Environment*
Fred Niederman, Tom Ferratt, 2006-04-01 The goal of this book is to serve as a gathering of knowledge and ideas at the intersection of the human resource management HRM and management information systems MIS information technology IT fields In striving toward achieving this goal we have relied on authors who responded to our call for work within this intersection As described more fully below the chapters clustered into four topic areas 1 effective management of IT workers 2 IT workers and their careers 3 diversity in IT and 4 organizational issues Thus this book focuses on selected areas within the intersection of these fields rather than covering the entire intersection Of course the broad goal of this book could not be completely fulfilled and even if it were such knowledge would be continually overtaken by the ongoing evolution of people technology and their interactions However in the process of undertaking this project we have had the opportunity to make some observations about the current state of knowledge regarding IT workers the human capital that makes it possible for organizations in a knowledge based economy to plan create integrate operate and maintain their various IT based systems

Encountering the Everyday Michael Hviid Jacobsen, 2017-09-16 Everyday life is something we tend to take for granted something that just is something unnoticed But everyday life is perhaps the most important dimension of society it is where we live most parts of our lives with each other This book provides a clear contemporary and comprehensive overview of the sociologies of everyday life Looking at everyday activities and experiences from language and emotions to popular culture and leisure Encountering the Everyday explores what social structures orders and processes mean to us on a daily basis The book carefully leads the reader through historical developments in the field beginning at the earlier Chicago school and finishing with up to date ideas of postmodernism and interactionism Each chapter relates theoretical ideas directly to case studies and real empirical research to make complex concepts and core issues accessible relevant and engaging Written by leading international scholars in the field this truly global book will inspire and inform all students and scholars of everyday life sociology

Doing Research on Sensitive Topics Raymond M. Lee, 1993-03-16 This book is a comprehensive guide to the methodological ethical and practical issues involved in undertaking research on sensitive topics Raymond M Lee explores the reasons why social research may be politically or socially contentious its relation to issues of social or political power its capacity to encroach on people's lives and its potentially problematic nature for the researcher Issues examined include the choice of methodologies for sensitive research problems of estimating the size of hidden populations questions of sampling surveying and interviewing and sensitivity in access and the handling of data The book also discusses the political and ethical issues at stake in the relations between the researcher and the researched and in the disclosure dissemination and

publication of research **Asian American Issues Relating to Labor, Economics, and Socioeconomic Status** Franklin Ng, 2014-06-23 In the late 19th and early 20th century labor issues fanned the flames of anti Asian sentiment as they continue to do to this day These essays explore the topics of immigration and work ethnic economics and enclaves the role of middlemen minorities Southeast Asian refugee employment and issues of class hierarchy immigrant recruitment intra community exploitation and poverty in Asian American communities *Principles, Approaches and Issues in Participant Observation* Danny L. Jorgensen, 2020-02-19 This book provides a succinct student friendly outline of the principles approaches and issues in participant observation An examination of these basic tenets is important for clarifying the philosophical rationale for conducting participant observation making important research decisions and appreciating the strengths and weaknesses of different approaches within the method Participant observation as a formal means of inquiry is developed in close relation with the competing approaches of reality ontology truthfully apprehending reality epistemology and formal research methodology In this volume Jorgensen discusses the resulting methodologies of positivism humanism and most recently postmodernism in relation to principles approaches and issues in participant observation Specific features of participant observation as exemplified in a wide range of classic and contemporary studies are examined by way of these methodological approaches along with the troublesome complexities of values politics ethics and contemporary debates over appropriate representations of the resulting findings about human life This concise primer is suitable for undergraduate and graduate students in a wide range of disciplines such as anthropology religious studies sociology and nursing The British National Bibliography Arthur James Wells, 1998 **Viable Utopian Ideas** Art Shostak, 2015-06-11 Utopias whether philosophical literary or actual experiments are attempts to solve all social problems In the wake of the attack on the World Trade Center unfolding corporate scandals and other devastating shocks it is natural to search for practical lessons in utopian literature In this collection noted sociologists renew the call to develop an altruistic social order They address a wide variety of topics as they look for viable utopian ideas that can be applied to today s society Written in an engaging jargon free style and directed to introductory sociology students as well as anyone concerned with social problems the book provides both visionary ideals and insights for pragmatic decision making as we venture into an uncertain future

Enjoying the Melody of Appearance: An Mental Symphony within **Social Themes Prentice Hall Sociology Series**

In a world consumed by screens and the ceaseless chatter of quick communication, the melodic splendor and psychological symphony produced by the written term usually fade into the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. However, located within the pages of **Social Themes Prentice Hall Sociology Series** a charming fictional treasure full of natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this captivating masterpiece conducts visitors on a psychological journey, well unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths with this poignant assessment, we shall examine the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
